**RE: Docket to Evaluate Atmos Energy Corporation's Gas Purchases and Related
Sharing Incentives, TRA Docket No. 07-00225**

Dear Hearing Officer Jones:

On behalf of the parties, I am writing to update you on the pending discovery and procedural issues in the above-styled matter. The Consumer Advocate is continuing its evaluation of the supplemental discovery response provided by Atmos Energy Marketing ("AEM") on May 7, 2008. To further this evaluation, the Consumer Advocate and AEM have agreed to meet on Monday, June 2, 2008, to discuss certain material provided by AEM (the parties attempted to schedule a meeting earlier but were unable to do so because of scheduling conflicts). It is not known whether further meetings will be needed after this.

The parties also will provide a report to the Hearing Officer in two weeks informing him of the status of this case.

Please feel free to contact us should you have any questions.

Respectfully submitted,

A handwritten signature in black ink that reads "Joe Shirley".

Joe Shirley
Assistant Attorney General
