

5. The Consumer Advocate does not plan to submit any additional discovery requests, if this motion is granted and the Company responds adequately to the discovery requests. Approval of this request would expedite the completion of discovery.

6. The Consumer Advocate plans to raise the issue of second round discovery requests at the Status Conference scheduled for July 12, 2007.

Wherefore, the Consumer Advocate respectfully asks for permission to submit the proposed second set of discovery requests to be answered by Atmos on or before August 2, 2007.

Respectfully submitted,

Robert E. Cooper, Jr.
