PROTECTIVE ORDER

To expedite the flow of filings, exhibits and other materials, and to facilitate the prompt resolution of disputes as to the confidentiality of material, adequately protect material entitled to be kept confidential and to ensure that protection is afforded only to material so entitled, the Tennessee Regulatory Authority ("TRA" or "Authority") hereby orders that:

1. For the purpose of this Protective Order ("Order"), proprietary or confidential information, hereinafter referred to as CONFIDENTIAL INFORMATION, shall mean documents, testimony, or information in whatever form which the producing party, in good faith, and based on reasonable inquiry, deems to contain trade secrets, confidential research, development or other sensitive information protected by state or federal law, regulation or rule, and which has been specifically designated by the producing party. A producing party is defined as the party creating the CONFIDENTIAL INFORMATION as well as the party having actual physical possession of information produced pursuant to this Order. All summaries, notes, extracts, compilations or other direct or indirect reproduction from or of any protected materials, shall be entitled to protection under this Order. Documents containing CONFIDENTIAL INFORMATION shall be conspicuously and specifically labeled as "CONFIDENTIAL" on each page containing CONFIDENTIAL

INFORMATION and on the cover page. The documents must be produced in a way that will clearly identify to others that it contains CONFIDENTIAL INFORMATION. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under paragraph 10 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties or non-parties subject to this Order shall include Atmos Energy Corporation (“Atmos”), the Office of the Attorney General (“Attorney General”), Atmos Energy Marketing (“AEM”), Atmos Intervention Group (“AIG”),¹ and Stand Energy Corporation (“Stand”). If other parties are permitted to intervene, they will be allowed access to Confidential Information only to the extent and under the conditions permitted by separate order.

3. Subject to the exceptions noted below in this Paragraph 3, CONFIDENTIAL INFORMATION shall be disclosed only to the following persons:

- (a) outside counsel of record for the parties in this case and associates, secretaries, and paralegals actively engaged in assisting outside counsel of record in this docket and any appeals therefrom;
- (b) in-house counsel for the parties;
- (c) officers, directors, or employees of the parties, including employees of the Office of the Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know; and provided further that such officers, directors, and/or employees shall be subject to the provisions of this Protective Order, and shall not disclose such information further except as otherwise permitted

¹ SouthStar Energy Services, LLC (“SouthStar”) has withdrawn its intervention in this case. As a result, SouthStar will not be participating in discovery and no confidential information produced in this case shall be disclosed to SouthStar or its counsel.

under the terms of this Protective Order;

- (d) TRA Directors and members of the staff of the TRA;
- (e) outside consultants and expert witnesses employed or retained by the parties or their counsel, who have access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness who is expected to testify on that party's behalf, the party shall give five (5) days written notice to the producing party of intention to disclose CONFIDENTIAL INFORMATION.² During such notice period, the producing party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TRA, the Hearing Officer, the Administrative Law Judge or court rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the notice. Pre hearing conferences may be called to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery or by facsimile.

The provisions of subparagraphs (b) and (c) above notwithstanding, CONFIDENTIAL INFORMATION shall not be provided to any of the members of AIG or any of their employees unless and until there has been compliance with the provisions of subparagraph (e) above and the provisions of paragraph 4 below applicable to consultants and expert witnesses, all of which shall be accomplished as to each individual person to whom it is proposed that CONFIDENTIAL INFORMATION be disclosed. Notwithstanding anything else to the contrary, under no circumstances shall

- (f) any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of services in competition with the products, goods or services of the producing party;

² The parties have agreed that upon the execution of an Affidavit substantially in the form of that attached to this Order and delivery of the same to all parties of record in this matter, Hal Novak shall not be subject to the five (5) days written notice period set forth in paragraph 3(e) of this Order, unless specifically requested by the producing party. In agreeing to the foregoing, no party is relinquishing or waiving its ability to prevent or limit disclosure to Mr. Novak for cause, pursuant to paragraph 3(e) of this Order.

- (g) any HIGHLY CONFIDENTIAL INFORMATION related to Atmos Energy Marketing, LLC (which shall be marked "HIGHLY CONFIDENTIAL" (Outside Counsel Only) or with similar wording) be disclosed to or discussed with Tennessee Energy Consultants, Earl Burton, or Stand, or any employee of any of them, including in-house counsel; or
- (h) any HIGHLY CONFIDENTIAL INFORMATION related to Stand Energy Corporation (which shall be marked "HIGHLY CONFIDENTIAL" (Outside Counsel Only) or with similar wording) be disclosed to or discussed with Tennessee Energy Consultants, Earl Burton, Atmos Energy Corporation or Atmos Energy Marketing, LLC, or any employee of any of them, including in-house counsel.
- (i) any CONFIDENTIAL INFORMATION submitted by Atmos Energy Marketing, LLC be disclosed to or discussed with operating employees³ of Atmos Energy Corporation, nor shall any CONFIDENTIAL INFORMATION submitted by Atmos Energy Corporation be disclosed to or discussed with operating employees of Atmos Energy Marketing, LLC.⁴

4. Prior to disclosure of CONFIDENTIAL INFORMATION to any of the authorized persons, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient Director, staff member, employee or, officer, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign an Affidavit in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that

³ As used herein, the term "operating employees" shall have the meaning set forth in Atmos Energy Corporation, T.R.A. No. 1, 2nd Revised Sheet No. 45.5, para. 11 (Issued April 5, 2007, Effective May 5, 2007), which provides as follows:

For purposes of these guidelines, operating employees are those who are in any way involved in identifying and contracting with customers, locating gas supplies, making any and all arrangements with intervening pipelines and in any way managing or facilitating those contracted services.

⁴ In the event that counsel for AEC or AEM learns that such confidential information has been disclosed to an operating employee, counsel shall notify all of the parties of such disclosure.

unauthorized disclosure of the documents labeled "CONFIDENTIAL" constitutes a violation of this Order. This Affidavit shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the producing party a copy of each such Affidavit for retained experts expected to be called as a witness at the hearing of this matter and shall keep the Affidavits executed by all experts or consultants retained by that party, whether or not expected to be called as a witness, on file in their respective offices.

5. If any party or non-party subject to this Order inadvertently fails to label documents as "CONFIDENTIAL" in accordance with the provisions of this Order when producing such documents, such failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to label the document as "CONFIDENTIAL." At that time, the recipients will immediately treat the subject document as CONFIDENTIAL INFORMATION. In no event shall the TRA, or any other party to this Order, be liable for any claims or damages resulting from the disclosure of a document while not so labeled as "CONFIDENTIAL." An inadvertent failure to label a document as "CONFIDENTIAL" shall not, in any way, affect the TRA's determination as to whether the document is entitled to CONFIDENTIAL INFORMATION status.

6. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed with the TRA in sealed envelopes labeled "CONFIDENTIAL." The filing party shall also include with the filing a public version of the papers with any CONFIDENTIAL INFORMATION redacted. Only the redacted public version may be placed in the TRA's public file

and/or posted on the TRA website. Each sealed envelope shall be labeled to reflect the style and docket number of this proceeding and to identify the subject matter of the content of the sealed envelope. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order by the TRA, Hearing Officer, or Administrative Law Judge after due notice to counsel of record. Notwithstanding the foregoing, the Directors and the staff of the TRA may review any paper filed as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL" without obtaining an order of the TRA, Hearing Officer, or Administrative Law Judge, provided the Directors and staff maintain the confidentiality of the paper in accordance with the terms of this Order.

7. Documents, information and testimony designated as CONFIDENTIAL INFORMATION and labeled "CONFIDENTIAL," in accordance with this Order, may be disclosed in testimony at the Hearing on the merits of this proceeding and offered into evidence in any hearing related to this action, subject to the applicable Rules of Evidence and to such future orders as the TRA, Hearing Officer, or Administrative Law Judge may enter. Any party intending to use documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall inform the producing party and the TRA, Hearing Officer, or Administrative Law Judge, prior to the Hearing on the merits of the case, of the proposed use, and shall advise the TRA, the Hearing Officer, or Administrative Law Judge, and the producing party before use of such information during witness examinations so that appropriate measures can be taken by the TRA, Hearing Officer, or Administrative Law Judge to protect the confidential nature of the information.

8. Except for documents filed with the TRA, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files labeled

“CONFIDENTIAL” and labeled with reference to this Order at the offices of the requesting party's counsel of record.

9. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of such party, or violation of this Order, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation or terms of this Order, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose such information.

