A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as compensatory damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. We will pay under this coverage only after all liability bonds or policies have been exhausted by payment of judgments or settlements.
3. Any judgment for damages arising out of a "suit" brought without our written consent is not binding on us.

B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
   a. The Named Insured and any "family members".

4. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.

5. Punitive or exemplary damages.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident" is the Limit of Insurance for Uninsured Motorists Coverage shown in the Schedule or Declarations.

2. The Limit of Insurance under this coverage shall be reduced by:

   a. All sums paid or payable under any workers' compensation, disability benefits or similar law, and

   b. All sums paid by or for anyone who is legally responsible, including all sums paid under this Coverage Form's Liability Coverage.

   We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law.

E. Changes In Conditions

The Conditions are changed for Uninsured Motorists Coverage as follows:

1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms are replaced by the following:

   If there is other applicable insurance available under one or more policies or provisions of coverage:

   a. The maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.

   b. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible uninsured motorists insurance providing coverage on a primary basis.

   c. If the coverage under this coverage form is provided:

      (1) On a primary basis, we will pay only our share of the "loss" that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

      (2) On an excess basis, we will pay only our share of the "loss" that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   a. Promptly notify the police if a hit-and-run driver is involved, and

   b. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we

© ISO Properties, Inc., 2001

have paid only after the "insured" has been fully compensated for damages.

4. The following condition is added:

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

F. Additional Definitions

(1) $50,000 for each "accident", if the limit of liability is a single limit that applies for each "accident", or

(2) $25,000 for each person/$50,000 for each "accident" if the limit of liability is indicated as a split limit.

b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

However, "uninsured motor vehicle" does not include any vehicle:

a. Owned or operated by a self-insurer under any applicable motor vehicle law, other than Wisconsin motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law;

b. Owned or operated by a self-insurer under Wisconsin motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide at least $50,000 for each "accident", which is the minimum combined single limit of liability specified by WIS. STAT. Section 344.15;

concerning coverage under this endorsement may not be arbitrated. Both parties must agree to an arbitration and to be bound by the results of that arbitration. If both parties so agree, then each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in either of the following, at the election of the "insured":

(1) The county where the "insured" lives; or

F. Additional Definitions

As used in this endorsement:

1. "Date of settlement" means the date on which a written settlement agreement or release is signed by an "insured" or, in the absence of such documents, the date on which the "insured" or the attorney for the "insured" receives payment of any sum required by the settlement agreement.

2. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

3. "Final judgment" means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment.

4. "Occupancy" means in, upon, getting in, on, out or off.

5. "Uninsured motor vehicle" means a land motor vehicle or "trailer":

a. For which no liability policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;

b. That is an underinsured motor vehicle. An underinsured motor vehicle is a land motor vehicle or "trailer" for which a liability policy applies at the time of an "accident", but its limit for "bodily injury" liability is either:

(1) Less than the limit of liability for this coverage; or

(2) Reduced by payments to others injured in the accident to an amount which is less than the limit of liability for this coverage.

c. For which an insuring company, within 2 years of the date of the "accident", becomes voluntarily or involuntarily bankrupt or is placed in receivership; or

d. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must hit an "insured", a covered "auto" or a vehicle an "insured" is "occupying". However, in the event that a hit-and-run vehicle causes "bodily injury" to an "insured" without hitting the "insured", a covered "auto" or a vehicle the "insured" is "occupying", the facts of the "accident" must be corroborated by competent evidence other than the testimony of any person having an uninsured motorists claim resulting from the accident.

However, "uninsured motor vehicle" does not include any vehicle:

a. Owned or operated by a self-insurer under an applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law;

b. Owned by a governmental unit or agency; or

c. Designed for use mainly off public roads while not on public roads.

b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

c. The Named Insured for "property damage" only.

C. Exclusions

This insurance does not apply to any of the following:

1. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
2. The direct or indirect benefit of any insurer of property.
3. "Bodily injury" sustained by:
   a. An individual Named Insured while "occupying" or when struck by any vehicle owned by that Named Insured that is not a covered "auto" for Uninsured Motorists Coverage under this Coverage Form;
   b. Any "family member" while "occupying" or when struck by any vehicle owned by that "family member" that is not a covered "auto" for Uninsured Motorists Coverage under this Coverage Form; or

5. The first $250 of the amount of "property damage" to the property of each "insured" as the result of any one "accident".
6. Punitive or exemplary damages.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the accident, the most we will pay for all damages resulting from any one "accident" is the Limit Of Uninsured Motorists Coverage shown in the Schedule or declarations.
2. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form or any Medical Payments Coverage Endorsement.

   We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

   We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law. However, this applies only to that amount for which the provider of the workers' compensations benefits has not been reimbursed.
3. We will not pay for a "loss" which is paid or payable under Physical Damage Coverage.

E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

1. **Other Insurance** in the Business Auto And Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers And Motor Carrier Coverage Forms are replaced by the following:

   For any covered "auto" the Named Insured owns, this Coverage Form provides primary insurance. However, when used with the Garage Coverage Form, this Coverage Form will be secondary over any other collectible insurance available to the Named Insured's customers while a covered "auto" the Named Insured owns is being used as a "replacement vehicle". For any covered "auto" the Named Insured does not own, the insurance provided by this Coverage Form is excess over any other collectible primary uninsured motorists coverage but only to the extent that the limit of insurance under this Coverage Form exceeds the limit of such other collectible primary uninsured motorists insurance.

   If this Coverage Form and any other Coverage Form or policy providing similar insurance apply to the same "accident", the maximum limit of insurance under all Coverage Forms or policies shall be the highest applicable limit of insurance under any one Coverage Form or policy.

   When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay

© ISO Properties, Inc., 2000

only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   a. Promptly notify the police if a hit-and-run driver is involved, and

   b. Promptly notify us if a "suit" is brought. We request that a copy of any legal papers served accompany the notice.

   c. A person seeking Uninsured Motorists Coverage must:

      (1) Promptly notify us in writing, by certified mail, of a tentative settlement between the "insured" and the insurer of the "uninsured motor vehicle";

      (2) Allow us to send to the "insured" within 60 days after the receipt of notification, a written refusal to consent to acceptance of the settlement offer; and

      (3) Allow us to advance payment to that "insured", within 30 days after the written refusal to consent to acceptance of the settlement offer in an amount equal to the tentative settlement to preserve our rights against the insurer, owner or operator of such "uninsured motor vehicle".

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   Our rights do not apply under this provision with respect to Uninsured Motorists Coverage if we:

   a. Have been given prompt written notice of a tentative settlement, by certified mail, between an "insured" and the insurer of an "uninsured motor vehicle" and

   b. Fail to send the insured a written refusal to consent to acceptance of the settlement offer within 60 days after receipt of notification.

   If we advance payment to the "insured" in an amount equal to the tentative settlement offer within 30 days after a written refusal to consent to acceptance of the settlement offer:

   a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

   b. We also have a right to recover the advanced payment.

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as compensatory damages from the owner or driver of an "uninsured motor vehicle" or an "underinsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured", or "property damage" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of an "uninsured motor vehicle" or an "underinsured motor vehicle".
2. With respect to damages resulting from an "accident" with an "underinsured motor vehicle", we will pay under this coverage only if **a.** or **b.** below applies:
   a. The limit of any applicable liability bonds or policies have been exhausted by judgments or payments; or
   b. A tentative settlement has been made between an "insured" and the insurer of an "underinsured motor vehicle" and we:
      (1) Have been given prompt written notice of such tentative settlement; and

3. Any judgment for damages arising out of a "suit" brought without our written consent is not binding on us.

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
   a. The Named Insured and any "family members".
   b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

C. Exclusions

This insurance does not apply to any of the following:

1. With respect to an "uninsured motor vehicle", any claim settled without our consent.
2. Damages for pain, suffering and inconvenience resulting from "bodily injury" caused by an "accident" involving an "uninsured motor vehicle" or an "underinsured motor vehicle" unless the injured person has a legal right to recover damages for such pain, suffering and inconvenience under the New Jersey Automobile Reparation Reform Act. The injured person's legal right to recover damages for pain, suffering and inconvenience under the New Jersey Automobile Reparation Reform Act will be determined by the liability tort limitation, if any, applicable to that person.
3. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
4. The direct or indirect benefit of any insurer of property.
5. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.

    a. Insured under a basic automobile insurance policy issued in accordance with New Jersey law or regulation; or
    b. Required to be insured in accordance with New Jersey law or regulation, but not insured for this coverage or any similar coverage.

    However, this exclusion does not apply to an individual Named Insured, and such Named Insured's spouse, unless the individual Named Insured or such Named Insured's spouse are "occupying", at the time of an "accident", a motor vehicle described in Subparagraph **a.** or **b.** above.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the Limit of Insurance shown in the Schedule or Declarations for Uninsured Motorists Coverage and Underinsured Motorists Coverage is the most we will pay for all damages resulting from any one "accident" with an "uninsured motor vehicle" or an "underinsured motor vehicle".
    a. However, subject to our maximum Limit of Insurance for this coverage, if:
        (1) An "insured" is not the individual named insured under this policy;
        (2) That "insured" is an individual named insured under one or more other policies providing similar coverage; and
        (3) All such other policies have a limit of insurance for similar coverage which is less than the Limit of Insurance for this coverage;

    then the most we will pay for all damages resulting from any one "accident" with an "uninsured motor vehicle" or an "underinsured motor vehicle" shall not exceed the highest applicable limit of insurance under any coverage form or policy providing coverage to that "insured" as an individual named insured.
    b. However, subject to our maximum Limit of Insurance for this coverage, if:
        (1) An "insured" is not the individual named insured under this policy or any other policy;
        (2) That "insured" is insured as a "family member" under one or more other policies providing similar coverage; and
        (3) All such other policies have a limit of insurance for similar coverage which is less than the Limit of Insurance for this coverage;

coverage to that "insured" as a "family member".

2. With respect to damages resulting from an "accident" involving an "uninsured motor vehicle", we will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.
3. With respect to damages resulting from an "accident" involving an "underinsured motor vehicle", the Limit of Insurance shall be reduced by all sums paid by or for anyone who may be legally responsible, including all sums paid under this Coverage Form's Liability Coverage.
4. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form attached to this Coverage Part.

   We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any personal injury protection benefits.

E. Changes In Conditions

The **Conditions** are changed for Uninsured and Underinsured Motorists Coverage as follows:

1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms are replaced by the following:

   If there is other applicable insurance available under one or more policies or provisions of coverage:

   a. The maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.

      However, if an "insured" is:

      (1) An individual named insured under one or more policies providing similar coverage; and

      (2) Not "occupying" a vehicle owned by that individual named insured;

      then any recovery for damages for "bodily injury" or "property damage" for that "insured" may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage to that "insured" as an individual named insured.

      However, if an "insured" is:

      (1) Insured as a "family member" under one or more policies providing similar coverage; and

      (2) Not an individual named insured under this or any other policy;

      then any recovery for damages for "bodily injury" or "property damage" for that "insured" may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage to that "insured" as a "family member".

   b. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible uninsured motorists or underinsured motorists insurance providing coverage on a primary basis.

   c. If the coverage under this Coverage Form is provided:

      (1) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

      (2) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   a. Promptly notify the police if a hit-and-run driver is involved; and

   b. Promptly send us copies of the legal papers if a "suit" is brought.

us to advance payment to that "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification to preserve our rights against the insurer, owner or operator of such "underinsured motor vehicle".

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   Our rights do not apply under this provision with respect to damages caused by an "accident" with an "underinsured motor vehicle" if we:

   a. Have been given prompt notice in writing of a tentative settlement between an "insured" and the insurer of an "underinsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification.

      If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

      (1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of this endorsement; and

      (2) We also have a right to recover the advanced payment.

4. The following Condition is added:

   ARBITRATION

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or an "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Either party may make a written demand for arbitration. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

   b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

   a. The Named Insured and any "family members".
   b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
   c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
   a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
   b. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".

C. Exclusions

This insurance does not apply to:

1. "Bodily injury" sustained by:
   a. Any person who is a "family member", while "occupying", or when struck by, any motor vehicle owned by that person which is not insured for Uninsured Motor-

ists Coverage at the time of the "accident".

b. Any "insured" while "occupying" an "auto":

(1) Owned by; or

(2) Furnished or available for the regular use of the Named Insured or any person who is a "family member" if such "auto" is not insured under a motor vehicle insurance policy at the time of the "accident".

2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.

3. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.

4. Punitive or exemplary damages.

D. Limit Of Insurance

1. Regardless of the number of "insureds", or claims made, the most we will pay for all damages resulting from any one "accident" is the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations. If there is more than one covered "auto", our limit of insurance for any one "accident", if the "bodily injury" is sustained by an individual Named Insured or any "family member", is the sum of the limits applicable to each covered "auto". Subject to this maximum limit of liability for all damages:

a. The most we will pay for all damages sustained in such "accident" by an "insured" other than an individual Named Insured or any "family member" is that "insured's" pro rata share of the limit shown in the Schedule or Declarations applicable to the vehicle that "insured" was "occupying" at the time of the "accident".

b. The individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph **a.** above.

A person's pro rata share is the proportion that that person's damages bears to the total damages sustained by all "insureds".

2. If the "bodily injury" is sustained by any "insured", other than an individual Named Insured or any "family member", in an accident in which neither such Named Insured nor any "family member" sustained "bodily injury", the limit of liability shown in the Schedule or Declarations for this coverage is our maximum limit of liability for all damages resulting from any such accident.

3. Any payment made by or on behalf of the owner or operator of a vehicle described in Paragraph **F.3.b.** of the definition of an "uninsured motor vehicle" shall not reduce or be a credit against our limit of insurance.

4. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form or Medical Payments Coverage Endorsement attached to this policy.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

E. Changes In Conditions

The conditions of the policy are changed for Uninsured Motorists Coverage as follows:

1. The reference in Other Insurance in the Business Auto and Garage Coverage Forms and Other Insurance – Primary And Excess Insurance Provisions in the Truckers and Motor Carrier Coverage Forms to "other collectible insurance" applies only to other collectible uninsured motorists insurance.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

a. Promptly notify the police if a hit-and-run driver is involved; and

b. Promptly send us copies of the legal papers if a suit is brought.

c. A person seeking uninsured motorists coverage must also notify us, in writing, of a tentative settlement between the "insured" and the insurer of an "uninsured motor vehicle", and allow us 60 days to advance payment in an amount equal to the tentative settlement to preserve our rights against the insurer, owner or operator of such "uninsured motor vehicle". This notice must be sent by certified mail, and must include:

(1) Written documentation of economic losses;

(2) Copies of all medical bills; and

(3) Written authorization or a court order allowing us to obtain reports from any employers and medical providers.

© ISO Properties, Inc., 2004

004988

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   Our rights do not apply under this provision with regard to Uninsured Motorists Coverage if we:

   a. Have been given written notice of a tentative settlement between an "insured" and the insurer of an "uninsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification.

   If we advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification:

   a. That payment will be separate from any amount an "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

   b. We also have the right to recover the advanced payment.

4. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

5. The following condition is added:

   ARBITRATION

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Either party may make a written demand for arbitration. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

   b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply.

   c. Any decision agreed to by the arbitrators will not be binding.

   d. If agreement by arbitration is not reached within three months from the date of demand, the "insured" may bring an action against anyone responsible for the use of a vehicle involved in the "accident".

F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

2. "Occupying" means in, upon, getting in, on, out or off.

3. "Uninsured motor vehicle" means a land motor vehicle or "trailer":

   a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where a covered "auto" is principally garaged;

   b. That is an underinsured motor vehicle. An underinsured motor vehicle is a motor vehicle or "trailer" for which there is a liability bond or policy at the time of an accident, the liability limits of which are less than the amount of the claim of the person or persons making such claim, regardless of the amount of coverage of either of the parties in relation to each other;

   c. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

   d. That is a hit-and-run vehicle and neither the driver nor owner can be identified.

   However, "uninsured motor vehicle" does not include any vehicle:

   a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law; or

   b. Designed for use mainly off public roads while not on public roads.

   a. The highest limit of insurance for this coverage applicable to any one of such Named Insured's covered "autos"; and

b. If an "insured" has prosecuted to judgment any "suit" against anyone responsible, we will be entitled to an assignment of the judgment to the extent of payment under this insurance that does not exceed the minimum limits specified by the South Carolina Motor Vehicle Financial Responsibility Act.

c. We will pay our proportionate part of any reasonable costs and expenses incurred for any recovery, including reasonable attorneys' fees. However, we reserve the right to retain an attorney of our choice to pursue a claim instead of reasonable attorneys' fees.

d. If an "insured" making a claim for "property damage" under this insurance is also entitled to insurance or other compensation for the "property damage", we will not be obligated to pay the claim until the "insured" has assigned us the rights to the compensation to the extent of payment under this insurance that does not exceed the minimum limits specified by the South Carolina Motor Vehicle Financial Responsibility Act.

This insurance does not apply to:

1. A "bodily injury" or "property damage" claim settled by the "insured" without "our" consent with anyone who may be legally liable.
2. The direct or indirect benefit of any insurer of property.
3. The first $200 of the total amount of "property damage" as the result of any one "accident" involving an unidentifiable driver or owner of an "uninsured motor vehicle". This exclusion does not apply if the owner or operator of the "uninsured motor vehicle" causing the damage can be identified.
4. Anyone using the "covered auto" without a reasonable belief that the person is entitled to do so.

D. Who Is Insured

1. "You" or any "family member".
2. Anyone else "occupying" a "covered "auto".

E. Our Limit Of Liability

1. Regardless of the number of "covered autos", "insureds", claims made or motor vehicles involved in the "accident", the most "we" will pay for all damages resulting from any one "accident" is the limit of **Uninsured Motorists Insurance** shown in the Schedule or Declarations. However, if more than one "covered auto" is involved in the same "accident", the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations will apply separately to each of these "covered autos". Such limit of insurance shall first provide the separate limits required by the Virginia Motor Vehicle Safety Responsibility Act.

F. Conditions

The conditions applicable to this coverage are as follows:

1. **Other Insurance**
   a. For "bodily injury" to an "insured" while "occupying" a motor vehicle that is not a "covered auto", this coverage shall apply only as excess insurance over any other similar insurance available to that "insured" and applicable to that motor vehicle as primary insurance. However, this paragraph does not apply to an "underinsured motor vehicle".
   b. Except as provided in Paragraph **a.** above, if the "insured" has other similar "bodily injury" insurance available to him or her and applicable to the "accident", "we" shall not be liable for a greater proportion of any "loss" to which this coverage applies than the limit of liability for this coverage bears to the sum of the applicable limits of liability of this insurance and such other insurance. However, this provision does not apply to an "underinsured motor vehicle".

© ISO Properties, Inc., 2002

c. For "property damage", **Uninsured Motorists Insurance** is excess over all other collectible insurance of any kind applicable to the "property damage".

d. If the injured person is entitled to underinsured motorists coverage under more than one policy, the following order of priority applies and any amount "available for payment" shall be credited against such policies in the following order of priority:

(1) The policy covering a motor vehicle "occupied" by the injured person at the time of the "accident".

(2) The policy covering a motor vehicle not involved in the "accident" under which the injured person is a named insured.

(3) The policy covering a motor vehicle not involved in the "accident" under which the injured person is other than a named insured.

If there is more than one insurer providing coverage under one of the payment priorities set forth in Paragraph **d.** above, we will pay only "our" share of the "loss". "Our" share is the proportion that "our" limit of liability bears to the total of all limits applicable on the same level of priority.

2. Our Right To Recover From Others

If "we" make any payment, "we" are entitled to recover what "we" paid from other parties. Any person to or for whom "we" make payment must transfer to "us" his or her rights of recovery against any other party. The person must do everything necessary to secure these rights and must do nothing that would jeopardize them.

3. Legal Action Against Us

No legal action may be brought against "us" until there has been full compliance with all the terms of the policy.

4. Changes

If a change requires a premium adjustment, "we" will adjust the premium as of the effective date of the change.

5. Transfer Of Rights And Duties

"Your" rights and duties under this endorsement may not be assigned without "our" written consent.

6. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate shall not relieve "us" of any obligations under this endorsement.

a. During the policy period shown in the Declarations; and

b. Within the coverage territory.

The coverage territory is:

a. The United States of America

b. The territories and possessions of the United States of America.

c. Puerto Rico; and

d. Canada

"We" also cover "loss" to, or "accidents" involving, a "covered auto" while being transported between any of these places.

8. Concealment, Misrepresentation, Or Fraud

Coverage for "your" claim under this endorsement is void in any case of fraud by "you" at any time as it relates to this coverage. It is also void if "you", at any time, intentionally conceal or misrepresent a material fact concerning:

a. This endorsement;

b. The "covered auto";

c. "Your" interest in the "covered auto"; or

d. A claim under this coverage.

9. Premium Audit

a. The estimated premium for this endorsement is based on the exposures "you" told "us" "you" would have when this policy began. "We" will compute the final premium due when "we" determine "your" actual exposures. The estimated total premium will be credited against the final premium due and the First Named Insured will be billed for the balance, if any. If the estimated total premium exceeds the final premium due, the First Named Insured will get a refund.

b. If this policy is issued for more than one year, the premium for this endorsement will be computed annually, based on "our" rates or premiums in effect at the beginning of each year of the policy.

10. Arbitration

a. If "we" and an "insured" disagree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated.

"You" are not required to arbitrate; however, if both parties agree to arbitrate, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. "We" will pay all arbitration expenses if "we" request arbitration. If an "insured" requests the arbitration, each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision can be reached by two of the arbitrators but will not be binding.

a. No one may bring a legal action against us under this Coverage Form until there has been full compliance with all the terms of this Coverage Form.

b. Any legal action against us must be brought within two years after the date of the "accident". However, this Paragraph **3.b.** does not apply to an "insured" if, within two years after the date of the "accident", arbitration proceedings have commenced in accordance with the provisions of this Coverage Form.

4. **Transfer Of Rights Of Recovery Against Others To Us** does not apply.

5. The following Conditions are added:

REIMBURSEMENT AND TRUST

If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages, then the disagreement will be arbitrated. If the "insured" requests, we and the "insured" will each select an arbitrator. The two arbitrators will select a third. If the arbitrators are not selected within 45 days of the "insured's" request, either party may request that arbitration be submitted to the American Arbitration Association. We will bear all the expenses of the arbitration except when the "insured's" recovery exceeds the minimum limit specified in the Illinois Safety Responsibility Law.

If this occurs, the "insured" will be responsible for payment of his or her expenses and an equal share of the expenses of the third arbitrator up to the amount by which the "insured's" recovery exceeds the statutory minimum.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives.

c. If arbitration is submitted to the American Arbitration Association, then the American Arbitration Association rules shall apply to all matters except medical opinions.

As to medical opinions, if the amount of damages being sought:

(1) Is equal to or less than the minimum limit for bodily injury liability specified by the Illinois Safety Responsibility Law, then the American Arbitration Association rules shall apply.

(2) Exceeds the minimum limit for bodily injury liability specified by the Illinois Safety Responsibility Law, then rules of evidence that apply in the circuit court for placing medical opinions into evidence shall apply.

In all other arbitration proceedings, local rules of law as to arbitration procedure and evidence will apply.

d. If the arbitration involves three arbitrators, a decision agreed to by two of the arbitrators will be binding for the amount of damages not exceeding the lesser of either:

(1) $50,000 for "bodily injury" to any one person/$100,000 for "bodily injury" to two or more persons caused by any one "accident"; or

(2) The Limit Of Uninsured Motorists Insurance shown in the Schedule or Declarations.

b. Owned by a governmental unit or agency; or

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

LIMIT OF INSURANCE

$SEE CAT030 Each "Accident"

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

A. Coverage

1. We will pay all sums the "insured" is legally entitled to recover as damages from the owner or driver of an "uninsured motor vehicle". The damages must result from "bodily injury" sustained by the "insured" caused by an "accident". The owner's or driver's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".
2. With respect to damages resulting from an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle", we will pay under this coverage only if **a.** or **b.** below applies:
   a. The limit of any applicable liability bonds or policies have been exhausted by payment of judgments or settlements; or
   b. A tentative settlement has been made between an "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" and we:
      (1) Have been given prompt written notice of such tentative settlement; and
      (2) Advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification.

B. Who Is An Insured

If the Named Insured is designated in the Declarations as:

1. An individual, then the following are "insureds":
   a. The Named Insured and any "family members".
   b. Anyone else "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.
   c. Anyone for damages he or she is entitled to recover because of "bodily injury" sustained by another "insured".
2. A partnership, limited liability company, corporation or any other form of organization, then the following are "insureds":
   a. Anyone "occupying" a covered "auto" or a temporary substitute for a covered "auto". The covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

© ISO Properties, Inc., 2000

C. Exclusions

This insurance does not apply to any of the following:

1. Any claim settled or judgment reached without our consent if the settlement or judgment prejudices our right to recover payment. However, this exclusion does not apply to a settlement made with the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle".
2. The direct or indirect benefit of any insurer or self-insurer under any workers' compensation, disability benefits or similar law.
3. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
4. "Bodily injury" sustained by an "insured" while "occupying" or when struck by any motor vehicle that is owned by or provided for the regular use of that "insured" for which the security required by Kansas law is not in effect.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident", is the limit of Uninsured Motorists Insurance shown in the Schedule or Declarations. We will apply the limit shown in the Schedule or Declarations to first provide the separate limits required by Kansas law as follows:
   a. $25,000 for "bodily injury" to any one person caused by any one "accident", and
   b. $50,000 for "bodily injury" to two or more persons caused by any one "accident".

   This provision will not change our total limit of liability.
2. The limit for damages resulting from "bodily injury" caused by a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" applies separately from the limit for a vehicle described in Paragraphs **a.**, **c.** and **d.** of that definition.
3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage and any Liability Coverage Form, Medical Payments Coverage Endorsement, Uninsured Motorists Coverage Endorsement or Underinsured Motorists Coverage Endorsement attached to this Coverage Part.

   We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

   We will not pay for any element of "loss" if the person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law or personal injury protection coverage.
4. Any amount paid under this insurance will reduce any amount an "insured" may be paid under the Coverage Form's Liability Coverage.

E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance** Provisions in the Truckers and Motor Carrier Coverage Forms are changed by addition of the following:
   a. The reference to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
   b. If there is other applicable insurance available under one or more policies or provisions of coverage, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.
2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
   a. Promptly notify the police if a hit-and-run driver is involved, and
   b. Promptly send us copies of the legal papers if a "suit" is brought.
   c. A person seeking Uninsured Motorists Coverage must also:
      (1) Notify us in writing, by certified mail, of a tentative settlement between the "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle"; and
      (2) Allow us 60 days after receipt of the written notice to advance payment to

© ISO Properties, Inc., 2000

that "insured", in an amount equal to the tentative settlement, to preserve our rights against the insurer, owner or operator of such vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle".

Such written notice shall include written documentation of all damages incurred, copies of all medical bills and written authorization or a court order to obtain reports from all employers and medical providers.

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   b. We do not have a right of recovery with respect to damages resulting from an "accident" with a vehicle described in Paragraphs **a.**, **c.** and **d.** of the definition of "uninsured motor vehicle" to which a liability bond or policy applies at the time of the "accident", but the bonding or insuring company is or becomes insolvent.

   c. Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" if we:

      (1) Have been given written notice by certified mail of a tentative agreement between the "insured" and the insuring company of the owner or operator of the underinsured motor vehicle to settle for liability limits; and

      (2) Fail to advance payments to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of the notice.

   If we advance payment to the "insured" in an amount equal to the tentative settlement within 60 days after receipt of notification:

      (1) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

      (2) We also have a right to recover the advance payment.

4. **The Two Or More Coverage Forms Or Policies Issued By Us** General Condition does not apply.

5. **The Concealment, Misrepresentation Or Fraud** General Condition does not apply.

6. The following condition is added:

   ARBITRATION

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the parties may agree to arbitration. However, disputes concerning coverage under this endorsement may not be arbitrated. If the parties agree to arbitration, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

   b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to procedure and evidence will apply. Any decision agreed to by the arbitrators will not be binding.

   c. Once arbitration is agreed to by both parties, either party has the right to bring arbitration under K.S.A. Sections 5-201 – 5-213 inclusive, in lieu of the arbitration procedure provided in this condition.

F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to an individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

2. "Occupying" means in, upon, getting in, on, out or off.

c. For which an insuring or bonding company denies coverage or is or becomes insolvent, or

d. For which neither the driver nor owner can be identified. The vehicle must either:

Subject to the maximum limit of liability for all damages:
   a. The most we will pay for all damages sustained in such "accident" by an "insured", other than an individual Named Insured or any "family member", is that "insured's" pro rata share of the limit shown in the Schedule or Declarations applicable to the vehicle an "insured" was "occupying" at the time of the "accident".
   b. The individual Named Insured or any "family member" who sustains "bodily injury" in such "accident" will also be entitled to a pro rata share of the limit described in Paragraph **a.** above.

   a. For "property damage", this insurance is excess over all collectible insurance of any kind.
   b. For "bodily injury", the reference in **Other Insurance** to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   The Named Insured and any involved "insured" must:

© ISO Properties, Inc., 2002

a. Promptly notify the police if "bodily injury" results from an "accident" involving a hit-and-run driver;

b. Promptly send us copies of the legal papers if a "suit" is brought; and

c. If "property damage" is involved, provide us with the name and address of the owner or driver of the "uninsured motor vehicle".

3. The **Legal Action Against Us** provision is replaced by the following:

a. No one may bring a legal action against us under this Coverage Form until there has been full compliance with all the terms of this Coverage Form; and

b. Any legal action against us under this Coverage Form must be brought within three years after the date of the "accident". However, this Paragraph **3.b.** does not apply to an "insured" if, within three years after the date of the "accident", we or the "insured" have made a written demand for arbitration in accordance with the provisions of this Coverage Form.

4. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

We shall be entitled to recover payment on a loss only after the insured has been paid the deductible portion of the loss less the prorated share of the subrogation expense.

5. **Two Or More Coverage Forms Or Policies Issued By Us** does not apply.

6. The **Arbitration** Condition is replaced by the following for uninsured motorists coverage:

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages, either party may make a written demand for arbitration. In this event, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

c. For which an insuring or bonding company denies coverage or is or becomes insolvent;

d. That is a hit-and-run vehicle and neither the driver nor owner can be identified; or

e. That causes "bodily injury" or "property damage" to an "insured" without physical contact with the "insured", a covered "auto" or a vehicle the "insured" is "occupying". 3. **Transfer Of Rights Of Recovery Against Others To Us** is replaced by the following:

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   b. We also have a right to recover the advanced payment.

4. The following condition is added:

   ARBITRATION

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", the "insured" may request that the claim be resolved by the Board of Consumer Claims Arbitration for the District of Columbia. However, disputes concerning coverage under this endorsement may not be arbitrated. If we agree to arbitrate before the Board, the Board may hear and decide the matter. A decision reached by the Board will be binding.

   a. Any vehicle, or
   b. Any property contained in or struck by any vehicle owned by the Named Insured or, if the Named Insured is an individual, any "family member" which is not a covered "auto".
5. The first $150 of the amount of each claim for "property damage" sustained by an "insured" in any one "accident". This deductible applies only to direct physical damage to:
   a. A covered "auto"; or
   b. The property of an "insured".

   However, this exclusion does not apply if there is valid and collectible "auto" physical damage coverage applicable to that damage under this or any other policy.
6. Anyone using a vehicle without a reasonable belief that the person is entitled to do so.
7. "Property damage" for which the "insured" has been compensated by other property or physical damage coverage, including any physical damage coverage under this policy.
8. Punitive or exemplary damages.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from any one "accident":
   a. For "bodily injury" is the limit of Uninsured Motorists Coverage shown in the Schedule or Declarations; and
   b. For "property damage" is $10,000 per claim.
2. With respect to damages resulting from an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle", the Limit of Insurance shall be reduced by all sums paid by or for anyone who is legally responsible, including all sums paid under this Coverage Form's Liability Coverage.
3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Liability Coverage Form or Medical Payments Coverage Endorsement attached to this Coverage Part.

   We will not make a duplicate payment under this coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

E. Changes In Conditions

The conditions are changed for Uninsured Motorists Coverage as follows:

1. The reference in **Other Insurance** to "other collectible insurance" applies only to other collectible uninsured motorists insurance.
2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:
   a. Promptly notify the police if a hit-and-run driver is involved, and
   b. Promptly send us copies of the legal papers if a "suit" is brought.
   c. A person seeking coverage from an insurer, owner or operator of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" must also promptly notify us in writing of a tentative settlement between the "insured" and the

© ISO Properties, Inc., 2005

insurer and allow us to advance payment to that "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification to preserve our rights against the insurer, owner or operator of such vehicle.

3. **Transfer Of Rights Of Recovery Against Others To Us** is changed by adding the following:

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   However, if the "insured" settles with or recovers against any person, any reimbursement due to us under this section shall be reduced by deducting a fair portion of all reasonable expenses of recovery incurred in effecting the settlement or recovery. The expenses of recovery shall be apportioned between the parties as their interests appear at the time of the settlement or recovery.

   Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" if we:

   a. Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification.

   If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

   a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of Uninsured Motorists Coverage; and

   b. We also have a right to recover the advance payment.

4. **The Two Or More Coverage Forms Or Policies Issued By Us** Condition does not apply.

5. The following condition is added:

   ARBITRATION

   a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured", then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

   b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

      (2) The available liability insurance has been reduced by payments to others injured in the "accident" to an amount

which is less than the limits of this coverage applicable to the "insured".

We will also have a lien on those proceeds.

   b. If any person to or for whom we pay benefits has rights to recover benefits from another, those rights are transferred to us. That person must do everything necessary to secure our rights and must do nothing after loss to impair them.

   c. The insurer providing personal injury protection benefits on a private passenger "motor vehicle", as defined in the Florida Motor Vehicle No-Fault Law, shall be entitled to reimbursement to the extent of the payment of personal injury protection benefits from the "owner" or the insurer of the "owner" of a commercial "motor vehicle", as defined in the Florida Motor Vehicle No-Fault Law, if such injured person sustained the injury while "occupying", or while a "pedestrian" through being struck by, such commercial "motor vehicle".

either party may make a written demand for mediation of the claim prior to the institution of litigation.

b. A written request for mediation must be filed with the Florida Department of Financial Services on an approved form, which may be obtained from the Florida Department of Financial Services.

c. The request must state:

(1) Why mediation is being requested.

(2) The issues in dispute, which are to be mediated.

d. The Florida Department of Financial Services will randomly select mediators. Each party may reject one mediator, either before or after the opposing side has rejected a mediator. The mediator will notify the parties of the date, time and place of the mediation conference. The mediation conference will be held within 45 days of the request for mediation. The conference will be held by telephone, if feasible. Participants in the mediation conference must have the authority to make a binding decision, and must mediate in good faith. Each party will bear the expenses of the mediation equally, unless the mediator determines that one party has not mediated in good faith.

e. Only one mediation may be requested for each claim unless all parties agree to further mediation. A party demanding mediation shall not be entitled to demand or request mediation after a suit is filed relating to the same facts already mediated.

f. The mediation shall be conducted as an informal process and formal rules of evidence and procedures need not be observed.

2. **Modification Of Policy Coverages**

Any Automobile Medical Payments Coverage and any Uninsured Motorists Coverage afforded by the policy shall be excess over any personal injury protection benefits paid or payable.

Regardless of whether the full amount of personal injury protection benefits has been exhausted, any Medical Payments Coverage afforded by the policy shall pay the portion of any claim for personal injury protection medical expenses which are otherwise covered but not payable due to the limitation of 80% of medical expense benefits but shall not be payable for the amount of the deductible selected.

As soon as practicable, the person making claim shall give to us written proof of claim, under oath if required, which may include full particulars of the nature and extent of the injuries and treatment received and contemplated, and such other information as may assist us in determining the amount due and payable. Such person shall submit to mental and physical examinations at our expense when and as often as we may reasonably require and a copy of the medical report shall be forwarded to such person if requested. If the person unreasonably refuses to submit to an examination, we will not be liable for subsequent personal injury protection benefits. Whenever a person making claim is charged with committing a felony, we shall withhold benefits until, at the trial level, the prosecution makes a formal entry on the record that it will not prosecute the case against the person, the charge is dismissed or the person is acquitted.

4. **Provisional Premium**

In the event of any change in the rules, rates, rating plan, premiums or minimum premiums applicable to the insurance afforded, because of an adverse judicial finding as to the constitutionality of any provisions of the Florida Motor Vehicle No-Fault Law providing for the exemption of persons from tort liability, the premium stated in the declarations for any Liability, Medical Payments and Uninsured Motorists insurance shall be deemed provisional and subject to recomputation. If this policy is a renewal policy, such recomputation shall also include a determination of the amount of any return premium previously credited or refunded to the "named insured" pursuant to Sections 627.730 through 627.7415 (1988) of the Florida Motor Vehicle No-Fault Law with respect to insurance afforded under a previous policy.

If the final premium thus recomputed exceeds the premium shown in the Declarations, the "named insured" shall pay to us the excess as well as the amount of any return premium previously credited or refunded.

2. Sustained by any person if such injury arises from his conduct within the course of a business of repairing, servicing or otherwise maintaining "motor vehicles" unless such conduct occurs off the business premises.
3. Sustained by any person arising from conduct in the course of loading or unloading any "motor vehicle" unless such conduct occurs while "occupying" such "motor vehicle".

In the event a court of competent jurisdiction declares, or enters a judgment the effect of which is to render, the provisions of such statutes invalid or unenforceable in whole or in part, the Company shall have the right to recompute the premium payable for the policy and the provisions of this endorsement shall be voidable or subject to amendment at the option of the Company.

NOTICE TO POLICYHOLDERS

Acceptance of the coverage described in Kentucky Revised Statutes Chapter 304, Subtitle 39, places some limitations on your right to bring suit for "bodily injury". Kentucky Revised Statutes Section 304.39-060 provides in part:

(1) Any person who registers, operates, maintains or uses a "motor vehicle" on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such "motor vehicle" and use of the public roadways, be deemed to have accepted the provisions of this Act, and in particular those provisions which are contained in this section.

(2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a "motor vehicle" is 'abolished' for damages because of "bodily injury", sickness or disease to the extent the basic reparation benefits provided in this Act are payable therefor, or that would be payable but for any deductible authorized by this Act, under any insurance policy or other method of security complying with the requirements of this Act, except to the extent non-economic detriment qualifies under subsection **(2)(b)** hereof.

(b) In any action of tort brought against the owner, registrant, operator or occupant of a "motor vehicle" with respect to which security has been provided as required in this Act, or against any person or organization legally responsible for his acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of "bodily injury", sickness or disease arising out of the ownership, maintenance, operation or use of such "motor vehicle" only in the event that the benefits which are payable for such injury as 'medical expense' or which would be payable but for any exclusion or deductible authorized by this Act exceed $1,000.00 or the injury or disease consists in whole or in part of permanent disfigurement, a

Copyright, Insurance Services Office, Inc., 2000

fracture to a bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death.

Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least $1,000.

(c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a "motor vehicle" within subsection **(1)** of this section.

(3) Any person may refuse to consent to the limitations of his tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the Department of Insurance and must have been executed and filed with the Department at a time prior to any "motor vehicle" accident for which such rejection is to apply....

These are some of the exceptions to the limitations on your right to sue and are not intended to comprise a complete enumeration of all circumstances under which suit may be brought for "bodily injury".

A. Coverage

We will pay personal injury protection benefits to or for an "insured" who sustains "bodily injury" caused by an "accident" and resulting from the ownership, maintenance or use of an "auto" as an "auto". These benefits are subject to the provisions of Chapter 31 of the Michigan Insurance Code. Personal Injury Protection benefits consist of the following benefits:

1. **Medical Expenses**

   Reasonable and necessary medical expenses for an "insured's" care, recovery, or rehabilitation. Charges for a hospital room are limited to those customary for a semi-private room, unless special or intensive care is required.

