***Re: Request for an Investigation of the Business Partnership Between
Memphis Light, Gas & Water and Memphis Network, LLC
Docket No.: 07-00183***

Dear Mr. Collier:

In response to the Staff Data Request of August 8, 2007, the respondents are in the process of gathering the requested information to provide to the Authority. Because the information comes from four separate sources (MLG&W, Network, Broadband, and CII) it is taking longer than anticipated to gather and coordinate their responses. For this reason, the respondents request an additional two days to complete their answers and will file them on or before August 30, 2007.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