10. Any party may contest the designation of any document or information as CONFIDENTIAL INFORMATION by filing a motion with the TRA, Hearing Officer, Administrative Law Judge or the courts, as appropriate, for a ruling that the documents, information, or testimony should not be so treated. Upon the filing of such a motion, the designating party shall bear the burden of supporting its designation of the documents or information at issue as CONFIDENTIAL INFORMATION. All documents, information and testimony designated as CONFIDENTIAL INFORMATION, however, shall be maintained as such until the TRA, Hearing Officer, Administrative Law Judge, or a court orders otherwise. A motion to contest must be filed not later than five (5) days after receipt of the material designated CONFIDENTIAL INFORMATION or ten (10) days prior to the Hearing on the merits, whichever date occurs later in time. Any reply seeking to protect the status of their CONFIDENTIAL INFORMATION must be received not later than five (5) days prior to the Hearing on the merits. Motions made and

subsequent replies received within the five (5) days prior to the Hearing on the merits shall be presented to the TRA at the Hearing on the merits for a ruling.

11. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL INFORMATION pursuant to the terms of this Order.

12. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL INFORMATION shall be granted access until such person has complied with the requirements set forth in paragraph 4 of this Order.

13. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

14. Upon an order becoming final in this proceeding and conclusion of any appeals resulting from such an order, all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof shall be returned to counsel of the party who produced the filings, exhibits and other materials within fifteen (15) days of a written request from the producing party, or counsel in possession of such documents shall certify to counsel of the producing party that all the filings, exhibits and other materials designated as CONFIDENTIAL INFORMATION and all copies thereof have been destroyed. Subject to the requirements of Paragraph 7 above, the TRA shall retain copies of information designated as Confidential or Protected Security Materials as may be necessary to maintain the record of this cause intact.

15. After termination of this proceeding, the provisions of this Order relating to the secrecy and confidential nature of confidential documents, information and testimony shall continue

to be binding, upon parties hereto and their officers, employers, employees, agents, and/or others for five (5) years unless this Order is vacated or modified.

16. Nothing herein shall prevent a party from seeking further protection for particular documents or prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL INFORMATION, HIGHLY CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall receive protection other than that provided herein.

17. In addition to the other provisions of this Order, Atmos Energy Corporation, and its affiliates (the "Company") may designate and label as "PROTECTED SECURITY MATERIALS" documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TRA Directors and members of the staff of the TRA and further only to authorized representatives of the Intervenors in this docket. Authorized representatives shall be limited to the following: one counsel of record and one other staff member or person under contract to the staff, each authorized in writing by a senior official of the TRA to have such access; and with respect to any other party, two counsel of record, the Tennessee Attorney General and the Chief Deputy of the Office of the Tennessee Attorney General and a single other person, employed by or under contract to the party, authorized by that party in a written certification mutually agreeable to the parties.

18. The Company shall provide access by an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed an Affidavit in the form of that attached to this Order and provided a copy to the Company. Except with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under

supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; and (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TRA staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

19. Except as provided in this Order, the contents of PROTECTED SECURITY MATERIALS to which the TRA staff or other party is given access, and any notes, memoranda, or any form of information or opinions regarding or derived from the PROTECTED SECURITY MATERIALS shall not be disclosed to anyone other than an authorized representative in accordance with this Order, except that an authorized representative may disclose his or her conclusions or findings solely within, and for the purposes of, this proceeding and in accordance with this Order. PROTECTED SECURITY MATERIALS shall not otherwise be published, disclosed or divulged except as expressly provided herein. The TRA staff and any other party shall treat all notes and memoranda or opinions regarding or derived from the PROTECTED SECURITY MATERIALS as highly confidential and shall keep them in a secure location with access limited to an authorized representative and the contents of PROTECTED SECURITY MATERIALS and any information derived from them shall be considered highly confidential, and shall not be deemed public records. The TRA staff, any party, Hearing Officer, or the TRA Directors may discuss any position or

conclusion regarding security expenditures and testimony in briefs, orders, pleadings, or hearings in this proceeding in accordance with this Order.

20. Upon written request from the Company within one (1) month from the conclusion of this proceeding or any judicial review proceedings involving security related expenditures, the TRA staff and any party will either return any PROTECTED SECURITY MATERIALS, any notes or memoranda related thereto and any copies thereof to the Company or certify to the Company in writing that all such notes, memoranda and copies have been destroyed. Any electronic copies of PROTECTED SECURITY MATERIALS made by authorized representatives shall be eliminated.

21. The Attorney General and his staff have authority to enter into non-disclosure agreements pursuant to Tenn. Code Ann. § 65-4-118 which are consistent with state and federal law, regulations and rules.