2. **Funeral Expenses**

   Reasonable funeral and burial expenses.

3. **Work Loss**

   Up to 85% of an "insured's" actual loss of income from work. We will pay a higher percentage if the "insured" gives us reasonable proof that net income is more than 85% of gross income. The most we will pay in any 30 day period for this benefit is the amount shown in the Schedule or Declarations unless another amount is established by law. Any income an "insured" earns during the 30 day period is included in determining the income benefit we will pay. This benefit is payable for loss sustained during the 3 years after the accident. It does not apply after an "insured" dies. We will prorate this benefit for any period less than 30 days.

4. **Replacement Services**

   Reasonable expenses for obtaining services to replace those an "insured" would normally have performed without pay for himself or herself or dependents. This benefit is payable for loss sustained during the 3 years after the accident. It does not apply after an "insured" dies.

5. Survivors loss benefits consisting of:

   a. **Income Loss**

      The contributions a deceased "insured's" spouse and dependents would have re-

ceived, as dependents, if the "insured" had not died as a result of the "accident".

b. Replacement Services

Reasonable expenses for obtaining services to replace those a deceased "insured" would have performed without pay for his or her spouse and dependents.

The most we will pay in any 30 day period for the total of survivors loss benefits is the amount shown in the schedule unless another amount is established by law. Any income an "insured" earns during the 30 day period is included in determining the income benefits we will pay. These benefits are payable during the 3 years after the "accident", but do not apply to any loss or expense incurred after an "insured" dies. We will prorate these benefits for any period of less than 30 days.

Survivors loss benefits are payable during the 3 years after the "accident". A deceased "insured's" spouse must have either resided with or been dependent on the "insured" at the time of death. The benefits cease for a spouse at remarriage or death. Any other dependent qualifies for benefits if, at the time of the "insured's" death, the person is under age 18, physically or mentally unable to earn a living or a full-time student.

1. You or any "family member".
2. Anyone else who sustains "bodily injury":

5. To the owner or registrant of an "auto" for which the coverage required by the Michigan no-fault law is not in effect.

13. To any person resulting from the ownership, operation, maintenance or use of a parked "auto". This exclusion does not apply if:
    a. The "auto" was parked in such a way as to cause unreasonable risk of the "bodily injury", or

    However, Exceptions **b.** and **c.** to this exclusion do not apply to any "employee" who has Michigan workers' disability compensation benefits available and who sustains "bodily injury" in the course of employment while loading, unloading, or doing mechanical work on an "auto", unless the injury arises from the use or operation of another vehicle.
14. To you or any "family member" while "occupying" a motorcycle if the owner, registrant or operator of the "auto" involved in the "accident" has the required Michigan no-fault coverage.

D. Limit Of Insurance

1. Regardless of the number of covered "autos", "insureds", premiums paid, claims made, vehicles involved in the "accident" or insurers providing no-fault benefits, the most we will pay for "bodily injury" for each "insured" injured in any one "accident" are the amounts shown in the Schedule.
2. Any amount payable under this insurance shall be reduced by any benefits paid, payable or required to be provided by state or federal law except any benefits paid, payable or required to be provided by Medicare, provided:
    a. The benefits serve the same purpose as Personal Injury Protection benefits; and
    b. The benefits are provided or required to be provided as the result of the same "accident" for which this insurance is payable. However, this insurance shall not be reduced if any amount of workers' compensation benefits that are required to be provided are not available to the "insured".
3. Any amount payable under this insurance shall be reduced by any deductible you elect. However, the deductible applies only to you and any "family member".

E. Changes In Conditions

The conditions are changed for Personal Injury Protection as follows:

1. The **Transfer Of Rights Of Recovery Against Others To Us** Condition is replaced by the following:

    If any person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, and that other person is an uninsured motorist, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.
2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is amended by the addition of the following:

    If requested by us, the "insured" shall furnish a sworn statement of earnings since the "accident" and for a reasonable time prior to the "accident".
3. **Legal Action Against Us** is amended by the addition of the following:

    No claimant may bring a legal action for personal injury protection benefits against us more than a year after the "accident". There are two exceptions. The action may be brought if we have been given notice within a year after the "accident" or have made a payment of benefits. In these cases, a claimant may bring the action within a year after the most recent payment. However, the claimant may not recover benefits for any part of a loss incurred more than a year before the action was brought.
4. The following conditions are added:

    REIMBURSEMENT AND TRUST

    If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid. This requirement is subject to any applicable limitations of Michigan law.

COORDINATION AND NON-DUPLICATION

a. If an "insured" is entitled to personal injury protection benefits under more than one policy, the maximum recovery under all policies shall not exceed the amount payable under the policy providing the highest dollar limit.

b. No person may recover duplicate benefits for the same expenses or loss.

PREMIUM RECOMPUTATION

Chapter 31 of the Michigan Insurance Code places certain limitations on a person's right to sue for damages. The premium for the policy reflects these limitations. If a court from which there is no appeal declares any of these limitations unenforceable we will have the right to recompute the premium. The rates we use to recompute the premium will be subject to review by the Commissioner of Insurance. If you choose to delete any coverage as the result of the court's decision, we will compute any refund of premium on a pro rata basis.

1. Duties In The Event Of Accident, Claim, Suit Or Loss is replaced by the following:

a. In the event of any "accident", written notice containing particulars sufficient to identify the "insured", and also reasonably obtainable information respecting the time, place and circumstances of the "accident" shall be given by or on behalf of

© ISO Properties, Inc., 2000

each "insured" to us or any of our authorized agents within six months from the date of the "accident". Failure to provide such written notice shall not render an "insured" ineligible to receive benefits unless actual prejudice is shown by us and then only to the extent of the prejudice. If an "insured", his or her legal representative or his or her surviving dependents shall institute legal action to recover damages for "bodily injury" against a person or organization who is or may be liable in tort therefor, a copy of the summons and complaint or other process served in connection with such legal action shall be forwarded as soon as practicable to us by such "insured", his or her legal representative or his or her surviving dependents.

b. As soon as practicable, the "insured" or someone on his or her behalf shall give us written proof of claim, under oath if required, including full particulars of the nature and extent of the "bodily injury", treatment and rehabilitation received and contemplated, and such other information as may assist us in determining the amount due and payable. The "insured" shall submit to physical and mental examination by physicians selected by us when and as often as we may reasonably require. An "insured" who has undertaken a procedure or treatment for rehabilitation or a course of rehabilitative occupational training, other than medical rehabilitation procedure or treatment, shall notify us that he or she has undertaken the procedure, treatment or training within 60 days after a rehabilitation expense exceeding $1,000 has been incurred for the procedure, treatment, or training, unless we know or have reason to know of the undertaking. If the "insured" does not give the required notice within the prescribed time, we are responsible only for $1,000 or the expense incurred after the notice is given and within 60 days before the notice, whichever is greater, unless failure to give timely notice is the result of excusable neglect.

2. **Transfer Of Rights Of Recovery Against Others To Us** is replaced by the following:

   Subject to any applicable limitations set forth in the Minnesota statutes, in the event of any payment under this coverage, we are subrogated to the rights of the person to whom or for whose benefit such payments were made, to the extent of such payments, and such person shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. Such person shall do nothing after loss to prejudice such rights.

   a. Our rights under this condition do not apply against:

   (1) The person or organization legally responsible for damages, if we also insure that person or organization for the same "loss" or damages; or

   (2) Any "insured".

   b. Our rights under this condition do not apply against a person who is 21 years of age or older who:

   (1) Had control over the premises and, being in a reasonable position to prevent the consumption of alcoholic beverages, knowingly or recklessly permitted the consumption of alcoholic beverages that caused the intoxication of a person under 21 years of age; or

   (2) Sold, bartered, furnished or gave to, or purchased alcoholic beverages for a person under 21 years of age that caused the intoxication of a person under 21 years of age;

   and that intoxicated person caused the injury, "loss" or damage for which payment was made under this policy.

3. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance - Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms are amended by the following:

   In the event the "insured" has other similar insurance including self-insurance available and applicable to the "accident", we shall not be liable for a greater proportion of any loss to which this coverage applies than the Limit of Insurance hereunder bears to the sum of the applicable Limits of Insurance of this coverage and such other insurance.

   However, if the driver or occupant of a "motor vehicle" sustains "bodily injury" while using the vehicle in the business of transporting persons or property, this insurance is primary.

© ISO Properties, Inc., 2000

4. **The Two Or More Coverage Forms Or Policies Issued By Us** Policy Condition is replaced by the following:

   If the Schedule indicates that the Named Insured elected to add together two or more Personal Injury Protection Coverages, the Two Or More Coverage Forms Or Policies Issued By Us provision in the Policy Conditions section of the Coverage Form does not apply to coverage afforded under this endorsement. However, no one will be entitled to receive duplicate payments for the same elements of "loss".

5. The following Conditions are added:

   COORDINATION, NON-DUPLICATION AND PRIORITY OF PAYMENTS

   a. No "insured" shall recover duplicate benefits for the same elements of "loss" under this or any similar insurance including self-insurance.

   b. Any amount payable under any Uninsured Motorists Coverage afforded under this Coverage Form or policy shall be reduced by the amount of any Personal Injury Protection benefits paid or payable or which would be paid or payable but for the application of a deductible under this or any other motor vehicle insurance Coverage Form or policy because of "bodily injury" sustained by an "insured".

   REIMBURSEMENT AND TRUST

   Subject to any applicable limitations set forth in the Minnesota statutes, in the event of any payment to any person under this coverage:

   a. We shall be entitled to the extent of such payment to the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of such person against any person or organization legally responsible for the "bodily injury" because of which such payment is made; and we shall have a lien to the extent of such payment, notice of which may be given to the person or organization causing such "bodily injury", his or her agent, his or her insurer or a court having jurisdiction in the matter.

   b. Such person shall hold in trust for our benefit all rights of recovery which he or she shall have against such other person or organization because of such "bodily injury".

   c. Such person shall do whatever is proper to secure and shall do nothing after loss to prejudice such right; and

   d. Such person shall execute and deliver to us instruments and papers as may be appropriate to secure the rights and obligations of such person and us established by this provision.

   CONSTITUTIONALITY CLAUSE

   The premium for and the coverages of the policy have been established in reliance upon the provisions of the Minnesota No-Fault Automobile Insurance Act. In the event a court of competent jurisdiction declares, or enters a judgment the effect of which is to render the provisions of such act invalid or unenforceable in whole or in part, we shall have the right to recompute the premium payable for the policy and the provisions of this endorsement shall be voidable or subject to amendment at our option.

   ARBITRATION

   If you and we disagree on the amount of "loss" under Personal Injury Protection and the disputed amount is:

   a. $10,000 or less, both parties must submit to arbitration;

   b. More than $10,000, we will advise the "insured" whether we will submit the claim to arbitration.

   Arbitration will be conducted in accordance with the Rules of Procedure For No-Fault Arbitration contained in the Minnesota Insurance Laws.

   In the event of arbitration, each party will select a competent arbitrator. The two arbitrators will select a competent and impartial umpire. A decision agreed to by any two will be binding. Each party will:

   a. Pay its chosen arbitrator; and

   b. Bear the other expenses of the arbitration and umpire equally.

   If we submit to arbitration, we still retain our right to deny the claim.

A. Coverages

1. Personal Injury Protection

We will pay personal injury protection benefits for "bodily injury" sustained by an "eligible injured person" or an "insured person" caused by an "accident" occurring during the policy period and arising out of the ownership, maintenance or use, including loading or unloading, of a "private passenger auto" as an auto.

These Personal Injury Protection Benefits consist of:

a. Medical Expense Benefits

An amount not exceeding $250,000 per person per "accident" for reasonable and necessary expenses incurred for medical, surgical, rehabilitative and diagnostic treatments and services, hospital expenses, ambulance or transportation services, medication and non-medical expenses that are prescribed by a treating "health care provider" for a permanent or significant brain, spinal cord or disfiguring injury.

Non-medical expense means charges for products and devices, not exclusively used for medical purposes or as durable medical equipment, such as vehicles, durable goods, equipment, appurtenances, improvements to real or personal property, fixtures and services and activities such as recreational activities, trips and leisure activities.

All medical expenses must be rendered by a "health care provider", be "clinically supported" and consistent with the symptoms, diagnosis or indications of the "insured". They must also be consistent with the most appropriate level of service that is in accordance with the standards of good practice and standard professional treatment protocols, including care paths for an "identified injury". proved by the New Jersey Department of Banking and Insurance.

9. The following **Special Requirements For Medical Expenses** Conditions are added:

   a. **Care Paths For "Identified Injuries" (Medical Protocols)**

      (1) The New Jersey Department of Banking and Insurance has established by regulation the standard courses of medically necessary diagnosis and treatment for "identified injuries". These courses of diagnosis and treatments are known as care paths.

      The care paths do not apply to treatment administered during "emergency care".

      (2) Upon notification to us of a "bodily injury" covered under this policy, we will advise the "insured" of the care path requirements established by the New Jersey Department of Banking and Insurance.

      (3) Where the care paths indicate a decision point, further treatment or the administration of a diagnostic test is subject to our Decision Point Review Plan.

      A decision point means the juncture in treatment where a determination must be made about the continuation or choice of further treatment of an "identified injury".

   b. **Coverage For "Diagnostic Tests"**

      (1) In addition to the care path requirements for an "identified injury", the administration of any of the following "diagnostic tests" is also subject to the requirements of our Decision Point Review Plan:

         (l) Any other "diagnostic test" that is subject to the requirements of our Decision Point Review Plan by New Jersey law or regulation.

      (2) The "diagnostic tests" listed under Paragraph **(2)(a)** must be administered in accordance with New Jersey Department of Banking and Insurance regulations which set forth the requirements for the use of "diagnostic tests" in evaluating injuries sustained in "auto" "accidents".

      However, those requirements do not apply to "diagnostic tests" administered during "emergency care".

      (3) We will pay for other "diagnostic tests" that are:

         (a) Not subject to our Decision Point Review Plan; and

         (b) Not specifically excluded under Exclusion **1.l.**; only if administered in accordance with the criteria for medical expenses as provided in this endorsement.

   c. **Decision Point Review Plan**

      (1) Coverage for certain medical expenses under this endorsement is subject to our Decision Point Review Plan, which provides appropriate notice and procedural requirements that must be adhered to in accordance with New Jersey law or regulation. We will provide a copy of this plan upon request, or in the event of any

claim for medical expenses under this coverage.

(2) Our Decision Point Review Plan includes the following minimum requirements as prescribed by New Jersey law or regulation:

(a) The requirements of the Decision Point Review Plan only apply after the tenth day following the "accident".

(b) We must be provided prior notice as indicated in our plan, with appropriate "clinically supported" findings, that additional treatment for an "identified injury" or the administration of a "diagnostic test" listed under Paragraph **(2)(a)** is required.

The notice and "clinically supported" findings may include a comprehensive treatment plan for additional treatment.

(3) Once we receive such notice with the appropriate "clinically supported" findings, we will, in accordance with our plan:

(a) Promptly review the notice and supporting materials; and

(b) If required as part of our review, request any additional medical records or schedule a physical examination.

(4) We will then determine and notify the "eligible injured person" or the "insured person" whether we will provide coverage for the additional treatment or "diagnostic test" as indicated in our plan. Any determination we make will be based on the determination of a physician.

(5) Any physical examination of an "eligible injured person" or "insured person" scheduled by us will be conducted in accordance with our plan.

(6) A penalty will be imposed in accordance with our plan if:

(a) We do not receive proper notice and "clinically supported" findings;

(b) We are not provided medical records if requested by us; or

(c) Any "eligible injured person" or "insured person" fails to appear for the physical examination if required by us.

Any request for dispute resolution may include a request for review by a medical review organization.

5. The following condition is added for **Personal Injury Protection** and **Pedestrian Personal Injury Protection**:

COORDINATION AND NON-DUPLICATION

b. If an "eligible injured person" under this coverage is also an "eligible injured person" under other complying policies, the insurer paying benefits to such person shall be entitled to recover from each of the other insurers an equitable pro rata share of the benefits paid. The pro rata share is the proportion that the insurer's liability bears to the total of all applicable limits. Complying Policy means a policy of automobile liability insurance maintained pursuant to the requirements of Section 3 of the New Jersey Automobile Reparation Reform Act and providing basic personal injury protection coverage as approved by the Commissioner of Insurance.

Expenses incurred in obtaining ordinary and necessary services from others not members of the "insured's" household in lieu of those that the "insured" would have performed had he or she not been injured, not for income but for the benefit of himself or herself or his or her household, but "replacement services loss" does not include any loss after the death of the "insured";
5. Survivors' income loss. F. Limit Of Insurance

Regardless of the number of persons insured, policies or approved plans of self-insurance applicable, premiums paid, claims made or covered "autos" to which this coverage applies, our liability for personal injury protection benefits with respect to "bodily injury" sustained by any one "insured" in any one "auto" "accident" shall not exceed $30,000 in the aggregate, and subject to such aggregate limit:

1. The maximum amount payable for work loss or survivors income loss shall not exceed $150 per week prorated for any lesser period;
2. The maximum amount payable for replacement services loss or survivors replacement services loss shall not exceed $15 per day;
3. The maximum amount payable for funeral expenses shall not exceed $3,500.

Any amount payable by us under the terms of this coverage shall be reduced by the amount of benefits an "insured" has recovered or is entitled to recover for the same elements of loss under any workers' compensation act.

G. Changes In Conditions

For Personal Injury Protection the conditions are amended as follows:

1. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

a. In the event of an accident, written notice containing particulars sufficient to identify the "insured", and also reasonably obtainable information respecting the time, place and circumstances of the accident shall be given by or on behalf of each "insured" to the Company or any of its authorized agents as soon as practicable. If an "insured", his or her legal representative or his or her "survivors" shall institute legal action to recover damages for "bodily injury" against a person or organization who is or may be liable in tort therefor, a copy of the summons and complaint or other process served in connection with such legal action shall be forwarded as soon as practicable to us by such "insured", his or her legal representative or his or her "survivors".

b. As soon as practicable, the "insured" or someone on his or her behalf shall give us written proof of claim, under oath if required, including full particulars of the nature and extent of the "bodily injury" treatment and rehabilitation received and contemplated and such other information as may assist us in determining the amount due and payable. The "insured" shall submit to physical and mental examination by physicians selected by us when and as often as we may reasonably require. If an "insured" refuses to submit to a physical or mental examination, we may request a court to enter an order requiring the "insured" to submit to the examination.

2. **Legal Action Against Us**

No action shall lie against us unless as a condition precedent thereto, there shall have been full compliance with all the terms of this coverage.

3. **Transfer Of Rights Of Recovery Against Others To Us**

Subject to any applicable limitation set forth in North Dakota Auto Accident Reparations Act, in the event of any payment under this coverage, we are subrogated to the rights of the person to whom or for whose benefit the payments were made to the extent of those payments. That person shall execute and deliver the instruments and papers and do whatever else is necessary to secure those rights. That person shall do nothing after loss to prejudice those rights.

H. Additional Conditions

The following conditions are added for Personal Injury Protection:

1. **Constitutionality Clause**

The premium for and the coverages of the policy have been established in reliance upon the provisions of the North Dakota Auto Accident Reparations Act. In the event a court of competent jurisdiction declares, or enters a judgment the effect of which is to render the provisions of such statute invalid or unenforceable in whole or in part, we shall have the right to recompute the premium payable for the policy and the provisions of this endorsement shall be voidable or subject to amendment at our option.

2. **Coordination**

Any amount payable under uninsured motorists coverage shall be reduced by the amount of any personal injury protection benefits paid or payable under this or any other automobile insurance policy because of "bodily injury" sustained by an "insured":

Any automobile medical payments afforded under this policy shall be excess insurance over any personal injury protection benefits paid or payable under this or any other automobile insurance policy because of "bodily injury" sustained by an "insured".

3. **Non-Duplication Of Benefits**

No "insured" shall recover duplicate benefits for the same elements of loss under this or any similar insurance including approved plans of self-insurance.

4. **Priority Of Payments**

This coverage applies on a primary basis to "bodily injury" sustained by an "insured" if the "accident" arises out of the use or operation of the covered "auto" except, if the "accident" involves the operation of the "insured motor vehicle" in a "ridesharing arrangement", any personal injury protection coverage, required by the North Dakota Auto Accident Reparations Act, afforded by another policy under which such "insured" is a "named insured" or "family member", shall be primary and this coverage shall be excess.

5. **Other Insurance**

In the event an "insured" has other similar insurance, including approved plans of self-insurance, available and applicable to the accident, the maximum recovery under all such insurance shall not exceed the amount which would have been payable under the provisions of the insurance providing the highest dollar limit, and we shall not be liable for a greater proportion of any loss to which this coverage applies than the limit of liability hereunder bears to the sum of the applicable limit of liability of this coverage and the other insurance.

6. **Reimbursement And Trust Agreement**

In the event of the payment to any person under this coverage:

a. We shall be entitled to the extent of the payment to the proceeds of any settle-

ment or judgment that may result from the exercise of any rights of recovery of that person against any person or organization legally responsible for the "bodily injury" because of which that payment is made, and we shall have a lien to the extent of that payment, notice of which may be given to the person or organization causing the "bodily injury", his or her agent, his or her insurer or a court having jurisdiction in the matter;

b. That person shall hold in trust for our benefit all rights of recovery which he or she shall have against that other person or organization because of the "bodily injury";

c. That person shall do whatever is proper to secure and shall do nothing after loss to prejudice those rights; and

d. That person shall execute and deliver to us instruments and papers as may be appropriate to secure those rights and obligations of that person and us established by this provision.

2. This insurance is primary only for "bodily injury" sustained by an "insured" in an accident" arising out of the use or operation of a covered "auto".
3. If an "insured" is entitled to Personal Injury Protection benefits under more than one policy, the maximum recovery under all policies combined will not exceed the amount payable under the policy with the highest dollar limit of benefits. Our share is the proportion that our Limit of Insurance bears to the total of all applicable limits covering on the same basis.
4. Personal Injury Protection benefits paid or payable under this Coverage Form or any other Coverage Form or policy providing auto insurance because of "bodily injury" sustained by an "insured" shall be primary to any Auto Medical Payments Coverage provided under this Coverage Form.

PREMIUM RECOMPUTATION

The premium for this policy is based on rates which have been established in reliance upon the limitations on the right to recover for damages imposed by the provisions of Title 31A, UTAH CODE ANNOTATED. If a court declares any of these provisions unenforceable, we have the right to recompute the premium, and the provisions of this endorsement are voidable or subject to amendment at our option.

   (4) Submit a written proof of claim under oath when required by us, including full information on the nature of treatment received and planned.

   a. Hold in trust for us the proceeds of the recovery; and

D. Limit Of Insurance

1. Regardless of the number of "insured motor vehicles", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages resulting from bodily injury sustained in any one "accident" is the Limit of Insurance for Uninsured Motorists Coverage shown in the Schedule or Declarations.

Regardless of the number of "insured motor vehicles", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all "property damage" resulting from any one "accident" is the limit of liability required by the New Hampshire Financial Responsibility Law.

The coverage limit for Uninsured and Underinsured Motorists Coverage applies separately to damages caused by an "accident" with an "uninsured motor vehicle" and an "underinsured motor vehicle".

2. No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage and any Liability Coverage form, Medical Payments Coverage endorsement, Underinsured Motorists Coverage en-

dorsement or Uninsured Motorists Coverage endorsement. This provision does not apply if duplicate payments for Uninsured Motorists Coverage is also provided for the same elements of "loss" under Medical Payments Coverage.

We will not make a duplicate payment under this Coverage for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits or similar law.

Uninsured Motorists Coverage for "property damage" is excess to any other collectible coverage.

3. Any amount payable for "property damage" under this insurance will not reduce the limit of insurance applicable to an "insured" for "bodily injury" under this insurance.

E. Changes In Conditions

The Conditions are changed for **Uninsured Motorists Coverage** as follows:

1. **Other Insurance** in the Business Auto and Garage Coverage Forms and **Other Insurance – Primary And Excess Insurance Provisions** in the Truckers and Motor Carrier Coverage Forms are replaced by the following:

   If there is other applicable insurance available under one or more policies or provisions of coverage:

   a. The maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit for any one vehicle under any coverage form or policy providing coverage on either a primary or excess basis.

   b. Any insurance we provide with respect to a vehicle the Named Insured does not own shall be excess over any other collectible uninsured motorists insurance providing coverage on a primary basis.

   c. If the coverage under this coverage form is provided:

      (1) On a primary basis, we will pay only our share of the loss that must be paid under insurance providing coverage on a primary basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on a primary basis.

      (2) On an excess basis, we will pay only our share of the loss that must be paid under insurance providing coverage on an excess basis. Our share is the proportion that our limit of liability bears to the total of all applicable limits of liability for coverage on an excess basis.

2. **Duties In The Event Of Accident, Claim, Suit Or Loss** is changed by adding the following:

   a. Promptly notify the police if a hit-and-run driver is involved, and

   b. Promptly send us copies of the legal papers if a "suit" is brought.

   c. A person seeking coverage from an insurer, owner or operator of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" must also promptly notify us in writing of a tentative settlement between the "insured" and the insurer and allow us to advance payment to that "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification to preserve our rights against the insurer, owner or operator of such vehicle.

3. **Transfer Of Rights Of Recovery Against Others To Us** is replaced by the following:

   If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.

   Our rights do not apply under this provision with respect to damages caused by an "accident" with a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle" if we:

   a. Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of a vehicle described in Paragraph **b.** of the definition of "uninsured motor vehicle"; and

   b. Fail to advance payment to the "insured" in an amount equal to the tentative set-

tlement within 30 days after receipt of notification.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of notification:

a. That payment will be separate from any amount the "insured" is entitled to recover under the provisions of this coverage; and

b. We also have a right to recover the advance payment.

4. The following Condition is added:

ARBITRATION

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or driver of an "uninsured motor vehicle" or do not agree as to the amount of damages, then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally. However, the "insured" will not be required to advance the expenses of arbitration.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding.

F. Additional Definitions

As used in this endorsement:

1. "Family member" means a person related to the individual Named Insured by blood, marriage or adoption who is a resident of such Named Insured's household, including a ward or foster child.

2. "Insured motor vehicle" means a self-propelled vehicle, "trailer", or semi-trailer for which the Named Insured has purchased Uninsured Motorists Coverage. However, it does not include a farm tractor or crawler type tractor or a vehicle operated exclusively upon stationary tracks.

3. "Occupying" means in, upon, getting in, on, out or off.

4. "Property damage" means physical injury to or destruction of:

(a) An "insured motor vehicle" which is registered or principally garaged in New Hampshire and which is owned by the Named Insured or if the Named Insured is an individual such Named Insured's spouse, if a resident of the Named Insured's household.

(b) Any property owned by the Named Insured or if the Named Insured is an individual any "family member" which is contained in the "insured motor vehicle".

(c) Any property owned by anyone else which is contained in the "insured motor vehicle" while the person is "occupying" the "insured motor vehicle".

5. "Uninsured motor vehicle" means a land motor "vehicle" or "trailer":

a. For which no liability bond or policy at the time of an "accident" provides at least the amounts required by the applicable law where an "insured motor vehicle" is principally garaged.

b. That is an underinsured motor vehicle. An underinsured motor vehicle is a land motor vehicle, "trailer" or semi-trailer for which the sum of all liability bonds or policies at the time of an "accident" provides at least the amounts required by the applicable law where an "insured motor vehicle" is principally garaged, but their limits are less than the limit of this coverage.

c. For which an insuring or bonding company denies coverage or is or becomes insolvent; or

d. That is a hit-and-run vehicle and neither the driver nor owner can be identified. The vehicle must:

(1) Hit an "insured", an "insured motor vehicle" or a vehicle an "insured" is "occupying"; or

(2) Cause an "accident" resulting in "bodily injury" to an "insured" without hitting an "insured", an "insured motor

vehicle" or a vehicle an "insured" is "occupying".

If there is no physical contact with the hit-and-run vehicle, the facts of the "accident" must be corroborated by competent evidence other than the testimony of any person having a claim under this or any similar insurance as the result of such "accident".

However, "uninsured motor vehicle" does not include any vehicle:

a. Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law;

b. Owned by a governmental unit or agency; or

c. Designed for use mainly off public roads while not on public roads.

MASSACHUSETTS CHANGES

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
TRUCKERS COVERAGE FORM

This Endorsement applies to risks not subject to the Massachusetts Compulsory Automobile Insurance Law.

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. Changes In Liability Coverage

COVERAGE

The third paragraph is replaced by the following:

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense", even if it is without merit. However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. If an "insured" settles a claim without our consent, we will not be bound by that settlement. Our duty to defend ends when we tender, or pay to any claimant or to a court of competent jurisdiction, with the court's permission, the maximum amount of the Liability Coverage Limit of Insurance, without the need for a judgment or settlement of the "suit" or a release by the claimant.

B. Changes In Physical Damage Coverage

1. COVERAGE

   Glass Breakage - Hitting a Bird or Animal - Falling Objects or Missiles is replaced by the following:

   If you purchased Comprehensive Coverage for the damaged covered "auto", we will pay for the following under Comprehensive Coverage:

   a. "Loss" caused by contact with a bird or animal;

   b. "Loss" caused by falling objects or missiles; and

   c. Glass breakage.

   However, glass breakage, when involving other collision "loss", shall be considered a "loss" under Collision Coverage.

2. DEDUCTIBLE is replaced by the following:

   1. For each covered "auto", our obligation to pay for, repair, return or replace damaged or stolen property will be reduced by the applicable deductible shown on the Declarations.

   2. Any deductible under Comprehensive or Specified Causes of Loss Coverage does not apply to glass breakage or to our obligation to pay for transportation expenses incurred following a theft of a covered auto of the private passenger type.

   3. Regardless of anything to the contrary, any Comprehensive Coverage deductible shown on the Declarations does apply to loss caused by fire or lightning.

3. The following Condition is added to Physical Damage Coverage.

   LOSS PAYEE

   When the Declarations shows that a loss payee has secured interest in a covered "auto", we will make payments under Physical Damage Coverage according to the legal interest of each party.

   The loss payee's right of payment will not be invalidated by your acts or neglect except that we will not pay if the "loss" to a covered "auto" is the result of conversion, embezzlement, or secretion by you or any household member. Also, we will not pay the loss payee if the "loss" to a covered "auto" is the result of arson, theft or any other means of disposal committed by you or at your direction.

   When we pay any loss payee, we shall, to the extent of our payment, have the right to exer-

cise any of the loss payee's legal rights of recovery. If you do not file a proof of loss as provided in this policy, the loss payee must do so within 30 days after the "loss" becomes known to the loss payee.

In order for us to cancel the rights of any loss payee shown on the Declarations, a notice of cancellation must be sent to the loss payee as provided in this policy.

C. The Cancellation Common Policy Condition is replaced by the following:

You can cancel all or any part of the insurance at any time by giving us or your agent at least twenty days written notice.

We can cancel all or any part of the insurance if:

1. You have not paid your premium on this policy.
2. We find that you were responsible for fraud or material misrepresentation when you applied for this policy or any extension or renewal of it.
3. Your driver's license or auto registration has been under suspension or revocation during the policy period.

Any notice of cancellation will be sent to you at your last address shown on the Declarations at least 20 days prior to the effective date. A notice sent by regular mail, for which a certificate of mailing receipt has been obtained from the United States Postal Service, will be considered sufficient notice.

In order for us to cancel the rights of any loss payee shown in the policy, a notice of cancellation must also be sent to the loss payee in a similar manner.

Refunds of any premium will be sent to you as soon as possible. If we cancel, the amount of your refund will be determined by a pro rata table based on the number of days the insurance was in effect. If the policy is cancelled by you or by law, you will get a refund which is less than proportional to the time involved. It will be based instead on a "short rate" table and procedures which compensate us for our expenses in servicing your policy.

MINNESOTA CHANGES – CANCELLATION AND NONRENEWAL

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM
GARAGE COVERAGE FORM
MOTOR CARRIER COVERAGE FORM
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. If you are an individual and this policy covers fewer than five "autos" of the private passenger type not rated on a fleet basis; or this policy is a plan of reparation security insuring fewer than five "autos" rated on a commercial or fleet basis, the **Cancellation** Common Policy Condition does not apply. The following Conditions apply instead:

1. Cancellation

a. The first Named Insured may cancel the policy by mailing or delivering to us advance written notice of cancellation.

b. Policies In Effect Less Than 60 Days

When this policy is in effect less than 60 days and is not a renewal or continuation policy, we may cancel for any reason by mailing or delivering written notice of cancellation to the first Named Insured:

(1) So as to be received at least 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) At least 30 days before the effective date of cancellation if we cancel for any other reason.

The notice of cancellation will state the reasons for cancellation. Information regarding moving traffic violations or motor vehicle accidents must be specifically requested on the application in order for us to cancel within the first 59 days of coverage for those incidents.

c. Policies In Effect 60 Days Or More

When this policy is in effect 60 days or more or is a renewal or continuation policy, we may cancel only for one or more of the following reasons:

(1) Nonpayment of premium;

(2) This policy was obtained through a material misrepresentation;

(3) Any "insured" made a false or fraudulent claim or knowingly aided or abetted another in the presentation of such a claim;

(4) You failed to disclose fully your "auto" accidents and moving traffic violations for the preceding 36 months if called for in the written application for this policy;

(5) You failed to disclose in the written application any requested information necessary for the acceptance or proper rating of the risk;

(6) You knowingly failed to give any required notice of loss or notice of lawsuit commenced against you, or when requested, refused to cooperate in the investigation of a claim or defense of a lawsuit;

(7) You or any driver who either lives with you or customarily uses a covered "auto":

(a) Has had his or her driver's license suspended or revoked within the 36 months prior to the notice of cancellation because of a moving traffic violation or a refusal to be tested for being under the influence of alcohol;

© ISO Properties, Inc., 1999

(b) Is or becomes subject to epilepsy or heart attacks and does not produce a physician's certificate stating that he or she can operate an "auto" safely;

(c) Has an "accident" or conviction record, physical or mental condition, any one or all of which are such that his or her operation of an "auto" might endanger the public safety;

(d) Has been convicted, or forfeited bail, during the 24 months immediately preceding the notice of cancellation for criminal negligence in the use or operation of an "auto", or assault arising out of the use of an "auto" or operating an "auto" while in an intoxicated condition or while under the influence of drugs; or leaving the scene of an "accident" without stopping to report; or making false statements in an application for a driver's license, or theft or unlawful taking of an "auto";

(e) Has been convicted of, or forfeited bail for, one or more violations within the 18 months before the notice of cancellation, of any law, ordinance, or regulation which justify a revocation of a driver's license;

However, Subparagraphs **(a)** through **(e)** above do not apply with respect to any driver who either lives with you or customarily uses a covered "auto" if that driver is identified as a named insured in another coverage form or policy as an insured.

(8) A covered "auto" is:

(a) So mechanically defective that its operation might endanger public safety; or

(b) Used in carrying passengers for hire or compensation. This does not include car pools; or

(c) Used in the business of transporting flammables or explosives; or

(d) An authorized emergency vehicle; or

(e) Subject to an inspection law and has not been inspected or if inspected has failed to qualify within the period specified under such inspection law; or

(f) Substantially changed in type or condition during the policy period, increasing the risk substantially, or so as to give clear evidence of a use other than the original use.

(9) We replace this policy with another one providing similar coverages and the same rates and limits for the covered "auto". The replacement policy will take effect when this policy is cancelled, and will end a year after this policy begins or on this policy's expiration date, whichever is earlier.

If we cancel for any reason described in Paragraphs **c.(1)** through **(9)** above, we will give written notice of cancellation to the first Named Insured at least:

(1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation if we cancel for any other reason described in Paragraphs **c.(2)** through **c.(9)**.

The effective date of cancellation stated in the notice shall become the effective date of cancellation.

d. If this policy is cancelled, we will send the first Named Insured any premium refund due. Cancellation will be on a pro rata basis if the unearned premium is for a period of more than one month. If you request cancellation and the unearned premium is for a period of one month or less, the refund may be less than pro rata.

If we cancel, cancellation will not become effective unless the premium refund due is returned to you with the notice of cancellation or is delivered or mailed to you so as to be received by you not later than the effective date of cancellation.

If you cancel, any premium refund due will be refunded within 30 days following our receipt of the request for cancellation.

2. Nonrenewal

a. If we decide not to renew or continue this policy we will give the first Named Insured written notice of our intent not to renew at least 60 days before the end of the policy period. Such notice will be mailed or delivered to the first Named Insured at the last mailing address known to us. If we offer to renew or continue and you do not accept, this policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you have not accepted our offer.

b. If we fail to mail or deliver proper notice of nonrenewal and you obtain other insurance, this policy will end on the effective date of that insurance.

c. Proof of mailing of any notice shall be sufficient proof of notice.

B. For all other policies not described in Paragraph **A.** above, the **Cancellation** Common Policy Condition does not apply. The following Conditions apply instead:

1. Cancellation

a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

b. We may cancel this policy, subject to the provisions of **c.** below, by first class mailing, or by delivery, of a written notice of cancellation to the first Named Insured and any agent, to their last mailing addresses known to us. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

c. Policies In Effect Less Than 90 Days

If this policy is a new policy and has been in effect for fewer than 90 days, we may cancel for any reason by giving notice at least:

(1) 10 days before the effective date of cancellation, if we cancel for nonpayment of premium; or

(2) 30 days before the effective date of cancellation, if we cancel for any other reason.

d. Policies In Effect 90 Days Or More

If this policy has been in effect for 90 days or more, or if it is a renewal of a policy we issued, we may cancel only for one or more of the following reasons:

(1) Nonpayment of premium;

(2) Misrepresentation or fraud made by you or with your knowledge in obtaining the policy or in pursuing a claim under the policy;

(3) An act or omission by you that substantially increases or changes the risk insured;

(4) Refusal by you to eliminate known conditions that increase the potential for loss after notification by us that the condition must be removed;

(5) Substantial change in the risk assumed, except to the extent that we should reasonably have foreseen the change or contemplated the risk in writing the contract;

(6) Loss of reinsurance by us which provided coverage to us for a significant amount of the underlying risk insured. Any notice of cancellation pursuant to this item shall advise the policyholder that he or she has ten days from the date of receipt of the notice to appeal the cancellation to the commissioner of commerce and that the commissioner will render a decision as to whether the cancellation is justified because of the loss of reinsurance within thirty business days after receipt of the appeal;

(7) A determination by the commissioner that the continuation of the policy could place us in violation of the Minnesota insurance laws; or

(8) Nonpayment of dues to an association or organization, other than an insurance association or organization, where payment of dues is a prerequisite to obtaining or continuing such insurance. This provision for cancellation for failure to pay dues shall not be applicable to persons who are retired at 62 years of age or older or who are disabled according to social security standards.

© ISO Properties, Inc., 1999

If we cancel for any reason described in Paragraphs **d.(1)** through **(8)** above, we will give notice at least:

(1) 10 days before the effective date of cancellation, if we cancel for nonpayment of premium. The cancellation notice shall contain the information regarding the amount of premium due and the due date, and shall state the effect of nonpayment by the due date. Cancellation shall not be effective if payment of the amount due is made prior to the effective date of cancellation; or

(2) 60 days before the effective date, if we cancel for any other reason described in Paragraphs **d.(2)** through **(8)** above. The notice of cancellation will state the reason for cancellation.

e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.

f. Proof of mailing of any notice shall be sufficient proof of notice.

2. Nonrenewal

If we decide not to renew or continue this policy, we will give the first Named Insured and any agent notice of our intent not to renew, at least 60 days before the expiration date. Such notice will be mailed or delivered to the first Named Insured and any agent at their last mailing addresses known to us.

We need not mail or deliver this notice if you have:

ENDING THIS POLICY

A. Cancellation

1. You may cancel the entire policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
2. When this policy is in effect less than 60 days and is not a renewal or continuation policy, we may cancel the entire policy for any reason provided we mail you notice within this period. If we cancel for this reason we will mail you at least 20 days notice.
   c. We replace this policy with another one providing similar coverages and the same limits for a covered "auto" of the private passenger type. 4. Instead of cancellation, we may condition continuation of this policy on a reduction of Liability Coverage or elimination of any other coverage. If we do this we will mail you notice at least 20 days before the date of the change.
5. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
6. If this policy is cancelled, we will send you any premium refund due. The refund will be pro rata.

II. For all policies other than those specified in Section **I.**, the **Cancellation** Common Policy Condition is completely replaced by the following:

ENDING THIS POLICY

A. Cancellation

1. The first Named Insured shown in the Declarations may cancel the entire policy by returning it to us or by giving us advance notice of the date cancellation is to take effect.
2. When this policy is in effect 60 days or less and is not a renewal or continuation policy, we may cancel the entire policy by mailing to the first Named Insured at least:
   a. 20 days notice if we cancel for any reason not included in Paragraph **b.** below.
   b. 15 days notice if we cancel for any of the following reasons:

      (3) Discovery of fraud or material misrepresentation in the obtaining of the policy or in the presentation of a claim thereunder;
      (4) After issuance of the policy or after the last renewal date, discovery of an act or omission, or a violation of any policy condition, that substantially and materially increases the hazard insured against, and which occurred subsequent to inception of the current policy period;
      (5) Material physical change in the property insured, occurring after issuance or last annual renewal anniversary date of the policy, which results in the property becoming uninsurable in accordance with our objective, uniformly applied underwriting standards in effect at the time the policy was issued or last renewed; or material change in the nature or extent of the risk, occurring after issuance or last annual renewal anniversary date of the policy, which causes the risk of

Copyright, Insurance Services Office, Inc., 1999

loss to be substantially and materially increased beyond that contemplated at the time the policy was issued or last renewed;

(6) Required pursuant to a determination by the Superintendent that continuation of our present premium volume would jeopardize our solvency or be hazardous to the interest of our policyholders, our creditors or the public;

(7) A determination by the Superintendent that the continuation of the policy would violate, or would place us in violation of, any provision of the Insurance Code;

(8) Where we have reason to believe, in good faith and with sufficient cause, that there is a probable risk of danger that the "insured" will destroy, or permit to be destroyed, the insured property for the purpose of collecting the insurance proceeds. However, if we cancel for this reason, the first Named Insured may make a written request to the Insurance Department, within 10 days of receipt of this notice, to review our cancellation decision. We will also send a copy of this notice, simultaneously, to the Insurance Department; or

(9) Suspension or revocation during the required policy period of the driver's license of any person who continues to operate a covered "auto", other than a suspension issued pursuant to subdivision one of section 510b of the Vehicle and Traffic Law or one or more administrative suspensions arising from the same incident which has or have been terminated prior to the effective date of cancellation.

3. When this policy is in effect more than 60 days or is a renewal or continuation policy, we may cancel only for any of the reasons listed in Paragraph **2.b.** above, provided we mail the first Named Insured at least 15 days notice. If one of the reasons listed in Paragraph **2.b.** exists, we may cancel the entire policy.

4. Regardless of the number of days this policy has been in effect, if:

a. This policy covers "autos" subject to the provisions of Section 370 **(a)** and **(b)** of the New York Vehicles and Traffic Laws; and

b. The Commissioner of the Department of Motor Vehicles deems this policy to be insufficient for any reason,

we may cancel this policy by giving you notice of such insufficiency 45 days before the effective date of cancellation to permit you to replace this policy.

5. If this policy is cancelled, we will send the first Named Insured any premium refund due. The refund will be pro rata.

However, when the premium is advanced under a premium finance agreement, we will be entitled to retain a minimum earned premium of 10% of the total policy premium or $60, whichever is greater. The cancellation will be effective even if we have not made or offered a refund.

6. The effective date of cancellation stated in the notice shall become the end of the policy period.

7. Notice will include the reason for cancellation. We will mail or deliver our notice to the first Named Insured at the address shown in the policy and to the authorized agent or broker. However, we may deliver any notice instead of mailing it. Proof of mailing will be sufficient proof of notice.

B. Nonrenewal And Conditional Renewal

1. If we decide not to renew or continue this policy we will send notice as provided in Paragraph **3.** below.

2. If we condition renewal of this policy upon:

a. Change of limits;

b. Change in type of coverage;

c. Reduction of coverage;

d. Increased deductible;

e. Addition of exclusion;

f. Increased premiums in excess of 10%, exclusive of any premium increase due to and commensurate with insured value added; or as a result of experience rating, retrospective rating or audit

 Copyright, Insurance Services Office, Inc., 1999

we will send notice as provided in Paragraph **3.** below.

3. If we decide not to renew or continue this policy, or to conditionally renew this policy as provided in Paragraphs **1.** and **2.** above, we will mail the first Named Insured notice at least 60 but not more than 120 days before the end of the policy period. If the policy period is other than one year, we will have the right not to renew or continue it only at an anniversary of its original effective date.

4. We will not send you notice of nonrenewal or conditional renewal if you, your authorized agent or broker or another insurer of yours mails or delivers notice that you have replaced this policy or no longer want it.

5. Any notice of nonrenewal or conditional renewal will be mailed to the first Named Insured at the address shown in the policy and to the authorized agent or broker. However, we may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice.

6. Notice will include the specific reason(s) for nonrenewal or conditional renewal, including the amount of any premium increase, and description of any other changes.

7. If we violate any of the provisions of Paragraphs **3.**, **5.** or **6.** above by sending the first Named Insured an incomplete or late conditional renewal notice or a late nonrenewal notice:

(a) Coverage will remain in effect at the same terms and conditions of this policy at the lower of the current rates or the prior period's rates until 60 days after such notice is mailed or delivered, unless the first Named Insured, during this 60 day period, has replaced the coverage or elects to cancel.

(b) On or after the expiration date of this policy, coverage will remain in effect at the same terms and conditions of this policy for another policy period, at the lower of the current rates or the prior period's rates, unless the first Named Insured, during this additional policy period, has replaced the coverage or elects to cancel.

MOTOR CARRIER COVERAGE FORM
SINGLE INTEREST AUTOMOBILE PHYSICAL DAMAGE INSURANCE POLICY
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. With respect to any one or more "certified acts of terrorism", we will not pay any amounts for which we are not responsible under the terms of the federal Terrorism Risk Insurance Act of 2002 (including subsequent acts of Congress pursuant to the Act) due to the application of any clause which results in a cap on our liability for payments for terrorism losses.

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002. The federal Terrorism Risk Insurance Act of 2002 sets forth the following criteria for a "certified act of terrorism":

2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

FEDERAL TERRORISM RISK INSURANCE ACT DISCLOSURE

This endorsement applies to the insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
GARAGE COVERAGE FORM
MOTOR CARRIER COVERAGE FORM
TRUCKERS COVERAGE FORM

On November 26, 2002, the President of the United States signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). The Act establishes a short-term program under which the Federal Government will share in the payment of *"Insured Losses"* caused by certain *"Acts of Terrorism"* (each as defined in the Act).

In the event of an *Insured Loss*, each *"Insurer"* (as defined in the Act) is responsible for a deductible of one percent (1%) of its *"Direct Earned Premium"* (as used in the Act) for the calendar year 2001 for *Insured Losses* occurring from November 26, 2002 through December 31, 2002; seven percent (7%) of its *Direct Earned Premium* for the calendar year 2002 for *Insured Losses* occurring during calendar year 2003; ten percent (10%) of its *Direct Earned Premium* for the calendar year 2003 for *Insured Losses* occurring during calendar year 2004; or fifteen percent (15%) of its *Direct Earned Premium* for the calendar year 2004 for *Insured Losses* occurring during calendar year 2005. The Federal Government's share of compensation for *Insured Losses* in each year is 90% of the amount of *Insured Losses* in excess of each *Insurer's* deductible for that year. The *Insurer* is responsible for the payment of the remaining 10% of *Insured Losses*. In no event, however, will the Federal Government or any *Insurer* be required to pay any portion of the amount of aggregate *Insured Losses* occurring in any one year that exceeds $100,000,000,000, provided that such *Insurer* has met its deductible.

As a requirement of the Act, *Insurers* must make available *"Property and Casualty Insurance"* (as defined in the Act) coverage for *Insured Losses* that does not differ materially from the terms, amounts and other coverage limitations that apply to losses arising from events other than *Acts of Terrorism*. In other words, a loss will not be excluded just because it was caused by an *Act of Terrorism*; conversely, a loss will not be covered just because it was caused by an *Act of Terrorism*. The Act also requires *Insurers* to disclose to policyholders the premium charge for providing such terrorism coverage.

Please note that this Coverage Form does not contain an exclusion that specifically excludes coverage for *Insured Losses*. The charge for this exposure is included in the Coverage Form premium indicated in your policy. The charge that has been included for this Coverage Form is 1% of your total Commercial Automobile Coverage premium.

SECTION II – COMPULSORY LIABILITY INSURANCE COVERAGE

A. INSURING AGREEMENT

We will pay the following damages for "property damage" for which any "insured" becomes legally responsible because of a "traffic accident" resulting from the use of "your covered auto":

1. In the case of a "traffic accident" which is within the scope of the diagrams mentioned in Article No. 7 of the "System", the amount, if any, payable under the applicable diagram. The amount thus determined is the most we will pay regardless of any subsequent adjudication of additional amounts, unless a court of competent jurisdiction determines that said "traffic accident" is not within the scope of the diagrams mentioned in Article No. 7 of the "System" or that the selection of the diagram applied in that particular "traffic accident" was incorrectly made.

   a. If the court determines that the "traffic accident" is not within the scope of the diagrams mentioned In Article No. 7 of the "System", we will pay the amounts, if any, settled through the use of available means, subject to the provisions of the Insurance Code of Puerto Rico. Damages will include prejudgement interest awarded against the "insured". We will settle or defend, as we consider appropriate, any claim or "suit" asking for these damages. Therefore, in addition to our limit of liability, we will pay all defense costs we incur. Our duty to settle or defend ends when our limit of liability for the coverage has been exhausted through payment of judgments, settlements or court consignments.

If the court determines that the "traffic accident" is not within the scope of the diagrams mentioned in Article No. 7 of the System", we will also pay the legal defense costs, if any, you incurred in presenting your case, to the court, regarding the applicability of the diagrams, until the court's decision as to the non applicability of the diagrams is final.

b. If the court determines that the selection of the diagram applied in a particular "traffic accident" was incorrectly made, we will pay the amount, if any, corresponding to the applicable diagram, as determined by the court. In this event, we will also pay the legal defense costs, if any, you incurred in presenting your case, to the court, regarding the applicability of the diagrams, until the court's decision as to the correct selection of diagram is final.

2. In the case of a "traffic accident" that does not fall within the scope of the diagrams mentioned in Article No. 7 of the "System", we will pay the amount, if any, settled or awarded through the use of available means, subject to the provisions of the Insurance Code of Puerto Rico. Damages will include prejudgment interest awarded against the "insured". We will settle or defend, as we consider appropriate, any claim or suit asking for these damages. Therefore, in addition to our limit of liability, we will pay all defense costs we incur. Our duty to settle or defend ends when our limit of liability for the coverage has been exhausted through payment of judgments, settlements or court consignments.

We have no duty to defend or settle any claims for "property damage" not covered under this policy.

B. SUPPLEMENTARY PAYMENTS

In addition to our limit of liability, we will pay on behalf of an "insured":

1. Up to two hundred and fifty dollars ($250.00) for the cost of bail bonds required because of a "traffic accident", including violations related to Act No. 141 of July 20, 1960, as amended, known as the Puerto Rico Vehicles and Traffic Act. The "traffic accident" must result in "property damage" covered under this policy.

2. Premiums on appeal bonds and bonds to release attachments in any "suit" we defend.

3. Interest accruing after a judgment is entered in any "suit" we defend. Our duty to pay interest ends when we offer to pay that part of the judgment which does not exceed our limit of liability for this coverage.

2. We will not pay damages for "property damage" to any motor vehicle that is not insured for compulsory liability insurance as required by the Puerto Rico Motor Vehicle Compulsory Liability Insurance Act, in accordance with the provisions of Article 11(b) of said Act.

D. LIMIT OF LIABILITY

The limit of liability established by Act No. 253 of December 27, 1995, as amended, is our maximum limit of liability for "property damage" resulting from any one "traffic accident". This is the most we will pay regardless of the number of:

1. "Insureds",

SECTION IV – GENERAL PROVISIONS

A. LEGAL ACTION AGAINST US

No legal action may be brought against us until there has been full compliance with all the terms of this policy.

B. CHANGES

1. This policy contains all the agreements between you and us. Its terms may not be changed or waived except by endorsement issued by us.

2. If we make a change which broadens coverage under this edition of your policy, that change will automatically apply to your policy as of the date we implement the change in Puerto Rico.

   This item **2.** does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

a. A subsequent edition of your policy, or

b. An amendatory endorsement.

C. CONFORMITY WITH STATE STATUTES

Any provision of this policy which, on its effective date, is in conflict with the statutes of Puerto Rico is hereby amended to conform to the minimum requirements of such statutes.

D. ENTIRE CONTRACT

When the compulsory liability insurance is provided by the "Joint Underwriting Association", this policy will become effective only when its corresponding premium has been paid at the time of issuance or renewal of the license of the motor vehicle to which this insurance applies. In such case, this policy and said license constitute the entire contract between you and us.

When the compulsory liability insurance is provided by the private insurers, this policy, the "Declarations" pertaining to the same and the application for this insurance attached to this policy, constitute the entire contract between you and us.

E. ERRORS IN CLASSIFICATION

In the event that the classification pertaining to "your covered auto" is incorrectly stated, the policy premium corresponding to the correct classification shall be deemed to be applicable.

F. JOINT ACCIDENT REPORT

Our receiving, within fifteen (15) days after a "traffic accident", the "Joint Accident Report", duly completed, will expedite the resolution of a claim.

G. BANKRUPTCY

Bankruptcy or insolvency of the "insured" shall not relieve us of any obligations under this policy.

H. OTHER INSURANCE

This policy provides primary insurance for "your covered auto".

I. TERMINATION

1. Cancellation

a. We may not cancel this policy for any reason.

b. You may cancel this policy only if "your covered auto":

i. Is a total loss and therefore unable to cause any damage in the public roads and you provide us the corresponding certification issued by the Puerto Rico Department of Transportation and Public Works, to the effect that the vehicle is shown in the Motor Vehicle Register of said Department with an annotation indicating that it has a scrap lien and that its motor vehicle license and license plate have been surrendered for cancellation to the mentioned Department.

ii. Is exported from Puerto Rico and you provide to us the corresponding certification, issued by the Puerto Rico Department of Transportation and Public Works, to the effect that the vehicle is shown in the Motor Vehicle Register of said Department with an annotation indicating that it has an exportation lien and that its motor vehicle license and license plate have been surrendered for cancellation to the mentioned Department.

If you request this policy's cancellation pursuant to item **1.b.** above, before the expiration of the policy period, you may be entitled to a premium refund. If so, we will refund the pro rata unearned premium subject to a minimum earned premium of seven dollars ($7.00).

2. Renewal

a. This policy will be renewed by us at expiration. Nevertheless, we will not renew it if you have obtained other equal coverage on "your covered auto" and you have notified us, in writing, of this other coverage, no less than forty (40) days prior to the expiration date of this policy. Neither will we renew this policy at its termination if the same became effective by reason of the cancellation or non-renewal of a traditional liability insurance issued by us.

b. At renewal date we may find that you no longer qualify under the underwriting guidelines established for the compulsory liability insurance issued by "private insurers" because of any of the following reasons:

i. "Your covered auto" is used as a "public vehicle";

ii. "Your covered auto" is a "racing vehicle", or "high speed vehicle";

iii. You or the main driver of "your covered auto" has accumulated five (5) or more points on account of traffic

law violations, during the past three years;

iv. You or the main driver of "your covered auto" has been convicted of driving a motor vehicle under the influence of alcohol or drugs, or of participating in any type of racing activity in the public roads; or

v. Your driver's license or that of the main driver of "your covered auto" has been suspended or revoked within one year from the requested effective date of the compulsory liability insurance policy.

vi. "Your covered auto" is not insurable in accordance with the written underwriting guidelines that we maintain for the underwriting of the traditional liability insurance policies that we issue. When applying this rule, we shall neither establish nor permit any discrimination in favor of particular persons and in detriment of others or between insureds or objects of insurance that essentially have the same elements of insurability, risk and exposure, or expense factors, and as far as it is applicable, we shall not incur in any unfair discrimination of those typified in the Insurance Code of Puerto Rico.

If such is the case, we must notify you, in writing, of our decision, by regular mail to the last address notified to us, in writing, or to the mailing address appearing in this policy, no less than thirty (30) days prior to the expiration date of the policy. However, the "Joint Underwriting Association", can not deny the compulsory liability insurance coverage for any of the reasons stated in the above item **2.b.**

We shall maintain in our files evidence supporting the defense of any rejection that we may effect in accordance with the above guidelines, including the reference to the underwriting rule applied for the rejection.

3. Other Termination Provisions

If you obtain "traditional liability insurance", with similar or broader coverage than the compulsory liability insurance, on "your covered auto", the compulsory liability insurance provided by this policy, will terminate, at your request, on the effective date of the other insurance.

In such event, you may be entitled to a premium refund. If so we will refund the pro rata unearned premium, subject to a minimum earned premium of seven dollars ($7.00), to the insurer that provides your traditional liability insurance, to be credited to the premium of said insurance or to be returned to you, if your traditional liability insurance is fully paid.

4. Notices

a. Any notice required may be delivered or mailed by us or you.

b. Proof of mailing of any notice shall be sufficient proof of notice.

J. TERRITORY AND POLICY PERIOD

This policy applies only to "traffic accidents" which occur in Puerto Rico during the policy period. The policy period will commence:

1. On the effective date of the "your covered auto's" license, if the premium for this policy is paid on or before said date, or
2. On the date that the premium for this policy is paid, if payment is made after the effective date of "your covered auto's" license.

The policy period will terminate on the expiration date of your covered auto's" license.

K. TRANSFER OF YOUR INTEREST IN THIS POLICY

Your rights and duties under this policy may not be assigned without our written consent, except that if ownership of "your covered auto" is transferred, the coverage provided by this policy will automatically be transferred to the new owner of the vehicle. You will have no further rights under this policy. However, you should notify us of any transfer of ownership of "your covered auto" within ten (10) days of such transfer. Failure to do so could affect your loss experience record.

4. **Policy Premium to be Financed by a Financing Institution or by a Bank:** If the premium for this policy is financed through a financing institution or by a bank in a situation not covered by the preceding Section **3**, this policy will be effective on the date the down payment of at least 20% of the total annual premium to be paid by you, together with the corresponding premium finance contract duly executed, are received by us or our authorized representative.

2. Capital Assets Program (Output Policy) Coverage Part, Appraisal Loss Condition, but only if Endorsement OP 04 03, Vehicle Physical Damage Condition, is attached.

If you and we fail to agree on the amount of "loss", either may make a written demand for an appraisal of the "loss". In this event, within 10 days of the demand, each party will choose a competent appraiser and will notify the other of the appraiser selected. If the appraisers submit a written report of an agreement on the actual cash value and the amount of "loss" to us, that agreement will be binding. If they fail to agree, they will promptly submit their differences to the umpire. A decision agreed to by one of the appraisers and the umpire will be binding as to the actual cash value and the amount of "loss". Each party will:

POLICYHOLDER NOTICES

NOTICE TO MICHIGAN POLICYHOLDERS

THIS POLICY IS EXEMPT FROM THE FILING REQUIREMENTS OF SECTION 2236 OF THE INSURANCE CODE OF 1956, 1956 PA 218, MCL 500.2236.

