Complaint of BLC Management, LLC d/b/a Angles Communication Solutions Against BellSouth Telecommunications, Inc. to Resolve Billing Disputes, Enforce the Parties' Interconnection Agreement, and Prevent Interference with Service to Customers	)))	Docket No. 07-00053

BLC MANAGEMENT, LLC d/b/a ANGLES COMMUNICATION SOLUTIONS' RESPONSES TO AT&T TENNESSEE'S FIRST ROUND OF INTERROGATORIES AND REQUEST FOR PRODUCTION

The BLC Management, LLC d/b/a Angles Communication Solutions ("Angles") hereby submits the following responses to the First Set of Interrogatories and Request for Production from AT&T Tennessee ("AT&T").

INTERROGATORIES

1. One or about June 7, 2006, Angles paid AT&T (then known as BellSouth) $120,402. Identify every AT&T (then known as BellSouth) employee that was involved in the alleged determination that such payment represented that total outstanding, undisputed amount owed by Angles at time of such payment.

RESPONSE: Leisa Mangina, Manager-Credit and Collections (AT&T Southeast)

2. Identify all AT&T employees that Angles and/or CGM have communicated with since June 2006 regarding billing matters.

RESPONSE: Leisa Mangina, Gary Patterson, Roger Edmonds, Keith Deason, David Melton, Jim Maziarz, and Ron Smith

3. Identify all AT&T employees that allegedly acknowledged or admitted making any mistake regarding amounts owed by Angles (see, for example, Complaint, ¶7) and describe with particularity the substance of such alleged mistake.

RESPONSE:

A. Guy Hicks stated during a pre-hearing conference on August 2, 2007 that a "low level employee" of AT&T made a billing error regarding Angles.

B. The demand letters sent by AT&T in 2007 and the follow-up emails from AT&T show conflicting and ever-changing amounts due.

C. Angles cannot discuss confidential mediation sessions with AT&T.

4. Identify all AT&T employees that have allegedly concurred (or agreed) that Angles has paid or disputed all AT&T invoices since June 2006.

RESPONSE: Leisa Mangina, Roger Edmonds, Keith Deason, and David Melton

5. For each month starting with June 2006, identify: (i) the amounts that Angles has paid AT&T; and (ii) the amounts Angles has disputed with AT&T.

RESPONSE: See response to Request for Production of Documents No. 4.

REQUESTS FOR PRODUCTION OF DOCUMENTS

1. Produce all documents relied upon in responding to AT&T Tennessee's First Set of Interrogatories.

RESPONSE: All such documents are identified below.

2. Produce all documents identified in responses to AT&T Tennessee's First Set of Interrogatories.

RESPONSE: All such documents are attached, either in paper form or on a computer disk.

3. Produce all documents that support Angles' contention that its payment of $120,431.95 on or about June 7, 2006, represented payment of the total outstanding, undisputed amounts owed by Angles at the time of such payment.

REPONSE: See Exhibit 1 attached.

4. Product all documents that track payments made by Angles to AT&T, including, but not limited to, any spreadsheet(s) that identify open balances, current charges, disputes, and/or inaccurate/inappropriate charges.

RESPONSE: See Exhibit 2 attached (an electronic disk containing the responses to No. 4, 5 and 6.)

5. Produce all documents that identify the payments made by Angles to AT&T since June 2006.

RESPONSE: See response to Request No. 4.

6. Produce all documents that identify the billing disputes raised by Angles since June 2006.

REPONSE: See response to Request No. 4.

7. Produce all documents that support Angles' contention that AT&T has made any mistake regarding amounts owed by Angles (see, for example, Complaint, ¶7).

RESPONSE: See Exhibit 3 attached.

8. Produce all documents that refer to undisputed amount owed by Angles and/or contain an acknowledgement that Angles has filed to pay AT&T (or BellSouth) undisputed amounts.

