**DOCKET NO.

**ORDER APPROVING THE RIGHT-OF-WAY, CONDUITS
AND POLE ATTACHMENTS AGREEMENT**

This matter came before Chairman Eddie Roberson, Director Sara Kyle, and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on July 23, 2007 to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the right-of-way, conduits and pole attachments agreement negotiated between BellSouth Telecommunications, Inc. ("BellSouth") and CenturyTel Fiber Company II, LLC d/b/a LightCore filed on May 15, 2007.

Based upon a review of the agreement, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).
- 2) The agreement is in the public interest as it provides consumers with a means for alternative sources of telecommunications services within BellSouth's service area.
- 3) The agreement is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike negotiated agreements, a state commission may reject an arbitrated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. § 251.¹ The Authority finds that neither ground for rejection of a negotiated agreement exists.

5) No person or entity has sought to intervene in this docket.

6) The agreement is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104 (2004).

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the right-of-way, conduits and pole attachments agreement negotiated between BellSouth Telecommunications, Inc. and CenturyTel Fiber Company II, LLC d/b/a LightCore is approved and is subject to the review of the Authority as provided herein.

Eddie Roberson, Chairman

Sara Kyle, Director

Ron Jones, Director