IMPORTANT INFORMATION TO MISSOURI POLICYHOLDERS

Be advised that while this policy does provide coverage for certain terrorism losses in compliance with the Federal Terrorism Risk Insurance Act of 2002, it does not cover all types of terrorism losses, and in fact, excludes coverage for certain losses, such as those that are the result of a terrorist act that was not committed on behalf of any foreign person or foreign government and exceeds an aggregate cost to the insurance industry of $25 million. You are not covered for such losses unless your insurance company has offered you additional terrorism coverage for such losses and you have paid an additional premium for that coverage, if required to do so by the insurance company.

IMPORTANT NOTICE TO OREGON POLICYHOLDERS

OREGON INSURANCE GUARANTY ASSOCIATION SURCHARGE

Most insurers doing business in Oregon participate in the Oregon Insurance Guaranty Association. In the event an insurer fails, the Association settles unpaid claims on behalf of consumers. Oregon law requires that policies be surcharged directly to recover the costs of handling those claims.

If your policy is surcharged, the term "OIGA Surcharge" along with an indicated dollar amount will be displayed with the statement of your surcharge.

IMPORTANT NOTICE

NOTIFICATION OF PENDING CHANGES FOREIGN TERRORISM / TRIA

Pursuant to the requirements of the Terrorism Risk Insurance Act of 2002 (TRIA), this policy includes disclosure of the rate or premium charged for exposure to "insured loss" as defined under TRIA. TRIA is set to expire as of 12/31/05. If TRIA expires and is not extended or reenacted, the rate or premium disclosed for exposure to "insured loss" shall instead be applicable to exposure to loss caused by "act(s) of foreign terrorism", defined as follows:

a. Any act that is violent or dangerous to human life, property or infrastructure; and

b. The act has been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Any coverage provided for loss caused by an "act of foreign terrorism" shall be subject to all of the terms, definitions, exclusions and conditions of the applicable policy, and any applicable federal and/or state laws, rules or regulations.

IMPORTANT INFORMATION FOR NEVADA POLICYHOLDERS

Dear Policyholder:

Assembly Bill 157, passed in 1993 by the Nevada Legislature, required the Department of Motor Vehicles and Public Safety to create and implement a system which verifies that owner(s) of registered motor vehicles maintain automobile liability insurance.

As your insurance company we have reported your motor vehicle information to the Nevada Department of Motor Vehicles on your behalf.

The Nevada Department of Motor Vehicles will send an insurance verification letter to you if the proper information is not in their computer data base. Please read the following important notes which outline the actions that need to be followed to avoid getting an insurance verification letter.

If your policy contains a schedule of your owned autos, each separate auto with their corresponding Vehicle Identification Number (VIN) was electronically sent to the Department of Motor Vehicles.

If your policy has any vehicles registered in more than one name, you must report this immediately to your agent so the correct information is sent to the Nevada Department of Motor Vehicles. Our report to the Nevada Department of Motor Vehicles must match each vehicle with each specific registered owner.

Review your policy carefully, if any of the Vehicle Identification Numbers are incorrect, report this immediately to your agent so the correct information can be sent to the Nevada Department of Motor Vehicles.

If your policy does not contain a schedule of owned autos, one policy record was electronically sent to the Nevada Department of Motor Vehicles.

This reporting system changes how you should register your vehicles in Nevada.

When you register your autos, you must inform the registration clerk that you have a fleet policy. The Nevada Department of Motor Vehicles will then issue a fleet number to you, the registered owner. You will then register all of your autos under this fleet number. The Nevada Department of Motor Vehicles will assign the fleet number to each of your license plate numbers.

Whenever you add or delete autos, you will register under this fleet number.

If your policy has any vehicles registered in a name other than the first named insured on your policy, you must report this immediately to your agent so the correct information is sent to the Nevada Department of Motor Vehicles. Each registered owner will be assigned their own fleet number.

Thank you for insuring with Travelers.

IMPORTANT NOTICE TO OUR INSUREDS

ADDITIONAL UNINSURED AND UNDERINSURED MOTORIST COVERAGE

We are required to notify all policyholders who may currently carry Uninsured and/or Underinsured Motorist Coverage limits in an amount less than their motor vehicle liability policy limits, or the maximum Uninsured or Underinsured Motorist Coverage limits available, of the purpose of Uninsured and Underinsured Motorist Coverages and the costs associated with increasing such coverages in amounts up to and including the maximum amount available by us under your motor vehicle policy.

Uninsured Motorist Coverage provides protection for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease or death. An uninsured motor vehicle is one which:

- does not have insurance; or
- has insurance, but is covered with liability limits lower than the required Financial Responsibility limits; or
- is a hit-and-run driver; or
- is covered by liability insurance, but coverage for the accident is disputed by the insurer for more than 60 days; or
- is insured, but the liability insurer of the vehicle is declared insolvent.

Underinsured Motorist Coverage provides protection for covered persons who are legally entitled to recover damages from owners or operators of underinsured motor vehicles because of bodily injury, sickness, disease or death. An underinsured motor vehicle is one which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

The costs associated with **increasing** your Uninsured Motorist Coverage and/or Underinsured Motorist Coverage limits are set forth below.

IMPORTANT PLEASE READ CAREFULLY

Dear Policyholder,

EXPLANATION OF STATUTORY UNINSURED MOTORISTS COVERAGE AND SUPPLEMENTARY UNINSURED/UNDERINSURED MOTORISTS COVERAGE

Statutory Uninsured Motorists Coverage is mandatory with respect to those "covered autos" principally garaged or principally used in New York State and cannot be rejected. It would not be applicable, however, to "covered autos" which are not principally garaged or principally used in New York State. Supplementary Uninsured/ Underinsured Motorists Coverage is optional, would apply to all "covered autos" and can be purchased subject to the terms and conditions as set forth below.

The following is an explanation of the notable differences between Statutory Uninsured Motorists Coverage and Supplementary Uninsured/Underinsured Motorists Coverage. This explanation is not intended to substitute for a complete review of both coverages. If there is any conflict between the policy and this explanation, the provisions of the policy apply.

Statutory Uninsured Motorists Coverage

With respect to "covered autos" principally garaged or principally used in New York State, Statutory Uninsured Motorists Coverage gives you, (and if you are an individual, a family member who lives with you), and someone in a "covered auto" you're operating, coverage for injuries that occur if you have a motor vehicle accident with a negligent motorist who has no insurance at all.

If someone is hurt by this type of motorist and does not die, your Statutory Uninsured Motorists Coverage provides up to $25,000 for each person injured, with a $50,000 maximum for each accident. And if someone dies, Statutory Uninsured Motorists Coverage provides up to $50,000 for each person who dies, with a $100,000 maximum for each accident resulting in the death of two or more people. These limits are the only limits available to you under Statutory Uninsured Motorists Coverage.

Statutory Uninsured Motorists Coverage will pay for injuries or death only if the motor vehicle accident happens in New York State and only if the "covered auto" which you were operating is principally garaged and principally used in New York State.

Supplementary Uninsured/Underinsured Motorists Coverage

Supplementary Uninsured/Underinsured Motorists Coverage ("SUM") protects you, (and if you are an individual, a family member who lives with you), and someone in any "covered auto" you are operating, if there is an accident with a negligent motorist who has no insurance and also, if there is an accident with a motor vehicle that does have bodily injury liability insurance, but its bodily injury liability insurance limits are less than the bodily injury liability insurance limits that you have on your motor vehicle.

SUM Coverage is offered with limits of $250,000 each person and $500,000 each accident (250/500) or a combined single limit of $500,000 each accident (500 CSL).

SUM Coverage may also be selected in limits greater than 250/500 or 500 CSL, up to Bodily Injury Policy Limits or less than 250/500 or 500 CSL, but not less than the limits, as required under the Statutory Coverage, of $25,000 each person/$50,000 each accident.

SUM Coverage applies if you have an accident either in the State of New York or out-of-state.

A policyholder should consider purchasing SUM coverage in order to protect against the possibility of an accident involving another motor vehicle whose owner or operator was negligent and who:

1. may have no insurance whatsoever; or
2. even if insured, is only insured for third-party bodily injury at relatively low liability limits, in comparison to the policyholder's own liability limits for bodily injury sustained by third-parties.

By purchasing SUM coverage, which cannot be purchased in an amount exceeding the amount of third-party liability coverage purchased, the policyholder and any insured under the policy can:

1. be protected for bodily injury to themselves, up to the limit of the SUM coverage purchased; and
2. receive from the policyholder's own insurer payment for bodily injury sustained due to the negligence of the other motor vehicle's owner or operator.

The maximum amount payable under the SUM coverage shall be the policy's SUM limit reduced and thus offset by motor vehicle bodily injury liability insurance policy or bond payments received from, or on behalf of, any negligent party involved in the accident.

Below are a few examples of how SUM coverage works:

Example One:

Insured's Bodily Injury Damages	$300,000
Insured's Liability Limit	$500,000
Insured's SUM Limit	$250,000
Other Motor Vehicle Liability Limit	$ 25,000

Result: In this example, the insured has purchased the maximum amount of SUM coverage that must be offered by the insurer provided that the insured has purchased bodily injury liability limits of at least $250,000. Insured recovers $25,000 from the negligent owner or operator of the other motor vehicle, and $225,000 ($250,000 minus $25,000) under the SUM coverage, for a total recovery of $250,000.

However, in the event that the negligent owner or operator of the other motor vehicle had no liability insurance at all, the insured would collect $250,000 in SUM coverage from the insured's own insurer.

But, if the owner or operator of the other motor vehicle was not negligent, the insured would receive no SUM payments.

Example Two:

Insured's Bodily Injury Damges	$100,000
Insured's Liability Limit	$ 25,000
Insured's SUM Limit	$ 25,000
Other Motor Vehicle Liability Limit	$ 25,000

Result: Insured recovers $25,000 from the negligent other motor vehicle owner or operator. But the insured receives nothing under the SUM coverage, which equals the mandatory uninsured motorists coverage, since the other owner or operator's vehicle did not have less liability insurance than the insured's vehicle. If the insured's liability and SUM limits were both $50,000 the insured would collect another $25,000 in SUM coverage from the insured's own insurer.

Example Three:

Insured's Bodily Injury Damages	$ 60,000
Insured's Liability Limit	$100,000
Insured's SUM Limit	$100,000
Other Motor Vehicle Liability Limit	$ 50,000

Result: Insured recovers $50,000 from the other negligent motor vehicle owner or operator and $10,000 under SUM coverage, which is the difference between the amount of the insured's SUM coverage and the liability coverage available from the other motor vehicle owner or operator, limited by the amount of the insured's bodily injury damages.

Example Four:

Insured's Bodily Injury Damages	$150,000
Insured's Liability Limit	$100,000
Insured's SUM Limit	$100,000
Other Motor Vehicle Liability Limit	$ 25,000

Result: Suppose the insured and the other motor vehicle owner or operator were each 50 percent at fault for the accident, then the insured's total recovery would be $75,000, in light of comparative negligence of the parties involved in the accident. The insured would recover $25,000 from the other negligent motor vehicle owner or operator and $50,000 under the SUM coverage.

On the other hand, if the other motor vehicle owner or operator was totally at fault for the accident, the insured would recover $25,000 from the negligent motor vehicle owner or operator and would then receive $75,000 in SUM coverage from the insured's own insurer. Had the insured purchased liability and SUM limits of $150,000 or more, the SUM recovery would be $125,000.

SAFETY IS YOUR CONCERN

U. S. companies spend billions of dollars each year on the direct and indirect costs of accidents. Dollar figures can't begin to reflect the pain and suffering of an injured person and his or her family. But they do give some indication of the multiple consequences of an accident... loss of time, interrupted productivity, damaged materials and equipment, possible legal action from government regulatory agencies, and increased insurance costs.

It makes good sense for both companies and their employees to actively participate in a sound accident prevention program. The success of such a program depends to a large extent on your commitment to safety procedures and accident prevention techniques. Safety is a management concern. Maybe we can help.

You may want to consider the following **"Safety Checkpoints"** as you evaluate your organization's safety activities:

SELF–INSPECTION PROGRAM:

- Do you conduct periodic surveys of premises, equipment and operations?
- Do you analyze each activity to determine inherent hazards?
- If you discover hazards, do you follow up with immediate corrective action?
- Do you monitor such action to make sure it is implemented and effective?

ACCIDENT INVESTIGATION:

- Do you investigate each accident and find the cause?
- Do you take immediate steps to prevent a recurrence?
- Do you keep records of accident investigations and follow-up measures?
- Do you complete accident statistics and analyze trends?

EDUCATION AND TRAINING:

- Do you take the time to train each of your employees to perform tasks in a proper and safe manner?
- Do more-experienced employees receive training to correct any bad habits that developed over time?
- Do all employees understand that safety is an important part of their jobs

Policy#XS000900(06)

You are hereby notified that under the Terrorism Risk Insurance Act of 2002, effective November 26, 2002, that you now have a right to purchase insurance coverage for losses arising out of acts of terrorism, *as defined in Section 102 (1) of the Act*: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States mission; and to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT COVERAGE PROVIDED FOR LOSSES CAUSED BY CERTIFIED ACTS OF TERRORISM IS PARTIALLY REIMBURSED BY THE UNITED STATES UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. UNDER THIS FORMULA, THE UNITED STATES PAYS 90% OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT. THE TERRORISM RISK INSURANCE ACT OF 2002 WILL EXPIRE ON DECEMBER 31, 2005, UNLESS CONGRESS ACTS TO EXTEND IT. IF TRIA IS NOT EXTENDED, OR IF IT IS EXTENDED WITH MODIFICATIONS THAT DO NOT REQUIRE INSURERS TO OFFER TERRORISM COVERAGE, TERRORISM COVERAGE WILL BE EXCLUDED FROM YOUR POLICY AFTER DECEMBER 31, 2005, WHERE PERMITTED BY LAW. IF CONGRESS EXTENDS THE TERRORISM RISK INSURANCE ACT OF 2002 IN ITS CURRENT FORM OR EXTENDS THE TERRORISM RISK INSURANCE ACT OF 2002 WITH MODIFICATIONS THAT DECREASE THE FEDERAL SHARE OF REIMBURSEMENT OR INCREASE THE INSURER DEDUCTIBLES, BUT STILL REQUIRE INSURERS TO OFFER TERRORISM COVERAGE, ADDITIONAL PREMIUM MAY BE CHARGED.

SELECTION OR REJECTION OF TERRORISM INSURANCE COVERAGE

YOU HAVE THIRTY (30) DAYS TO CONSIDER THIS OFFER OF COVERAGE FOR TERRORIST ACTS AND RETURN THIS STATEMENT. IF WE DO NOT RECEIVE THE NOTICE AND THE REQUIRED PREMIUM WHEN DUE, THE TERRORISM EXCLUSION WILL BE ATTACHED TO YOUR POLICY AND YOU WILL HAVE NO COVERAGE FOR LOSSES ARISING FROM ACTS OF TERRORISM, AS DEFINED BY THE ACT.

✓	I hereby elect to purchase coverage for acts of terrorism for a premium equal to: $ 16,843. The premium is due thirty (30) days after the date of the premium invoice.

Subject:
Commercial General Liability & Employee Benefits Liability Policy
Policy #: TC2J-GLSA-260T3317-TIL-06
Effective: January 1, 2006 – January 1, 2007

Dear Jim:

Attached is American Water Commercial General Liability & Employee Benefits Liability Policy written by St. Paul Travelers for the 1/1/06-1/1/07 policy period. Below is a summary of the coverage provided:

Commercial General Liability:	**Total General Aggregate Limit**	**$25,000,000**
	Personal & Advertising Injury Limit	**$ 1,000,000**
	Each Occurrence Limit	**$ 1,000,000**
	Damage to Premises Rented to You Limit	**$ 1,000,000**
	Medical Expense Limit	**$ 5,000**
Employee Benefits Liability:	**Aggregate Limit**	**$ 1,000,000**
	Each Employee Limit	**$ 1,000,000**

The GL section of this policy is written with an occurrence trigger whereby coverage exists for incidents occurring during the policy period. Please note that the Employee Benefits Liability portion of this policy is written on a claims-made basis. This coverage applies to any negligent act, error or omission of the insured, but only if a claim for damages because of the negligent act, error or omission is first made against any insured deemed to have been made when notice of such claim is received and recorded by any insured or by Travelers, whichever comes first. American Water has the further duty to notify Travelers of such a claim as soon as applicable. Failure to report an EBL claim to Travelers prior to the expiration of this policy will jeopardize coverage, subject to the provisions of the automatic and/or optional extended reporting periods detailed within the endorsement.

The limited pollution coverage afforded to American Water by this GL policy has strict reporting provisions. In order to comply with these provisions, the discharge, release or escape of pollutants must become known to American Water and be reported to Travelers in writing within thirty (30) days from its abrupt and unexpected commencement.

We have reviewed the policy and found it to be in good order. However, please note the following:

- **Liquor Liability Exclusion – Exception of Scheduled Activities - CG 29 02 and CG 21 51** – Both endorsements were listed on the binder. However, CG 29 02 is an all other states endorsement which is not a mandatory endorsement therefore it is not needed and was not listed on the policy. CG 21 51 is a mandatory endorsement for the states of MA, NH and NJ and is therefore listed on the policy.

Please review the entire policy for a complete understanding of all terms, conditions, amendments and exclusions of coverage. Within thirty (30) days following your receipt of this letter, please advise Marsh of anything which you believe is not in accordance with the negotiated coverage and terms.

If you have any additional questions, please do not hesitate to contact us.

This explanation of the reporting provisions of your policy has been provided in order to assist you in understanding and complying with the policy's requirements. In the event of a question or disagreement with your insurer concerning interpretation of the policy's reporting requirements as applied to the reporting of a specific claim, loss, occurrence, incident, offense or lawsuit, the actual policy wording, which is the contract between you and the insurer, and not Marsh's explanation of that language, will be controlling. Marsh is an insurance representative and does not provide legal advice. This explanation should not be relied upon as a legal interpretation of the policy provisions.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C**.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B**.

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part.       (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
   b. If a claim is made or "suit" is brought against any insured, you must:
      (1) Immediately record the specifics of the claim or "suit" and the date received; and
      (2) Notify us as soon as practicable.

      You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
   c. You and any other involved insured must:
      (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
      (2) Authorize us to obtain records and other information;
      (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
      (4) Assist us, upon our request, in the enforcement of any right against any person

or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

This insurance is excess over:

(1) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(b) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.

(2) Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured by attachment of an endorsement.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contrib-

ute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. **Premium Audit**

   a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

   b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

   c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations**

   By accepting this policy, you agree:

   a. The statements in the Declarations are accurate and complete;

   b. Those statements are based upon representations you made to us; and

   c. We have issued this policy in reliance upon your representations.

7. **Separation Of Insureds**

   Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

   a. As if each Named Insured were the only Named Insured; and

   b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**

   If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**

   If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

   If notice is mailed, proof of mailing will be sufficient proof of notice.

1. WHO IS AN INSURED – (Section II) is amended to include the person or organization shown in the Schedule above. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization. The person or organization is only an additional insured with respect to liability caused by "your work" for that additional insured at the location shown in the Schedule.
2. The insurance provided to the additional insured is limited as follows:

This endorsement shall not increase the limits stated in Section III – LIMITS OF INSURANCE.
   b) The insurance provided to the additional insured does not apply to "bodily injury", "property damage", "personal injury" or "advertising injury" arising out of an architect's, engineer's or surveyor's rendering of or failure to render any professional services including:

When this insurance is primary and there is other insurance available to the additional insured from any source, we will share with that other insurance by the method described in the policy.

5. As a condition of coverage, each additional insured must:

MINNESOTA CHANGES – CONTRACTUAL LIABILITY EXCLUSION AND SUPPLEMENTARY PAYMENTS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
OWNERS AND CONTRACTORS PROTECTIVE LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

A. Paragraph **2.b.** of **Exclusions** of Section **I – Coverage A – Bodily Injury And Property Damage Liability** is replaced by the following:

2. Exclusions

This insurance does not apply to:

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement.

