RE: Docket No. 07-00165, Application of Aero Communications, LLC for a Certificate to Provide Competing Local Telecommunications Services in Tennessee.

Dear Mr. Twomey:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Aero Communications, LLC's application for Certificate of Convenience and Necessity to provide facilities-based competing local exchange telecommunications services in Tennessee, you are requested to provide the following information:

1. Has Aero Communications, LLC been the subject of any complaints filed with any state or federal regulatory agency in which it currently does business? If so, please detail the nature of the complaints and how they were resolved.
2. The application included financial information through April 2005. Provide more current financial information.
3. The Surety Bond provided with the application did not contain a properly executed acknowledgment page. Attached is a blank bond form for your convenience. Please submit the acknowledgement page with notarized signatures of the principal and surety.

Please provide the above information by July 27, 2007. In accordance with TRA Rules, please submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version and reference docket number 07-00165 on the correspondence. If you have questions concerning this request or need additional information, please contact Lisa Foust at 615-741-2904 extension 220.

Sincerely,

David N. Foust For Darlene Standley
