**PETITION TO INTERVENE**

---

Pursuant to T.C.A. §4-5-310(3)(a) Stand Energy Corporation ("Stand Energy") hereby petitions to intervene in the above captioned proceeding.

Stand Energy is an independent marketer of retail energy, including natural gas. Stand Energy competes with Atmos Energy Company (Atmos) and/or its affiliate, Atmos Energy Marketing, LLC in Ohio, Virginia, Kentucky and Tennessee. Stand Energy is also agent for Harrison Construction in connection with its natural gas consumption. Harrison Construction is a customer of Atmos in Tennessee. A copy of the Limited Appointment of Agent appointing Stand Energy as Harrison Construction's Agent is attached.

This proceeding involves consideration of adjustment of the rates and revisions of the tariff of Atmos that may affect the legal rights, duties, privileges, immunities, or other legal interests of Stand Energy and Harrison Construction.

The granting of this Petition will not impair the interest of justice or the orderly and prompt conduct of these proceedings.

Wherefore, the Petitioner respectfully prays that the Authority grant its Petition to Intervene and grant such other relief as may be appropriate.

Stand Energy concurs with the motion of the Consumer Advocate and Protection Division of the Office of the Attorney General that requests the Authority to consolidate Docket No. 07-00105 with TRA Dockets Nos. 07-00020 and 07-00081. Stand Energy agrees that consolidating these dockets promotes judicial economy and maximizes the limited resources of the parties and the Authority. Consequently, Stand Energy urges the TRA to grant the Consumer Advocate's Motion to Consolidate Dockets.

Notices and other communications regarding this Petition to Intervene should be sent to:
