RE: Docket No. 07-00072, *Application of Communication Lines, Inc. for Certificate to Provide Competing Local Telecommunications Services in Tennessee.*

Dear Ms. Ingram:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Communication Lines, Inc.'s application to amend its Certificate of Convenience and Necessity to include facilities-based competing local telecommunications services in Tennessee, you are requested to provide the following information:

1. Will Communication Lines, Inc. provide (1) access to 911 and E911 emergency service, white page directory listing, directory assistance, (2) access to and support for the Tennessee Relay Center in the same manner as incumbent local exchange telephone companies, (3) free blocking service for 900/976 type services in accordance with Authority policy, (4) Lifeline and Link-Up services to qualifying citizens of the state and (5) educational discounts in existence as of June 6, 1995?
2. Please clarify the following statement contained in the pre-filed testimony of Mr. Stanley Johnson, "Communication Lines, Inc. proposes to offer basic local service on a flat fee basis and custom calling features, along with toll limitation and directory services, to residential customers." Define "flat fee basis." Will your company be providing pre-paid services? Define "toll limitation." Will toll limitation be applied to every customer? Will customer deposits be required?
3. Will Communication Lines, Inc. employ the services of an accounting firm? If so, please identify that firm. If not, please identify the CLI officer who will be responsible for financial matters in Tennessee.
4. Please provide additional details regarding the previous telecommunications experience of Stan Efferding, including details regarding his day-to-day duties and responsibilities for Tennessee operations. Please provide details regarding the day-to-day duties/responsibilities of Stanley Johnson in Tennessee. Please identify other officers of Communication Lines, Inc.

Please provide the above information by April 27, 2007. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version and reference docket number 07-00072 on the correspondence. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

Darlene Standley
Utilities Division Chief
