Dear Chairman Roberson:

The Atmos Intervention Group ("AIG") joins in the motion filed by the Consumer Advocate Division to consolidate the three above-captioned dockets.

The reasons for consolidation are not complex. All three topics were handled together in the company's last rate case but are now being litigated in three separate but contemporaneous proceedings causing needless additional work for the parties and the Authority. To save time and resources, AIG suggests that the agency consolidate the three dockets and do so at the earliest opportunity.

Very truly yours,
