***Re: Complaint of BLC Management, LLC d/b/a Angles Communication  
Solutions Against BellSouth Telecommunications, Inc. to Resolve  
Billing Disputes, Enforce the Parties' Interconnection Agreement, and  
Prevent Interference with Service to Customers  
Docket: 07-00053***

Dear Ms. Chatterjee:

As we discussed on the telephone yesterday, I contacted Mr. Guy Hicks and requested an additional day to file Angles' initial discovery requests. Mr. Hicks did not object to the request based upon my agreement that AT&T would also be granted an additional day to respond to these requests and that no other changes to the schedule would be made as a result of this request.

Thank you for your consideration of this request.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
