Mr. Black,

I am in receipt of the data request sent by your office concerning Docket No. 07-00221 (Broadview Networks Holdings, Inc. et al.), and have been working on a response for the Petitioners. It appears that our response is due on October 11. I am writing you to seek an extension of that due date, as we have not been able to obtain all of the information requested by your office. Further, although the petition seeks TRA resolution by November 14, it has just come to my attention that we do not need to meet that deadline anymore (I think it has now been pushed back a month, but I'm not 100% certain about the exact timing at this point).

Please let me know at your earliest convenience if we may have some additional time to complete our response to your request. Given that our request for expedited consideration is no longer required, perhaps we could have another week or two to respond to your request: say, Thursday, October 25? Please let me know if this is acceptable, or if you have any other suggestions. Of course, if we are able to complete our response before that time, we will certainly file as quickly as possible.

Many thanks,

Jeff Strenkowski
