RE: Petition of Tennessee Wastewater Systems to Expand Its Service Area to Include a Portion of Giles County in Tennessee Known as Milky Way Farms.
(Docket No. 08-00029.

Dear Mr. Pickney:

A Petition was filed in this Docket on February 15, 2008. To assist the Authority in its review of Tennessee Wastewater Systems, Inc.'s (TWS) amendment to its Certificate of Convenience and Necessity to provide wastewater utility services to a portion of Giles County, Tennessee known as the Milky Way Farms, you are requested to provide the following information:

1. The Petition requested to provide wastewater service to approximately 750-900 residential and commercial lots with an initial 100 residential lots in Phase I and Phase II to be built by 2012. Please provide a complete timeline of the build out of the 750-900 lots including commercial lots.
2. Please provide a schedule indicating when you anticipate the initial wastewater system will be constructed and all future expansions and or additions. Please provide a detailed explanation of the utility's construction plans to serve the entire development of 750-900 lots.
3. Please provide original copies of the map and property cross index card that were previously provided. The ones provided are not clear.
4. Please provide a more detailed map of the area showing street names, etc.
5. Please provide the property cross index card for the remainder of the map and parcels being requested. Map 39 parcel 9.04 was the only one provided.
6. Please provide maps that detail where the first 100 lots and wastewater system will be built.
7. How many acres are planned to be used initially for the 100 lots and the wastewater system?

Please provide your response no later than 2:00 P.M. on Thursday March 20, 2008 and reference Docket No. 08-00029. In accordance with TRA rules, submit either one original and thirteen (13) written copies of your response or an original and four (4) written copies and an electronic version.