RESPONSE: See Exhibit 1 attached.

9. Produce all documents (including but not limited to email and written correspondence) exchanged between Angles and AT&T (or BellSouth) regarding billing matters.

RESPONSE: Angles objects to this question on the grounds that it is overly broad, and therefore, burdensome.

The question asks for "all" documents exchanged between Angles and AT&T "regarding billing matters." Angles has been in existence since early 2004. There are probably hundreds, if not thousands, of emails between the parties concerning billing matters. All, of course, are presumably available to AT&T as either the sender or recipient of the emails. As stated, the question is too broad to be reasonable.

10. Produce all documents, including but not limited to email and written correspondence) exchanged between CGM and AT&T (or BellSouth) regarding billing matters.

RESPONSE. See response to Request 9 above. As the firm responsible for handling Angles' billing matters since early 2006, CGM continually exchanges emails about "billing matters" with AT&T. Moreover, CGM also deals with billing matters on behalf of a number of other clients. A literal response to this question would require CGM to go through thousands of emails to identify all those dealing with Angles. As in Request 9, this data request contains no limits as to time or subject matter. As written it is too broad to be reasonable. And, of course, AT&T already has copies of all the requested information.

Respectfully submitted,

BOULT, CUMMINGS, CONNERS & BERRY, PLC

Chuck,

We don't have $28K in open disputes. Brian will need to only deduct the amount Keith Deason has given him $210,950.00 and $54,408.00 on the promos. I have in open status other than promotional money $73.95. The balance today is $385,834.56. The amount to pay to get lens back up will be $120,402.61.

Leisa,

Can we call you in a couple of minutes about the $28K of open claims (attached). This is the last issue to be addressed in getting Angles Communications turned back on.

Thanks,

Quick clarification - it is $28k.

Thanks for your time Keith - Leisa. Chuck left a message for you and if you can call us at your earliest convenience, that would be super - thanks!

Deason, Keith wrote:

Leisa,

Based on my conversation with Angles Communication, Lost Key Telecom and CGM, we have come to an agreement on the current balanced owed. They told me that they would wire you the full amount once they came to an agreement with you about outstanding disputes that are outside of resale promotions. I would appreciate you emailing me once you have received the discussed amount. The estimate was roughly $177,479.14, minus any outstanding disputes (they gave me a dollar amount of $2,800.00) in non promotional disputes.

If you have any questions, please let me know. I look forward to hearing from you with the response once you have received the balance from Angles.

Hey Leisa,

We sent the $75,000 to you based on our lawyer (Henry Walker) and your lawyer's (Joelle Phillips) discussions. I dont necessarily have a break out of where to put it so to speak, I think it was more of a gesture of getting a large amount of cash in your hands to show we are serious about getting down and solving this by working with you. I think it would be wise of us to see where it needs to be posted once we determine where the errors are in the billing. However, if you have to post it to an account for it to be in the system, please post it to the 601Q MS resale account.

One June 7, you used the same formula to come up with $120k due as you are using now (outstanding amount minus processing disputes and promos) so we can all safely use that date as a starting point to really drill in further and see what has happened since that date. So, using June 7th as a starting point, we are breaking out even more and simplifying the thousands of lines of spreadsheets to lay out in a simple format what was billed, what was disputed and what was paid. We have been following the same exact routine since June 7. We have paid every bill since then on time minus filed promos and disputes. We do not short pay the bills one penny more and do pay our bills on a monthly basis. We are now drilling in to each month to make sure the payments we sent were posted to Q accounts and if you are showing the promos and disputes we filed. We will have this spreadsheet to you by 3:00pmC today.

I still believe that a meeting that included you, Steve Watson and myself would be helpful. I am willing to meet as soon as possible at the location of your choice. I would like for all correspondence concerning this matter to be directed to Steve or Me.

