**RE: Level 3 Communications, LLC's Proposed Tariff No. 2007-0122 to
Increase the Rate for Local Switching Service, TRA Docket No. 07-
00098**

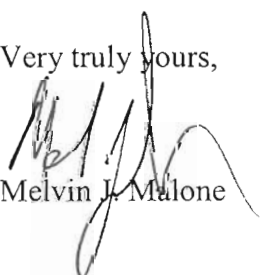

Dear Chairman Kyle:

Consistent with the agreement of the parties and the May 15, 2007, filing of the revised tariff by Level 3 Communications, LLC, Verizon submits the enclosed *Withdrawal of Complaint and Petition to Intervene of Verizon* in the above-captioned matter. As communicated during the Authority's May 15, 2007, Conference, Verizon maintains that as a matter of sound regulatory policy and the public interest, the Authority should cap all CLECs' switched access rates at the corresponding rate of BellSouth Telecommunications, Inc. Nonetheless, Verizon submits this withdrawal as an interim accommodation.

An additional copy of this filing is enclosed to be "File Stamped" for our records.

If you have any questions or require additional information, please let me know.

Very truly yours,

Melvin J. Malone