22. The Attorney General and his staff agree to keep CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS in a secure place and will not permit them to be seen by any person who is not an employee of the State of Tennessee, the Office of the Attorney General and Reporter, or a person who has signed a Non-disclosure Agreement.

23. The Attorney General and his staff may make copies of CONFIDENTIAL INFORMATION and any portion thereof. To the extent permitted by state and federal law, regulations and rules, all notes utilizing supporting information shall be subject to the terms of this Order to the extent factual assertions are derived from the supporting information.

24. To the extent permitted by state law, the Attorney General will provide timely notice of filing or disclosure in the discharge of the duties of the Office of the Attorney General and

Reporter, pursuant to Tenn. Code Ann. § 10-7-504(a)(5)(C) or any other law, regulation or rule, so that the Company may take action relating to disclosure.

25. The obligations of the Attorney General and his staff under this Order are further subject to the state's Public Records Act and other open records statutes. Nothing in this Order is intended to violate or alter the state's Public Records Act or Freedom of Information Act ("FOIA"). In the event that the Attorney General or member of his staff is served with a subpoena, public records request, FOIA request, or other request that calls for the production of confidential commercial information labeled as "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" by the Company, the Attorney General will notify the Company by notifying the undersigned of the existence of the subpoena, public records request, FOIA request, or other request, at least five (5) business days before responding to the request to the extent permitted by state law and orders of a court, as long as the Attorney General or his staff is able to respond to the request within a reasonable time. The Attorney General or his staff may elect to wait to produce such information as allowed by state law in order to provide the Company an opportunity to challenge said subpoena or request or to make arrangements to preserve the confidentiality of the confidential commercial information labeled as "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" by the Company that is subject to such request.

26. The designation of any information, documents or things in accordance with this Order as constituting "CONFIDENTIAL INFORMATION" or "PROTECTED SECURITY MATERIALS" and the Attorney General's or his staff's treatment of such material as confidential or proprietary in compliance with this Order is not an admission or agreement by the Attorney General or his staff that the material constitutes or contains confidential commercial information or trade

secret information and shall not be deemed to be either a waiver of the state's right to challenge such designation or an acceptance of such designation. The Company agrees to designate information, documents or things provided to the Attorney General as CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS if it has a good faith basis for the claim. The Company will upon request of the Attorney General or his staff provide a written explanation of the details, including statutory authority that support its CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as "CONFIDENTIAL" if the documents:

- (a) have been distributed to the public, consumers or others; or
- (b) are not maintained by the Company as CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS.

27. Nothing in this Order shall prevent the Attorney General from using the CONFIDENTIAL INFORMATION and PROTECTED SECURITY MATERIALS received for investigative purposes in the discharge of the duties of the Office of the Attorney General and Reporter. Additionally, nothing in this Order shall prevent the Attorney General from informing state officials and third parties of the fact of an investigation, as needed, to conduct the investigation. Without limiting the scope of this paragraph, nothing in this Order shall prevent the Attorney

General from contacting consumers whose names were provided by the Company or from discussing with any consumer any materials that he or she allegedly received from the Company or confirming that a consumer actually received the materials.

28. All information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS and produced in accordance with this Order may be disclosed in testimony or offered into evidence at any TRA or court hearing, trial, motion or proceeding of this matter, subject to the provisions of this Order, including Paragraph 7, and the applicable Rules of Evidence and any order the TRA may enter to protect the confidentiality of information offered at any hearing or other proceeding. The party who produced the information, documents and things designated as CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS agrees to stipulate to the authentication of such information, documents and things in any such proceeding. If any Party identifies information in the CONFIDENTIAL INFORMATION the indicates that illegal conduct (civil or criminal) has occurred or may occur, nothing in this Order shall prevent such party from reporting such alleged conduct to the appropriate law enforcement or regulatory agency.

29. Nothing in this Agreement is intended to restrict or alter federal or state laws, regulations or rules.

30. Any person who has signed a non-disclosure certificate or is otherwise bound by the terms of this Order shall continue to be bound by this Order and/or certificate even if no longer engaged by the TRA or Intervenors.

31. Any party aggrieved with the TRA's decision in this matter may file a Petition for Reconsideration with the TRA within fifteen (15) days from and after the date of this Order.

32. Any party aggrieved with the TRA's decision in this matter has the right of judicial review by filing a Petition for Review in the Tennessee Court of Appeals, Middle Section, within sixty (60) days from and after the date of this Order.
