Docket No.: 07-00020

Re: *Atmos Energy Corporation's Tariff Filing to Modify and Add Language Regarding Transportation Service (Tariff No. 2007-0021)*

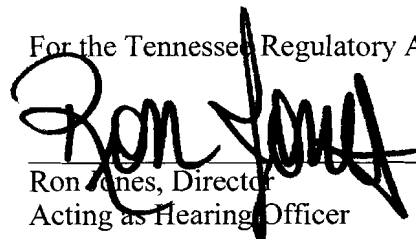

Date: December 3, 2007

The procedural schedule adopted in the *Order Establishing Procedural Schedule, Granting Interventions, and Suspending Tariff* filed on October 2, 2007, provided that the parties should file motions to compel discovery on November 30, 2007, and responses to motions to compel discovery on December 5, 2007. On November 30, 2007, Stand Energy Corporation ("Stand") filed a motion requesting the following relief:

1. join Atmos Energy Marketing as a party;
2. extend for thirty (30) days all previously established deadlines, including the hearing dates;
3. compel Atmos Energy Corporation to respond to Interrogatories 1-6(e), 1-6(g), 1-7(a), 1-10(b), 1-11, 1-17, 1-18, and 1-19; and
4. direct Atmos Energy Corporation to serve Stand's General Counsel, John Dosker, the answers to the interrogatories that are the subject of the motion and all future discovery via electronic mail or overnight early morning delivery.

No other motions were filed on November 30, 2007. Because Stand's motion requests relief in addition to compelling responses to discovery and because Authority Rule 1220-1-2-.06(2) permits responses to preliminary motions to be filed seven (7) days following the service of the motion, it is clarified herein that pursuant to Authority Rule 1220-1-2-.06(2), which permits the Hearing Officer to shorten the response time for preliminary motions, the response date previously established for motions to compel is adopted as the date on which responses to Stand's November 30th motion will be due. **Therefore, any responses to *Stand Energy Corporation's Motion to Join Atmos Energy Marketing as a Party and Motion to Compel* shall be filed on Wednesday, December 5, 2007.**
