STAND ENERGY CORPORATION'S NOTICE OF WITHDRAWAL

Comes now Stand Energy Corporation ("Stand Energy") and files this Notice of Withdrawal. In recent days, Stand Energy has learned of the imminent settlement between Atmos Energy Corporation and one of more of the other intervening parties in this docket. Although Stand Energy is not a party to this settlement and the settlement fails to address many of Stand Energy's concerns that have been previously expressed throughout the pendency of this docket, Stand Energy has determined that it would not be prudent to incur any further costs and expenses in connection with these proceedings. Therefore, Stand Energy Corporation respectfully withdraws from this proceeding.

Respectfully Submitted,
Stand Energy Corporation
