*Re: Petition of Atmos Energy Corporation for Approval of
Adjustment of Its Rates and Revised Tariff*

Docket: 07-00105

filed electronically 7/12/07 @ 3:11pm

Dear Chairman Roberson:

Atmos Intervention Group ("AIG") requests clarification of your July 2, 2007, ruling that "discovery of asset management . . . issues should be deferred." Given the fact that the discovery process in this case is approaching its conclusion, AIG respectfully asks, "Deferred until when?"

AIG had intended to ask this question at the July 12, 2007, pre-hearing conference but since the parties agreed that there were no other issues to raise and, therefore, no need for the conference, AIG concluded that this request for clarification could just as well be submitted in writing.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
