Docket No. 07-00020

RECEIVED
2007 MAR 21 PM 4:04
T.R.A. DOCKET ROOM

PETITION TO INTERVENE OF ATMOS INTERVENTION GROUP

The Atmos Intervention Group ("AIG")¹ petitions the Authority to intervene in the above-captioned proceeding pursuant to T.C.A. §4-5-301.²

AIG is an informal group of large customers who purchase natural gas and/or gas transportation services from Atmos Energy Corporation ("Atmos").

This proceeding will address, among other things, the terms and conditions under which AIG members purchase natural gas or gas transportation services. Therefore, the legal rights, duties, privileges, immunities, or other legal interests of AIG's members may be affected or determined by the outcome of this proceeding. Granting this petition will not impair the interests of justice or the orderly and prompt conduct of these proceedings.

AIG, therefore, asks that this petition to intervene be granted.

¹ At this time, AIG members are Goodyear Tire and Rubber Company (Union City plant), Koch Foods, Berkline, Laughlin Memorial Hospital, Williamson Medical Center, Takoma Adventist Hospital, Maury County Regional Hospital, Mountain States Health Systems (four hospitals) and Wellmont Health System (six hospitals).

² AIG has previously intervened and participated in Docket 05-00258 in which these same tariff proposals were filed and litigated. See letter from Edwin Wilkins to Chairman Kyle, January 10, 2007. When these tariffs were re-filed, however, the TRA assigned a new docket number to the filing. While AIG presumes that all parties to Docket 05-00258 would also be considered parties to this proceeding, AIG files this petition to intervene out of an abundance of caution.

Respectfully submitted,
BOULT, CUMMINGS, CONNERS & BERRY, PLC