B. Section **I – Supplementary Payments – Coverages A And B** is replaced by the following:

1. We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:

a. All expenses we incur.

b. Up to $250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.

c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $250 a day because of time off from work.

e. All costs taxed against the insured in the "suit".

f. Prejudgment interest awarded against the insured on that part of the judgment we pay.

g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

b. This insurance applies to such liability assumed by the insured;

c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears

to exist between the interests of the insured and the interests of the indemnitee;

e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and

f. The indemnitee:

(1) Agrees in writing to:

(a) Cooperate with us in the investigation, settlement or defense of the "suit";

(b) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";

(c) Notify any other insurer whose coverage is available to the indemnitee; and

(d) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

(2) Provides us with written authorization to:

(a) Obtain records and other information related to the "suit"; and

(b) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments.

Our obligation to defend an insured's indemnitee and to pay for attorneys fees and necessary litigation expenses as Supplementary Payments ends when:

a. We have used up the applicable limit of insurance in the payment of judgments or settlements; or

b. The conditions set forth above, or the terms of the agreement described in Paragraph **f.** above, are no longer met.

NEW YORK CHANGES – TRANSFER OF DUTIES WHEN A LIMIT OF INSURANCE IS USED UP

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following Condition is added to COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):

Transfer of Duties When a Limit of Insurance is Used Up.

a. If we conclude that, based on "occurrences," offenses, claims or "suits" which have been reported to us and to which this insurance may apply, the:

(1) General Aggregate Limit (other than the Products–Completed Operations Aggregate Limit);

(2) Products–Completed Operations Aggregate Limit;

(3) Personal and Advertising Injury Limit;

(4) Each Occurrence Limit; or

(5) Fire Damage Limit

is likely to be used up in the payment of judgments or settlements, we will notify the first Named Insured, in writing, to that effect.

b. When a limit of insurance described in paragraph a. above has actually been used up in the payment of judgments or settlements:

(1) We will notify the first Named Insured, in writing, as soon as practicable, that:

(a) Such a limit has actually been used up; and

(b) Our duty to defend "suits" seeking damages subject to that limit has also ended.

(2) We will initiate, and cooperate in, the transfer of control, to any appropriate insured, of all claims and "suits" seeking damages which are subject to that limit and which are reported to us before that limit is used up. That insured must cooperate in the transfer of control of said claims and "suits".

We agree to take such steps, as we deem appropriate, to avoid a default in, or continue the defense of, such "suits" until such transfer is completed, provided the appropriate insured is cooperating in completing such transfer.

We will take no action whatsoever with respect to any claim or "suit" seeking damages that would have been subject to that limit, had it not been used up, if the claim or "suit" is reported to us after that limit of insurance has been used up.

(3) The first Named Insured, and any other insured involved in a "suit" seeking damages subject to that limit, must arrange for the defense of such "suit" within such time period as agreed to between the appropriate insured and us. Absent any such agreement, arrangements for the defense of such "suit" must be made as soon as practicable.

c. The first Named Insured will reimburse us for expenses we incur in taking those steps we deem appropriate in accordance with paragraph b.(2) above.

The duty of the first Named Insured to reimburse us will begin on:

(1) The date on which the applicable limit of insurance is used up, if we sent notice in accordance with paragraph a. above; or

(2) The date on which we sent notice in accordance with paragraph b.(1) above, if we did not send notice in accordance with paragraph a. above.

d. The exhaustion of any limit of insurance by the payments of judgments or settlements, and the resulting end of our duty to defend, will not be affected by our failure to comply with any of the provisions of this Condition.

EMPLOYEE BENEFITS LIABILITY COVERAGE FORM

THIS FORM PROVIDES CLAIMS MADE COVERAGE. PLEASE READ THE ENTIRE FORM CAREFULLY.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

The word "insured" means any person or organization qualifying as such under SECTION II – WHO IS AN INSURED.

Other words and phrases that appear in quotation marks have special meaning. Refer to SECTION VII – DEFINITIONS.

SECTION I – EMPLOYEE BENEFITS LIABILITY COVERAGE

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of any negligent act, error, or omission of the insured, or of any other person for whose acts the insured is legally liable. The negligent act, error, or omission must be committed in the "administration" of your "employee benefit program." No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under SUPPLEMENTARY PAYMENTS. This insurance does not apply to any negligent act, error, or omission which occurred before the Retroactive Date, if any, shown in the Declarations or which occurs after the policy expires. The negligent act, error or omission must take place in the "coverage territory." We will have the right and duty to defend any "suit" seeking those damages. But:

(1) The amount we will pay for damages is limited as described in SECTION III – LIMITS OF INSURANCE:

(2) We may at our discretion, investigate any report of a negligent act, error or omission and settle any claim or "suit" that may result: and

(3) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements.

b. This insurance applies to any negligent act, error or omission of the insured, but only if a claim for damages because of the negligent act, error or omission is first made against any insured during the policy period.

(1) A claim by a person or organization seeking damages will be deemed to have been made when notice of such claim is received and recorded by any insured or by us, whichever comes first.

(2) All claims for damages sustained by any one employee, including the employee's dependents and beneficiaries, will be deemed to have been made at the time the first of those claims is made against any insured.

2. Exclusions

This insurance does not apply to:

a. Loss arising out of any dishonest, fraudulent, criminal or malicious act or omission, committed by any insured;

b. "Bodily injury" or "property damage" or "personal injury";

c. Loss arising out of failure of performance of contract by any insured;

d. Loss arising out of an insufficiency of funds to meet any obligations under any plan included in the "employee benefit program";

e. Any claim or suit based upon:

(1) failure of any investment to perform as represented by any insured, or

(2) advice given to any person to participate or not to participate in any plan included in the "employee benefit program";

f. Loss arising out of your failure to comply with the mandatory provisions of any law concerning workers' compensation, unemployment insurance, social security or disability benefits;

g. Loss for which the insured is liable because of liability imposed on a fiduciary by the Employee Retirement Security Act of 1974, as now or hereafter amended; or

h. Loss or damage for which benefits have accrued under the terms of an employee benefit plan to the extent that such benefits are available from funds accrued by the insured for such benefits or from collectible insurance, notwithstanding the insured's act, error or omission in administering the plan which precluded the claimant from receiving such benefits.

3. **Supplementary Payments**

We will pay, with respect to any claim or "suit" we defend:

a. All expenses we incur.

b. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

c. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit," including actual loss of earnings up to $100 a day because of time off from work.

d. All costs taxed against the insured in the "suit."

e. Pre-judgment interest awarded against the insured on that part of the judgment we pay. If we made an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

f. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

SECTION II – WHO IS AN INSURED

1. If you are designated in the Declarations as:

a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

b. A partnership or joint venture, you are an insured.

c. An organization other than a partnership or joint venture, you are an insured. Your directors and stockholders are also insureds, but only with respect to their liability as your directors or stockholders.

2. Each of the following is also an insured:

a. Each of your partners, executive officers and employees who is authorized to administer your "employee benefit program."

b. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. Any organization you newly acquire or form, other than a partnership or joint venture, and over which you maintain ownership or majority interest, will be deemed to be a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only until the 90th day after you acquire, or form the organization or the end of the policy period, whichever is earlier:

b. Coverage under this provision does not apply to any negligent act, error or omission that occurred before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership or joint venture that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought;

c. Persons or organizations making claims or bringing "suits."

d. Acts, errors or omissions which result in loss; or

e. Plans included in your "employee benefit program";

2. The Aggregate Limit is the most we will pay for all damages because of acts, errors or omissions committed in the "administration" of your "employee benefit program."

3. Subject to the Aggregate Limit, the Each Employee Limit is the most we will pay for all damages sustained by any one employee, including the employee's dependents and beneficiaries, because of acts, errors or omissions committed in the "administration" of your "employee benefit program."

The limits of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – DEDUCTIBLE

1. Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of the deductible amount stated in Item 6 of the Declarations as applicable to "Each Employee." The limits of insurance applicable to "Each Employee" will be reduced by the amount of this deductible. The Aggregate limit shall not be reduced by the application of such deductible amount.

2. The deductible amount stated in the Declarations applies to all damages sustained by an employee because of an act, error or omission covered by this insurance.

3. The terms of this insurance, including those with respect to:

   a. Our right and duty to defend any "suits" seeking those damages; and

   b. Your duties in the event of an act, error or omission claim, or suit apply irrespective of the application of the deductible amount.

4. We may pay any part or all of the deductible amount to effect settlement of any claim or suit and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as has been paid by us.

SECTION V – EMPLOYEE BENEFITS LIABILITY CONDITIONS

1. **Bankruptcy.**

   Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. **Duties In the Event Of Act, Error or Omission, Claim or Suit.**

   a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a claim. Notice should include:

      (1) What the act, error or omission was and when it occurred.

      (2) The names and addresses of any employees who may suffer damages as a result of the act, error or omission.

      Notice of an act, error or omission is not notice of a claim.

   b. If a claim is received by any insured you must:

      (1) Immediately record the specifics of the claim and the date received; and

      (2) Notify us as soon as practicable.

      You must see to it that we receive written notice of the claim as soon as practicable.

   c. You and any other involved insured must:

      (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or a "suit";

      (2) Authorize us to obtain records and other information;

      (3) Cooperate with us in the investigation, settlement or defense of the claim or "suit"; and

      (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of damage to which this insurance may also apply.

   d. No insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

3. **Legal Action Against Us.**

   No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. **Other Insurance.**

If other valid and collectible insurance is available to the insured for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance.

This insurance is primary except when paragraph 4. of Section VI – Extended Reporting Periods applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in b. below.

b. Method of Sharing.

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. **Premium Audit.**

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period.

Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations.**

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. **Separation of Insureds.**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against who claim is made or "suit" is brought.

8. **Transfer of Rights of Recovery Against Others To Us.**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **Cancellation, Non-renewal, Renewal and Reduction or Deletion of Coverage:**

The following conditions also apply to this Coverage Part:

All conditions relating to cancellation, non-renewal, renewal, and reduction or deletion of coverage which would apply to a Commercial General Liability Coverage Part attached to this policy.

SECTION VI – EXTENDED REPORTING PERIODS

1. We will provide an automatic Extended Reporting Period as described in paragraph 3. or, if you

purchase it, an Extended Reporting Period Endorsement as described in paragraph 4, only if:

a. This Coverage Part is cancelled or not renewed for any reason; or

b. We renew or replace this Coverage Part with other insurance that has a Retroactive Date later than the one shown in this Coverage Part's Declarations.

2. If we provide an Extended Reporting Period, the following is added to paragraph 1.b. of INSURING AGREEMENT – SECTION I:

(3) A claim first made during the Extended Reporting Period will be deemed to have been made on the last day of the policy period provided that the claim is for damages because of an act, error or omission that occurred before the end of the policy period of this policy (but not before any applicable Retroactive Date).

The Extended Reporting Period will not reinstate or increase the Limits of Insurance or extend the policy period.

3. The automatic Extended Reporting Period will be for 60 days, starting with the end of the policy period of this policy.

This automatic Extended Reporting Period applies only if no subsequent insurance you purchase applies to the claim, or would apply but for the exhaustion of its applicable limit of insurance.

This automatic Extended Reporting Period may not be cancelled.

4. If you purchase the optional Extended Reporting Period Endorsement, the Extended Reporting Period will be for one year, starting with the end of the policy period of this policy. We will issue that Endorsement if the first Named Insured shown in the Declarations:

PROVISIONS

On November 26, 2002, the President of the United States signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). The Act establishes a short-term program under which the Federal Government will share in the payment of *"Insured Losses"* caused by certain *"Acts of Terrorism"* (each as defined in the Act).

In the event of an *Insured Loss,* each *"Insurer"* (as defined in the Act) is responsible for a deductible of one percent (1%) of its *"Direct Earned Premium"* (as used in the Act) for the calendar year 2001 for *Insured Losses* occurring from November 26, 2002 through December 31, 2002; seven percent (7%) of its *Direct Earned Premium* for the calendar year 2002 for *Insured Losses* occurring during calendar year 2003; ten percent (10%) of its *Direct Earned Premium* for the calendar year 2003 for *Insured Losses* occurring during calendar year 2004; or fifteen percent (15%) of its *Direct Earned Premium* for the calendar year 2004 for *Insured Losses* occurring during calendar year 2005. The Federal Government's share of compensation for *Insured Losses* in each year is 90% of the amount of *Insured Losses* in excess of each *Insurer's* deductible for that year. The *Insurer* is responsible for the payment of the remaining 10% of *Insured Losses.* In no event, however, will the Federal Government or any *Insurer* be required to pay any portion of the amount of aggregate *Insured Losses* occurring in any one year that exceeds $100,000,000,000, provided that such *Insurer* has met its deductible.

As a requirement of the Act, *Insurers* must make available *"Property and Casualty Insurance"* (as defined in the Act) coverage for *Insured Losses* that does not differ materially from the terms, amounts and other coverage limitations that apply to losses arising from events other than *Acts of Terrorism.* In other words, a loss will not be excluded just because it was caused by an *Act of Terrorism;* conversely, a loss will not be covered just because it was caused by an *Act of Terrorism.* The Act also requires *Insurers* to disclose to policyholders the premium charge for providing such terrorism coverage.

Please note that this Coverage Part does not contain an exclusion that specifically excludes coverage for *Insured Losses.* The charge for this exposure is included in the Coverage Part premium indicated in your policy. The charge that has been included for this Coverage Part is:

- **1% of each applicable Commercial Liability Coverage premium.**

1. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation stating a future date on which the policy is to be cancelled, subject to the following:

a. If only the interest of the first Named Insured is affected, the effective date of cancellation will be either the date we receive notice from the first Named Insured or the date specified in the notice, whichever is later. However, upon receiving a written notice of cancellation from the first Named Insured, we may waive the requirement that the notice state the future date of cancellation, by confirming the date and time of cancellation in writing to the first Named Insured.

b. If by statute, regulation or contract this policy may not be cancelled unless notice is given to a governmental agency, mortgagee or other third party, we will mail or deliver at least 10 days notice to the first Named Insured and the third party as soon as practicable after receiving the first Named Insured's request for cancellation.

Calculation of the return premium at less than pro rata represents a penalty charged on unearned premium.

d. If the first Named Insured cancels, the refund may be less than pro rata.

e. The cancellation will be effective even if we have not made or offered a refund.

Except as applicable as described in Paragraph **D.** below, we will mail or deliver notice at least:

3. If we elect to rescind this policy, we will notify the first Named Insured of our intention within 60 days after acquiring knowledge of sufficient facts to constitute grounds for rescission.

D. The following are added and supersede any other provisions to the contrary:

1. **Nonrenewal**

a. If we elect not to renew this policy we will mail or deliver written notice of nonrenewal to the first Named Insured's last mailing address known to us. (1) You have insured elsewhere;

(2) You have accepted replacement coverage;

(3) You have requested or agreed to nonrenewal of this policy; or

c. If you fail to pay the renewal or continuation premium by the premium due date, this policy will terminate on the policy expiration or anniversary date, if we have:

If this policy is written for a term of more than one year or has no fixed expiration date, we may alter the terms or premiums of this policy by mailing or delivering written notice of less favorable terms or premiums to the first Named Insured's last mailing address known to us. We will mail, by first class mail, or deliver this notice at least 60 days prior to the anniversary date.

If we notify the first Named Insured within 60 days prior to the anniversary date, the new terms or premiums will not take effect until 60 days after the notice was mailed or delivered. The notice will include a statement of the first Named Insured's right to cancel. The first Named Insured may elect to cancel the policy at any time during the 60-day period, in accordance with Paragraph **1.** of the Cancellation Common Policy Condition. If the first Named Insured elects to cancel the renewal policy during the 60-day period, return premiums or additional premium charges will be calculated proportionately on the basis of the old premiums.

We need not mail or deliver this notice if the only change adverse to you is a premium increase that:

a. Is less than 25% and is generally applicable to the class of business to which this policy belongs; or

b. Results from a change based on your action that alters the nature or extent of the risk insured against, including but not limited to a change in the classification or the units of exposure, or increased policy coverage.

SAFETY IS YOUR CONCERN

U. S. companies spend billions of dollars each year on the direct and indirect costs of accidents. Dollar figures can't begin to reflect the pain and suffering of an injured person and his or her family. But they do give some indication of the multiple consequences of an accident... loss of time, interrupted productivity, damaged materials and equipment, possible legal action from government regulatory agencies, and increased insurance costs.

It makes good sense for both companies and their employees to actively participate in a sound accident prevention program. The success of such a program depends to a large extent on your commitment to safety procedures and accident prevention techniques. Safety is a management concern. Maybe we can help.

You may want to consider the following **"Safety Checkpoints"** as you evaluate your organization's safety activities:

SELF-INSPECTION PROGRAM:

- Do you conduct periodic surveys of premises, equipment and operations?
- Do you analyze each activity to determine inherent hazards?
- If you discover hazards, do you follow up with immediate corrective action?
- Do you monitor such action to make sure it is implemented and effective?

ACCIDENT INVESTIGATION:

- Do you investigate each accident and find the cause?
- Do you take immediate steps to prevent a recurrence?
- Do you keep records of accident investigations and follow-up measures?
- Do you complete accident statistics and analyze trends?

EDUCATION AND TRAINING:

- Do you take the time to train each of your employees to perform tasks in a proper and safe manner?
- Do more-experienced employees receive training to correct any bad habits that developed over time?
- Do all employees understand that safety is an important part of their jobs?

EMPLOYMENT PRACTICES LIABILITY INSURANCE
CLAIMS MADE AND REPORTED

NOTICE: This Coverage is Provided on a Claims Made and Reported Basis. Except to such extent as may otherwise be provided herein, the coverage afforded under this insurance policy is limited to liability for only those covered **Claims** that are first made against an Insured and reported to us (in accordance with the provisions regarding notice) while the insurance is in force. The **LIMIT OF LIABILITY** shall be reduced and may be completely exhausted by payment of **Defense Costs**. Please review the coverage afforded under this insurance policy carefully and discuss the coverage hereunder with your insurance agent or broker.

In consideration of the payment of Premium, this policy covers **Discrimination, Harassment, Retaliation, Inappropriate Employment Conduct** and/or, if purchased, **Inappropriate Third Party Conduct** liability within the terms, conditions, limitations and exclusions set forth in this policy. It has been issued in reliance upon all statements made to us in the **Application** and any attachments and all other information provided to us. The **Application** is incorporated herein and forms a part of this policy.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations.

Under this policy the words "we", "us" and "our" refer to the Insurer providing this insurance.

The word "Insured" means any person or organization qualifying as such under **WHO IS INSURED.**

READ THIS POLICY CAREFULLY TO DETERMINE THE EXTENT OF COVERAGE. IMPORTANT: THIS IS A CLAIMS FIRST MADE AND REPORTED POLICY THAT INCLUDES DEFENSE COSTS WITHIN THE LIMIT OF LIABILITY.

I. COVERAGE: WHAT IS COVERED

A. We will pay **Loss** amounts that an Insured is legally obligated to pay on account of a **Claim** because of an **Insured Event**, provided such **Claim** is first made during the Policy Period or, if applicable, the Extended Reporting Period, and reported in writing to us as soon as practicable but in no event later than sixty (60) days after any Insured who is a principal, partner, officer, director, trustee, in-house counsel, **Employee(s)** within the Human Resources or Risk Management department or **Employee(s)** with personnel and risk management responsibilities, becomes aware that a **Claim** has been made. Without negating the foregoing requirements, such notice of **Claim** must also be reported no later than sixty (60) days after the end of the Policy Period or, if applicable, the Extended Reporting Period. The amount we will pay is limited as described in the **LIMIT OF LIABILITY** and **SELF INSURED RETENTION** sections of this policy.

B. If the Declarations Page indicates that the Insured purchased coverage for **Inappropriate Third Party Conduct**, then we will pay **Loss** amounts that an Insured is legally obligated to pay on account of a **Claim** because of a **Third Party Insured Event**, provided such **Claim** is first made during the Policy Period or, if applicable, the Extended Reporting Period, and reported in writing to us as soon as practicable but in no event later than sixty (60) days after any Insured who is a principal, partner, officer, director, trustee, in-house counsel, **Employee(s)** within the Human Resources or Risk Management department or **Employee(s)** with personnel and risk management responsibilities, becomes aware that a **Claim** has been made. Refer to Section VIII.A. for full details of your duties in the event of a **Claim**. However, the amount we will pay is limited as described in the **LIMIT OF LIABILITY** and **SELF INSURED RETENTION** sections of this policy.

