Re: Docket No. 07-00262; Petition of Primus Telecommunications, Inc. and Least Cost Routing, Inc. for Approval of an Internal Reorganization

Dear Ms. Dillon:

On behalf of Primus Telecommunications, Inc. and Least Cost Routing, Inc. ("Petitioners"), enclosed is a copy of the supplemental customer notice that includes additional language required under Tennessee law about the proposed transaction described in the above-referenced Petition. The Petitioners previously provided notice of the proposed transaction to customers on November 21, 2007. Because the Petitioners provided notice 30 days prior to the proposed transaction date, Petitioners request, to the extent necessary, a waiver of the 30-day notice requirement as it may apply to the supplemental notice.

An original and thirteen (13) copies of this filing are enclosed. Please date-stamp the enclosed extra copy of this filing and return it in the self-addressed, stamped envelope provided. Should you have any questions, please do not hesitate to contact Danielle Burt at (202) 373-6039.

Respectfully submitted,

Catherine Wang

Dear Valued Customer:

As we previously advised you, Least Cost Routing, Inc. ("LCR"), your long distance provider, will merge with and into its sister company Primus Telecommunications, Inc. ("Primus") on or about December 31, 2007. Following the merger, you will continue to enjoy the same high quality services you currently receive from LCR and will continue to receive services with the same rates, features, terms and conditions as the service you currently enjoy. You will therefore not notice any significant change in the bills that you currently receive for long distance service or in the company's customer service procedures. However, in compliance with Tennessee law, we must advise you that we will provide at least 30 days notice to you in the event that any increase in your rates occurs within the 90 days following the change in your service to Primus.

We realize you have a choice of telecommunications carriers, and we appreciate your business. Please note that if you are a customer of LCR on the date of the transfer and you have not informed LCR that you have made arrangements on your own to switch to a long-distance telephone company other than Primus, your account will automatically be transferred and your contract assigned to Primus, even if you have previously arranged for a preferred carrier freeze through your local phone company. You should not be charged any carrier-change charges levied by your local telephone company. If, however, such a charge does appear on the bill from your local telephone company as a result of this transfer, please call the customer service department toll-free at 888-877-4687 and they will reimburse you or credit your account accordingly.

We look forward to continuing to provide you with quality service for many years to come. In the meantime, if you have specific questions about this notice, please contact us at 888-877-4687.

Sincerely,

Least Cost Routing, Inc. and Primus Telecommunications, Inc.
