RE: Syniverse Technologies, Inc. -- Application to Provide Competing Local Telecommunications Services in the State of Tennessee -- Docket No. 07-00207

To Whom It May Concern:

Attached please find an original and thirteen (13) copies of the responses of Syniverse Technologies, Inc. to the information requested in conjunction with the data request submitted October 8, 2007 in Docket Number 07-00207.

1. Will Syniverse Technologies, Inc. provide all services listed in Tennessee Regulatory Authority Rule 1220-4-8-.04(3)?
 - A. Yes, Syniverse plans to offer these services either directly from our network or through arrangements with other carriers or companies
2. Explain how Syniverse Technologies will comply with Tenn. Code Ann. § 65-21-1 14.
 - A. Syniverse will offer toll free services between points in the same county either directly or through arrangements with other carriers or companies
3. In what other states does Syniverse Technologies, Inc. offer service? Identify the states and the services offered in each state.
 - A. Syniverse is currently certified to offer telecommunications services in thirty-six States; see the attached list. In addition to what is listed, Syniverse is planning to offer "foreign-exchange-type" services and numbering resources. These are new service offerings for Syniverse.
