ORDER RESUSPENDING TARIFF CHANGES THROUGH JUNE 15, 2007

On January 10, 2007, Atmos Energy Corporation (“Atmos” or the “Company”) filed a revision to Tariff Sheets 21 through 24.2 (Schedule 260 Transportation Service). On January 25, 2007, Atmos modified the effective date of the tariff changes from February 9, 2007 to April 1, 2007. Petitions to Intervene in this docket were filed by the Atmos Intervention Group (“AIG”) and Southstar Energy Services, LLC d/b/a Georgia Natural Gas (“Southstar”) on March 21, 2007 and March 26, 2007, respectfully.

This matter initially came before Chairman Sara Kyle, Director Eddie Roberson and Director Ron Jones, of the Tennessee Regulatory Authority (“Authority” or “TRA”), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on March 26, 2007. During that Conference, the panel voted unanimously to suspend the tariff changes through May 1, 2007, and to set filing dates for the parties. The panel also appointed General Counsel or his designee as Hearing Officer for the purpose of reviewing the filings in the docket to make a recommendation to the panel as to whether to convene a contested case and modifying any filing dates, if necessary.

On April 2, 2007, complaints were filed in this docket by AIG and Southstar. A petition to intervene was filed by Stand Energy Corporation on April 3, 2007. Atmos filed responses to the complaints and the petition to intervene on April 9, 2007.

Tenn. Code Ann. § 65-5-103 permits the Authority to suspend any increase, change, or alteration initially for a period of three months from the proposed effective date of the increase, change, or alteration and provides that the TRA may “extend the period of suspension for such further period as will reasonably enable it to complete its investigation of any such increase, change or alteration”¹ Because the recommendation of whether to convene a contested case regarding this tariff cannot be completed within the time period of the original suspension by the panel, the Hearing Officer hereby resuspends the effectiveness of the tariff changes for an additional forty-five days through **June 15, 2007**.

IT IS THEREFORE ORDERED THAT:

The effective dates of the tariff changes by Atmos Energy Corporation are hereby suspended through **June 15, 2007**.

J. Richard Collier, Hearing Officer

¹ Tenn. Code Ann. § 65-5-103(a).
