RE: Docket No. 07-00253: In Re: Citizens Telecommunications Company of
Tennessee's ("Citizens") Proposed Tariff No. 20070432 to General Customer
Services Tariff Regarding Charges for Wireless/VoIP Enhanced 911 Service

Dear Chairman Roberson:

On January 22, 2008, Frontier withdrew the tariff filing that was the subject of complaints filed by Sprint Nextel and Verizon Wireless in this docket. Frontier expects to file a new tariff with a substantially different rate structure and assignment of costs. Frontier therefore respectfully suggests that the complaints of Sprint Nextel and Verizon Wireless are moot at this time and do not require further action by the Authority.

Very truly yours,

Gregg C. Sayre
