Re: Petition of Lynwood Utility Corporation to Approve Alternative Form of
Financial Security under Rule 1220-4-13-.07
Docket No. 07-00167

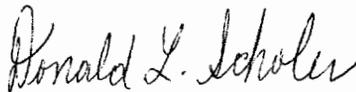

Dear Darlene:

I am in receipt of your December 6, 2007, letter in this docket. I was not able to discuss this request with Tyler Ring until late this week. Lynwood had not discussed with Tennessee Commerce Bank the feasibility of the bank issuing a letter of credit for \$467,000 for Lynwood for the benefit of the Authority. Mr. Ring indicated that he would make this request of the bank.

Because this request will not be made until next week and Mr. Ring will have to wait on a response from Tennessee Commerce Bank, Lynwood cannot respond to your December 6, 2007 by today's date, December 14, 2007. Because of the holidays I do not know when Lynwood will be able to expect a response from the bank. Therefore, I request that Lynwood be given until January 4, 2008 to respond to your December 6, 2007 letter request. As soon as Lynwood has a response from the bank, I will forward it to you.

I am thanking you in advance for your consideration of this request.

Sincerely yours,

DONALD L. SCHOLLES
