IN RE:

DOCKET TO EVALUATE

ATMOS ENERGY CORPORATION'S

GAS PURCHASES AND RELATED

SHARING INCENTIVES

DOCKET NO. 07-00225

**AGREED MOTION FOR A CONTINUANCE OF THE
MAY 15, 2008, STATUS CONFERENCE**

Pursuant to the Tennessee Regulatory Authority's ("Authority" or "TRA") May 6, 2008, *Notice of Status Conference* in the above-captioned matter, a Status Conference is set for May 15, 2008. For the reasons set forth below, the parties hereby respectfully jointly request that the Status Conference set for May 15, 2008, be continued to a later date.

I.

DISCUSSION

Subsequent to the filing of the *Second Status Report Regarding Outstanding Discovery Issues* and the issuance of the *Order on Second Status Report Regarding Outstanding Discovery Issues*, AEM has developed an unavoidable scheduling conflict with the May 15, 2008, date of the scheduled Status Conference in this matter. After consultation, the parties, understanding AEM's scheduling conflict, have agreed to a continuance of the Status Conference. Depending upon the availability of the Hearing Officer, the parties hereby jointly offer a new date for the Status Conference of May 20, 2008, at 9:00 a.m.

II.

CONCLUSION

For the foregoing reasons, AEM, the CAD, Atmos Energy Corporation and the Atmos Intervention Group jointly request that the Status Conference currently set in this matter for May 15, 2008, be continued, depending upon the availability of the Hearing Officer, until May 20, 2008.¹

Respectfully Submitted,
