Re: *Petition for Approval of the Wireless Interconnection Agreement Between TDS Telecom and Alltel Communications, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, Docket # 07-00032*

Dear Chairman Kyle:

TDS Telecom has on file a Disaster Recovery Plan which was included as the 1st Amendment to the interconnection agreement between TDS Telecom and US LEC approved by the Authority in Docket No. 03-00415 on September 29, 2003. In the event of any disaster that affects the delivery of traffic for an extended period of time, TDS Telecom shall utilize the Disaster Recovery Plan as filed above and implement measures in accordance with the plan on a non-discriminatory basis, with all affected carriers, including Alltel Communications, Inc.

TDS Telecom respectfully requests the Authority accept this filing to meet the disaster recovery requirement, in lieu of a formal amendment and that the Wireless Interconnection Agreement between TDS Telecom and Alltel Communications, Inc. be approved as originally filed.

Should you have any questions regarding this filing, you may contact me at (865) 671-4753.

Sincerely,

Bruce Mottern
