Dear Chairman Roberson:

In its December 20, 2007, *Answer to Sprint Nextel's Complaint And Petition For Leave To Intervene* in the above-captioned matter, Citizens moved the Authority to hold the pending Complaints and Petitions to Intervene in abeyance. Sprint Nextel has no objections to the foregoing request, as long as the proposed tariff revision is not permitted to become effective during such period.

An additional copy of this filing is attached to be "file-stamped" for our records. If you have any questions or require additional information, please let me know.

Respectfully submitted,

  
Melvin Malone
