Review Process

A comprehensive review of the transactions and activities related to Asset Management shall be conducted by an independent consultant. The initial review shall be started in the autumn of 2014 and any subsequent reviews determined to be necessary and appropriate by the TRA at the conclusion of the initial review shall be conducted at the order of the Authority. The TRA Staff, the Consumer Advocate, and Atmos shall make an effort to maintain a list of no less than five (5) mutually agreeable independent consultants or consulting firms qualified to conduct the aforementioned initial review. Any dispute concerning whether an independent consultant shall be added to the list shall be resolved by the TRA Staff, after consultation with Atmos and the Consumer Advocate. For the initial review, the TRA Staff shall select three (3) prospective independent consultants from that list. Each such consultant shall possess the experience and expertise necessary to conduct the initial review. The TRA Staff shall provide the list of prospective independent consultants to Atmos and the Consumer Advocate via electronic mail. Atmos and the Consumer Advocate shall each have the right, but not the obligation, to eliminate one (1) of the prospective independent consultants from the list by identifying the consultant to be eliminated in writing to the TRA Staff within thirty (30) days from the date the list is e-mailed. The TRA Staff shall select the independent consultant from those remaining on the list after Atmos's and the Consumer Advocate's rights to eliminate have expired. The cost of the review shall be reasonable in relation to its scope. Any and all relationships between the independent consultant and Atmos, the TRA Staff and/or the Consumer Advocate shall be fully disclosed and the independent consultant shall have had no prior relationship with either Atmos, the TRA Staff, or the Consumer Advocate for at least the preceding five (5) years unless Atmos, the TRA Staff and Consumer Advocate agree in writing to waive this requirement. The TRA Staff, the Consumer Advocate and Atmos may consult amongst themselves during the selection process; provided, however, that all such communications between the Parties shall be disclosed to each Party not involved in such communication in advance so that each Party may participate fully in the selection process. If, after the initial review, the TRA determines that there are material changes in the variables of the Company, such as customer mix and usage patterns, it may at that time order a subsequent review. If a subsequent review is ordered, the scope of the subsequent review will be established at the time that it is ordered, and the TRA will determine at that time whether an outside consultant is needed, provided that if a consultant is to be employed, the consultant will be selected in the manner set-forth above. The Consumer Advocate will be permitted to participate in the process and review the report of any subsequent review.

The scope of the initial review and any subsequent reviews ordered by the TRA may include all transactions and activities related either directly or indirectly to Asset Management, including, but not limited to, the following categories of transactions and activities: (a) natural gas procurement; (b) capacity management; (c) storage; (d) hedging; (e) reserve margins; and (f) off-system sales. The scope of each review shall include a review of each of the foregoing matters, as well as, such additional matters as may be reasonably identified by Atmos, the TRA Staff, or the Consumer Advocate relative to Asset Management.

Atmos, the TRA Staff, or the Consumer Advocate may present documents and information to the independent consultant for the independent consultant's review (and subsequent reviews) and consideration. Copies of all such documents and information shall be presented simultaneously to the independent consultant and all other Parties.

The independent consultant shall complete and issue a written report of its findings and conclusions by July 1 of 2015. The report deadlines may be waived by the written consent of the TRA Staff, Atmos, and the Consumer Advocate. The independent consultant shall make findings of fact, as well as identify and describe areas of concern and improvement, if any, that in the consultant's opinion warrant further consideration. Atmos, the TRA Staff, and/or the Consumer Advocate may cite the independent consultant's report to the Authority in support of recommendations or proposed changes, and the TRA Staff, Atmos, or the Consumer Advocate may support or oppose such recommendations or proposed changes.

The independent consultant's findings and/or recommendations shall not be binding on any Party or on the Authority, and in any proceeding in which the consultant's findings or recommendations may be considered, the Authority shall give all issues *de novo* consideration. Any changes to the Asset Management Agreement, the bidding process, the assets under management, or otherwise, whether adopted by agreement or pursuant to a ruling of the Authority, shall be implemented on a prospective basis only, and following normal expirations of any affected agreements.

The reasonable and prudent cost of the independent consultant's review shall be paid initially by Atmos and recovered through the ACA account. The TRA Staff may continue its annual audits of the performance-based ratemaking ("PBR") and the Annual Cost Adjustment ("ACA") account, and the review shall not in any way limit the scope of such annual audits.