Thanks,

Brian

Brian,

The amount on the aging will differ daily due to the fact either payments hit the account or disputes are closed or adjusted. This number as stated several times before changes daily. if you were paying the amount on the bill then it should cover all outstanding balances. But since you short pay the disputed amount all BellSouth can go by is the amount BellSouth has in open disputes to back out. I believe the issue is the amount you state is in dispute verses the amount BellSouth has open in dispute. As you can see there is a large difference and I am collecting on all outstanding monies that is not in an open status.

Leisa,

I have received your latest email. As I wrote you 2 weeks ago, see below, we continue to pay all current bills less disputed amounts. You have not yet replied to my previous email. To emphasize the point, I repeat the last paragraph from my earlier email:

"As you also know, under the terms of our interconnection agreement, BellSouth cannot discontinue service solely because we have declined to pay a disputed charge and have notified BellSouth of the basis of our refusal to pay. We have paid all non disputed charges and will continue to do so while these matters are being addressed."

You might note that on Oct 31 you wrote me that we owed $581k dollars which "needs to be paid". Today you wrote that we owe $518k. There is, of course, no reason for those amounts to be different. This illustrates the billing problems which we have discussed for some time. Neither number is correct.

Leisa,

On Oct 26, I sent you the report detailing the payments for all non-disputed charges with the attached explanation. This is the same procedure I have followed every month for the last 3 months based on discussions between my attorney and your attorney (copied on this email and copied on all 3 monthly reports). I have not received any notice from Bellsouth that this arrangement was unacceptable nor have I received any notice of an unpaid past due balance. I continue to hope that we can resolve our outstanding disputes and am available to begin work on those at your convenience. As you know, Some of these issues are currently pending before the FCC

As you also know, under the terms of our interconnection agreement, BellSouth cannot discontinue service solely because we have declined to pay a disputed charge and have notified BellSouth of the basis of our refusal to pay. We have paid all non disputed charges and will continue to do so while these matters are being addressed.

Steve,

Thanks for the information- I am looking at the total owed $618,791.66. I have backed out your number of promos- $419,764.57 (Keith, correct me if this is incorrect) and the payment of $559.22 which has not posted. This gives me a difference at $198,467.87.

Brian,

Yes, it has some of the 19th bill period showing balances but the balances are the June 19th bill period. The July 19th bill period are showing in the current column. To confirm are you current backing out the disputed amounts, I would have to state no. With payment of the $198,467.87 would get you to a current status using Steve Watson's numbers as disputed. The amounts are subject to change depending on whether the disputed amount changes or payments post or when the next bill cycle comes on line. The columns showing current are the July invoices. Once that bill drops for August the column will migrate over to the 31-60 day money. For example: 601 Q88-0715- the eighth bill period is still showing the July 8th bill in current until tomorrow when it rolls over to the next column.

Dear Mr. Cox:

Attempts to collect past due amounts from BLC Management have been unsuccessful and to date full payment has not been received. BLC Management's accounts are currently in default in the non disputed amount of $430,953.36 and subject to disconnection. A breakdown of these accounts are $35,277.95 in Florida, $110,047.08 in Kentucky and $285,628.33 in Mississippi. Pursuant to the current agreement between AT&T and BLC Management, AT&T will proceed with the discontinuance of existing services in Florida, Kentucky and Mississippi on July 12, 2007 if the full amount is not received in immediately available funds. Additionally, payments are expected for any current charges that may become due before July 12, 2007.

If service is interrupted, full non-recurring charges will be applicable to reestablish service.

If there is an outstanding request for new or additional security, that request will need to be addressed before service is re-established.

If any end users have a Local Service Freeze this freeze will be removed at the time of discontinuance to give the end user the ability to choose a new local service provider.

Pursuant to the Agreement, it is BLC Management's responsibility to notify its end users of this impending disconnection.

If you have questions regarding your account, please contact your Collections Service Representative, Jackie Whalen, at (205) 714-0134, Extension 6-7766.
