**STATUS REPORT**

---

The parties have made progress in their settlement negotiations for TRA Docket No. 07-00225 and expect a settlement to be forthcoming. The parties are in process of reviewing the attorneys' fees and drafting a proposed settlement agreement, which would require review and final approval from the Attorney General and Atmos. The parties request a sixty (60) day extension to file the next status report. Based on the timing of the audit expected in the settlement agreement, this extension will not impact the execution of the final settlement. Both parties intend to work toward filing a final settlement agreement within the 60-day extension.

RESPECTFULLY SUBMITTED,
