NOTICE OF FILING COMMENTS

DOCKET: 07-00225

IN RE: *Docket to Evaluate Atmos Energy Corporation's Gas Purchases and Related Sharing Incentives*

DATE: November 9, 2010

Upon the parties' request, this docket was stayed pending deliberations and decision by the voting panel of the Tennessee Regulatory Authority ("Authority") in Docket No. 07-00224, which, although specifically related to another regulated company, encompassed issues similar to those raised in the instant docket. As further justification for their request, the parties indicated that a decision in Docket No. 07-00224 could affect the course of this docket, possibly leading to settlement. As Docket No. 07-00224, and all matters related thereto, have now concluded, the Hearing Officer issues this Notice requesting that the parties file comments on:

1. The status of settlement negotiations engaged between the parties;
2. The applicability of the final rulings entered in Docket Nos. 07-00224 and 09-00183, if any and insofar as may be pertinent, to the issues presented herein; and,
3. The positions of the parties concerning the manner in which to proceed to a final resolution of the issues in this docket.

Please file with the Authority all comments for the consideration of the Hearing Officer by Wednesday, December 15, 2010.
