**ORDER THAT ESTABLISHMENT OF ESCROW ACCOUNT IS NOT REQUIRED**

---

This matter came before Chairman Eddie Roberson, Director Sara Kyle, and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on October 22, 2007. This docket was opened to consider whether an escrow account should be established by HC Sewage Treatment, LLC ("HC" or the "Company"). At the Authority Conference, the panel found that HC has only two commercial customers, adequate capacity, and relatively new equipment. The panel further found that the Company has demonstrated that it has the means to properly maintain the Company's facilities. Based on these findings, the panel voted unanimously that the Company shall not be required to establish an escrow account.

**IT IS THEREFORE ORDERED THAT:**

HC Sewage Treatment, LLC is not required to establish an escrow account.

  
Eddie Roberson, Chairman

  
Sara Kyle, Director

  
Ron Jones, Director
