## NOTICE OF FILING

**Docket No.:** 07-00225

**In Re:** *Docket to Evaluate Atmos Energy Corporation's Gas Purchases and Related Sharing Incentives*

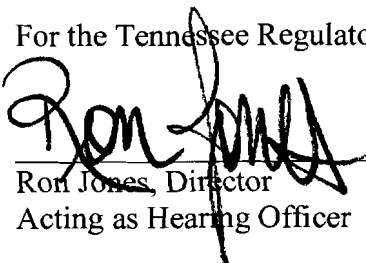

**Date:** March 19, 2008

---

In the *Order on February 29, 2008 Status Conference: Granting Extension and Suspending Procedural Schedule* issued on March 5, 2008, the parties were directed to file a status update by March 14, 2008. On March 14, 2008, the Consumer Advocate and Protection Division ("Consumer Advocate") filed a status report explaining that it has resolved any differences with Atmos Energy Corporation ("Atmos") and is continuing to work with Atmos Energy Management, LLC ("AEM") on completing the first round of discovery. The Consumer Advocate noted that it would file any necessary motions with regard to discovery after completing its review of the materials provided by AEM and working with AEM. The Consumer Advocate requested that the hearing officer continue to hold the procedural schedule in abeyance pending the completion of the first round of discovery. The Consumer Advocate further explained that Atmos, AEM and the Atmos Intervention Group do not object to the Consumer Advocate's requests and that those entities will not file individual status updates.

In the event that no further filings related to the completion of discovery are made prior to April 18, 2008, the parties are directed to file a second status update by **Friday, April 18, 2008, at 2:00 p.m.** The second status update shall include a statement as to whether any discovery disputes remain outstanding, a proposed hearing process for resolving any outstanding discovery disputes, and a proposed date for a status conference to establish future procedural deadlines and dates.