C. This policy applies only if:

1. A **Claim** is first made against an Insured in accordance with **WHEN COVERAGE IS PROVIDED**;

2. The **Claim** is first reported in accordance with **WHEN COVERAGE IS PROVIDED** and **CONDITIONS** section **VIII.A** Duties in the event of a **Claim**; and

3. A **Claim** is first made against an Insured in accordance with **WHERE COVERAGE IS PROVIDED**.

D. Defense. We have the right and duty to defend any **Claim** for an **Insured Event** or, if purchased, a **Third Party Insured Event** made or brought against any Insured to which this policy applies. We will give consideration to your preference for defense counsel; however the final decision rests with us. We have no duty to provide other services or take other actions. Our duty to defend any **Claim** ends when the **LIMIT OF LIABILITY** that applies has been exhausted, and in such event, the Named Insured shall, upon notice from us, promptly take over control of the defense.

We have the right to investigate and to settle any **Claim** for an **Insured Event** or, if purchased, a **Third Party Insured Event**, in the manner and to the extent that we believe is proper, contingent upon the consent of the Named Insured as defined in this policy. This includes the right to agree to post a notice of compliance, provided such notice does not contain an admission of liability.

You may take over control of any outstanding **Claim** previously reported to us only if we both agree that you should, if required under law or if a court orders you to do so.

If your **LIMIT OF LIABILITY** is exhausted, we will notify you of all outstanding **Claims** so that you can take over control of their defense. We will help to transfer control to you.

E. During the transfer of control. We agree to take whatever steps are necessary to continue the defense of any outstanding **Claim** and avoid a default judgment during the

transfer of control to you. If we do so, you agree to pay reasonable expenses that we incur for taking such steps after the **LIMIT OF LIABILITY** is exhausted.

F. **Duty to pay.** We have the duty to pay any **Loss** that results from any **Claim** for an **Insured Event** or, if purchased, a **Third Party Insured Event** made or brought against any Insured to which this policy applies. Our duty to pay ends when the applicable **LIMIT OF LIABILITY** has been exhausted. We will not pay more than the applicable **LIMIT OF LIABILITY**.

We have no duty to recognize or pay **Defense Costs** incurred without our prior consent. Any payment of **Defense Costs** is included in the **LIMIT OF LIABILITY**; it is not in addition to the **LIMIT OF LIABILITY**.

G. **Recommended Settlements.** As respects any **Claim** for which we recommend that a settlement offer be accepted but you do not give your consent to such settlement, and the **Claim** later results in a judgment or settlement in excess of the recommended settlement, our liability for **Loss** on account of such **Claim** shall not exceed: 1) the recommended settlement amount plus **Defense Costs** incurred as of the date we recommended the settlement; plus 2) 70% of covered **Loss** excess of the recommended settlement (subject to the **LIMIT OF LIABILITY**) so long as 30% of such excess is borne by the Insured at its own risk and uninsured. This provision shall not apply unless the total **Loss**, including the recommended settlement, would exceed the applicable Retention amount.

II. EXCLUSIONS: WHAT IS NOT COVERED

A. **Worker's Compensation/ERISA/FLSA/NLRA/WARN/COBRA/OSHA.** This policy does not cover any **Loss** arising out of any **Claim** alleging violation of any: i) worker's compensation, disability benefits or unemployment compensation law, social security and other employment benefits law; ii) the Employee Retirement Income Security Act of 1974 Public Law 93-406; iii) the Fair Labor Standards Act of 1938 (except the Equal Pay Act); (iv) the National Labor Relations Act; (v) the Worker Adjustment and Retraining Notification Act, Public Law 100-379 (1988); (vi) the Consolidated Omnibus Budget Reconciliation Act of 1985; (vii) the Occupational Safety and Health Act of 1970 (29 U.S.C. 651, et seq.); (viii) any statute, law or regulation similar to any statute, law or regulation described in (i) through (vii) of this exclusion; or (ix) any amendments to or regulations promulgated under any statute, law or regulation described in (i) through (vii) of this exclusion; provided, however, this exclusion shall not apply to any **Claim** for **Retaliation**.

B. **Contractual Liability.** This policy does not cover any **Loss** based upon, arising out of, directly or indirectly in connection with, related to, or in any way involving any **Claim** any Insured is obligated to pay by reason of the assumption of another's liability for an **Insured Event** or, if purchased, a **Third Party Insured Event** in a contract or agreement. This exclusion will not apply to liability for damages because of an **Insured Event** or, if purchased, a **Third Party Insured Event** that any Insured would have without the

contract or agreement. This policy also does not cover any **Claims** for liability under any agreement governing the terms of the labor or service of an **Independent Contractor**, temporary worker or leased **Employee**.

C. **Strikes and Lockouts.** This policy does not cover any **Loss** based upon, arising out of, directly or indirectly in connection with, related to, or in any way involving any **Claim** arising out of a lockout, strike, picket line, replacement or other similar actions resulting from labor disputes, collective bargaining agreements or labor negotiations.

D. **Consequential Loss.** This policy does not cover any **Loss** resulting from or attributable to any allegations made by or solely for the benefit of a claimant's domestic partner, spouse, child, parent, brother or sister.

E. **Wage and Hour Law.** This policy does not cover any **Loss** arising out of a **Claim** alleging violation of any **Wage and Hour Law**, however, in the event such **Claim** also alleges an **Insured Event** otherwise covered by this policy, notwithstanding the provisions of section I.D. Defense, and subject to all other terms, conditions and exclusions contained in this policy, we agree to pay **Loss** solely for that portion of the **Claim** involving such **Insured Event**.

F. **Fraud and Collusion.** This policy does not cover any **Loss** based upon, arising out of, directly or indirectly in connection with, related to, or in any way involving any **Claim** alleging fraud or collusion by an Insured. Without limiting the foregoing, we will pay **Defense Costs** incurred relating to allegations of fraud and collusion to defend an innocent Insured named in such **Claim** so long as such **Claim** also contains allegations against that innocent Insured involving an **Insured Event** or, if purchased, a **Third Party Insured Event** otherwise covered by this policy.

G. **Price Discrimination.** This policy does not cover any **Loss** for **Inappropriate Third Party Conduct** alleging price discrimination, or other violation of any antitrust or unfair trade practices law.

H. **Prior Knowledge.** This policy does not cover any **Loss** arising out of **Insured Events** or, if purchased, **Third Party Insured Events** of which any Insured who is a principal, partner, officer, director, trustee, in-house counsel, **Employee(s)** within the HR or Risk Management department or **Employee(s)** with personnel and risk management responsibilities was aware by actual knowledge of the facts or circumstances of such **Insured Events** or, if purchased, a **Third Party Insured Event** prior to the Prior Knowledge Date, as shown in the Declarations.

I. **Prior Notice.** This policy does not cover any **Loss** arising out of **Insured Events** or, if purchased, **Third Party Insured Events** that have been the subject of any notice given under any other policy prior to the inception date of this policy.

J. **Property Damage/Bodily Injury.** This policy does not cover any **Loss** for damage to, or destruction of, loss of, or loss of use of any tangible property; or for or arising out of bodily injury, sickness, disease or death or any person; provided; however, that this exclusion shall not apply to that portion of a **Claim** for an **Insured Event** or, if purchased, a **Third Party Insured Event**, seeking **Loss** for emotional distress, loss of reputation, mental anguish, or humiliation otherwise covered by this policy.

III. WHEN COVERAGE IS PROVIDED

A. **Claims** are considered to be first made on the date the **Claim** is first commenced by the claimant and not the date any Insured is served or first receives notice of a **Claim**.

All **Claims** because of **One Insured Event** or, if purchased **One Third Party Insured Event**, will be considered to have been made on the date that the first of those **Claims** was first made.

B. Extended Reporting Period. If you or we non-renew this policy or if we cancel this policy, an Extended Reporting Period equal to the period of time set forth in Item 11(b) of the Declarations can be added by means of an Extended Reporting Period Endorsement along with the payment of the additional Premium set forth in Item 11(a) of the Declarations.

The Extended Reporting Period Endorsement will not be issued unless we receive a written request for it within thirty (30) days after this policy is cancelled or non-renewed, nor will it take effect unless the additional Premium is paid within thirty (30) days after this policy is cancelled or non-renewed. Once that Premium is paid the endorsement may not be cancelled and the additional Premium will be fully earned.

Different renewal Premium or Self Insured Retention or Limits of Liability or changes in policy language shall not constitute non-renewal by us.

However, the Extended Reporting Period will not apply to any **Claim** if other insurance you buy covers you or would cover you if its limits of coverage had not been exhausted.

Coverage under the Extended Reporting Period is with respect to **Claims** first made against an Insured during the Extended Reporting Period and first reported by an Insured in accordance with Section VIII.A.1., provided always that **Claims** reported during the Extended Reported Period are limited to **Insured Events** or, if purchased, **Third Party Insured Events** which happen before the original Policy Period ends by either cancellation or non-renewal and which are otherwise covered by this policy.

The **LIMIT OF LIABILITY** that applies at the end of the Policy Period is not renewed or increased and the Limits, as shown in the Declarations, shall not be increased in any way by the addition of the Extended Reporting Period, if purchased.

C. If, during the Policy Period, any of the following changes occur:

1. the acquisition of an Insured, or of all or substantially all of its assets, by another entity, or the merger or consolidation of an Insured into or with another entity such that the Insured is not the surviving entity; or

2. the obtaining by any person, entity or affiliated group of persons or entities of the right to elect, appoint or designate over fifty percent (50%) of the directors of an Insured;

coverage under this policy will continue in full force and effect with respect to **Claims** for **Insured Events** or, if purchased, **Third Party Insured Events** committed before such change, but coverage will cease with respect to **Claims** for **Insured Events** or, if purchased, **Third Party Insured Events** committed after such change. After any such change, this policy may not be cancelled, regardless of **CONDITIONS** section **VIII.E** Cancellation, and the entire Premium for the policy will be deemed fully earned.

IV. WHERE COVERAGE IS PROVIDED

This policy covers **Claims** for **Insured Events** or, if purchased, **Third Party Insured Events** that happen anywhere in the world.

V. WHO IS INSURED

A. Individual. If you are shown in the Declarations as an individual, you and your spouse are Insureds but only for the conduct of a business of which you are the sole owner.

B. Corporation. If you are shown in the Declarations as a corporation or organization other than a partnership or joint venture, you are an Insured. Your stockholders are also Insureds, but only with respect to their liability as your stockholders.

C. Partnership or Joint Venture. If you are shown in the Declarations as a partnership or joint venture, you are an Insured. Your partners or co-venturers and their spouses are also Insureds, but only for the conduct of your business.

However, no person nor organization is covered for the conduct of any current or past partnership or joint venture not named in the Declarations.

D. Employees. Your **Employees**, executive officers, directors and your trustees are Insureds. Your **Employee's** status as an Insured will be determined as of the date of the **Discrimination**, **Harassment**, **Retaliation**, **Inappropriate Employment Conduct** and/or, if purchased, **Inappropriate Third Party Conduct**, which caused an **Insured Event** or, if purchased, a **Third Party Insured Event**.

E. Mergers and Acquisitions. Any organization that you newly acquire, form or merge with while this policy is in effect that has less than 20% of the total number of your **Employees**

as of the inception date of this policy shall be an Insured at the time of such acquisition, merger or formation if you own at least fifty one percent (51%) of it. Within thirty (30) days prior to the expiration of the policy, the Insured shall give us written notice as to all such organizations. If you acquire, form or merge with any organization that has more than 20% of the total number of your **Employees** as of the inception date of this policy, such organization is also an Insured if you own at least fifty one (51%) of it; provided, however, no such organization is covered for more than forty five (45) days or the remainder of the Policy Period, whichever is less, from the date acquired, merged or formed unless we agree to cover such acquisition or newly formed organization within such forty five (45) day period in consideration of an additional Premium to be determined by us. Notwithstanding the foregoing, any acquired or formed organization is neither covered for **Loss** that results from an **Insured Event** or, if purchased, a **Third Party Insured Event** that happened or first commenced before the Insured acquired or formed it; nor for **Loss** covered under any other insurance.

This provision does not apply to a partnership or joint venture. Nor does it apply to any organization once it is shown in the Declarations of this policy.

VI. LIMIT OF LIABILITY

A. The amount shown at Item 4(a) in the Declarations is the most we will pay for **Claims** first made or brought during the Policy Period for **Loss** that results from any **One Insured Event** regardless of the number of **Claims**.

B. The amount shown at Item 4(b) in the Declarations is the most we will pay for **Claims** first made or brought during the Policy Period for **Loss** that results from any **One Third Party Insured Event**, regardless of the number of **Claims**.

C. The amount shown at Item 4(c) in the Declarations is the Additional Defense Limit we will pay for **Defense Costs** incurred in the defense of **Claims**. **Defense Costs** shall apply first to and reduce the Additional Defense Limit which shall be in addition to, and not part of, the Aggregate Limit of Liability. The Additional Defense Limit is applicable to **Defense Costs** only and upon exhaustion of the Additional Defense Limit, **Defense Costs** incurred thereafter shall be part of and not in addition to the Aggregate Limit of Liability and payment of **Defense Costs** reduces and may exhaust the Aggregate Limit of Liability. Notwithstanding the foregoing, if the Aggregate Limit of Liability is exhausted by the payment of **Loss**, other than **Defense Costs**, or tendered to the Named Insured, the Additional Defense Limit shall also be deemed exhausted and no further **Defense Costs** will be paid.

D. The amount shown at Item 4(d) in the Declarations is the most we will pay for the combined total of all **Claims** first made or brought during the Policy Period for **Loss** that results from all **Insured Events** and **Third Party Insured Events** including **Defense Costs** incurred after the Additional Defense Limit has been exhausted.

If this Policy Period is extended, the Limits, as shown in the Declarations shall not in any way increase. For purposes of the **LIMIT OF LIABILITY,** any policy extension is considered to be part of and not in addition to the former Policy Period.

VII. SELF INSURED RETENTION

Our obligation to pay under this policy applies only to the amount of **Loss** in excess of any Self Insured Retention amount, as shown in the Declarations, and the **LIMIT OF LIABILITY** will not be reduced by the amount of such Self Insured Retention.

The Self Insured Retention amount will apply separately to each **Claim** made, however, it will only apply once to all **Claims** arising out of any **One Insured Event** or, if purchased, any **One Third Party Insured Event** regardless of the number of claimants who allege damages.

VIII. CONDITIONS

We have no duty to provide coverage under this policy unless there has been full compliance with all the conditions contained in this policy.

A. Duties in the event of a Claim

1. You must see to it that we or our Authorized Representatives, as shown in the Declarations, receive notice in writing as soon as practicable, but in no event more than sixty (60) days after any Insured who is a principal, partner, officer, director, trustee, in-house counsel, **Employee(s)** within the HR or Risk Management department or **Employee(s)** with personnel and risk management responsibilities, becomes aware that a **Claim** has been made. Without negating the foregoing requirements, such notice of **Claim** must also be reported no later than sixty (60) days after the end of the Policy Period or, if applicable, the Extended Reporting Period. Your notification should include:

   (a) The identity of the person(s) alleging **Discrimination**, **Harassment**, **Retaliation**, **Inappropriate Employment Conduct** and/or, if purchased, **Inappropriate Third Party Conduct**;

   (b) the identity of any Insured(s) who allegedly committed the **Discrimination**, **Harassment**, **Retaliation**, **Inappropriate Employment Conduct** and/or, if purchased, **Inappropriate Third Party Conduct**;

   (c) the identity of any witnesses to the alleged **Discrimination**, **Harassment**, **Retaliation**, **Inappropriate Employment Conduct** and/or, if purchased, **Inappropriate Third Party Conduct**; and

   (d) the date(s) an **Insured Event** or, if purchased, a **Third Party Insured Event** took place.

2. You and any other Insured must:

   (a) immediately send us or our Authorized Representatives, as shown in the Declarations, copies of any demands, notices, summonses or legal papers received in connection with the **Claim**;

   (b) authorize us or our Authorized Representatives, as shown in the Declarations, to obtain statements, records and other information;

   (c) co-operate with us or our Authorized Representatives, as shown in the Declarations, in the investigation or defense of the **Claim**; and

   (d) assist us or our Authorized Representatives, as shown in the Declarations, in the enforcement of any right against any person or organization which may be liable to an Insured because of **Loss** to which this policy may also apply.

3. No Insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent. Subsequent payments that are deemed by us as having been prejudiced by any such voluntary payment will also be the sole responsibility of the Insured.

   We have no liability to pay costs that you incur prior to providing notice in accordance with this Section, nor shall any such costs be permitted to erode the Self-Insured Retention that may be applicable.

B. Report of a Potential Claim

Solely at an Insured's option, an Insured may within the Policy Period report an oral complaint:

1. by an **Employee**, former **Employee** or applicant for employment alleging **Discrimination**, **Harassment** and/or **Inappropriate Employment Conduct**; or

2. by a natural person who is not an **Employee** of any Insured alleging **Inappropriate Third Party Conduct**.

If such report is received by us or our Authorized Representatives, as shown in the Declarations, within the Policy Period then any **Claim** subsequently arising from such oral complaint will be deemed to be made on the date such report was received. Such report must include the identity of the person(s) making the oral complaint.

In the event a matter that was previously reported to us in accordance with this Section VIII. B. becomes a **Claim** for which you seek coverage under this policy, you must report such **Claim** in accordance with Section VIII. A. above, even if you have previously reported in connection with this Section VIII. B.

In respect of potential claims, costs incurred prior to notice in accordance with this policy will not be applied against the Self-Insured Retention, nor shall we have any obligation to pay such pre-notice costs that might otherwise be covered by the policy.

C. Legal Action Against Us

1. No person or organization has the right under this policy:

   (a) to join us as a party or otherwise bring us into a suit asking for damages from an Insured; or

   (b) to sue us on this policy unless all of its terms have been fully complied with.

2. A person or organization may sue us to recover on an agreed settlement or on final judgment against an Insured obtained after an actual trial, but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable **LIMIT OF LIABILITY**. An agreed settlement means a settlement and release of liability signed by us, an Insured and the claimant's legal representative.

D. Other Insurance

This policy shall be deemed to be primary with the following exceptions: this policy shall apply only as excess insurance over, and shall not contribute with any fiduciary liability insurance or other insurance which applies to any **Claim** for any violation of ERISA as well as insurance which applies to any **Claim** against an **Independent Contractor** or leased or temporary **Employee** or for **Inappropriate Third Party Conduct**. Nothing herein shall be construed to make this policy subject to the terms, conditions and limitations of any other insurance.

E. Cancellation

You may cancel this policy by surrendering the policy to us or by mailing to us written notice stating when such cancellation shall be effective. We may not cancel this policy for any reason other than non-payment of Premium by mailing to the Named Insured at the address shown in the Declarations, written notice stating when, not less than ten (10) days thereafter, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour of cancellation as stated in the notice shall become the end of the Policy Period. Delivery of such written notice shall be equivalent to mailing. The notice of cancellation shall state the reason for cancellation.

If you cancel, earned Premium shall be computed on a short rate basis. The Premium shall be deemed fully earned if any **Claim** under this policy is reported to us on or before the date of cancellation. If we cancel, earned Premium shall be computed pro rata. Premium adjustment may be made at the time cancellation becomes effective, but payment or tender of unearned Premium is not a condition of cancellation.

F. Representations

By accepting this policy you agree:

1. all statements in the **Application** and any attachments as well as all other information provided to us are accurate and complete;

2. those statements are based upon representations you made to us; and

3. those representations are material to our acceptance of this risk and we have issued this policy in reliance upon the truth of your representations.

In the event that any statement or representation in the **Application** is untrue, and the person who signed the **Application** knew that such statement or representation was untrue, this policy shall not afford coverage, but only with respect to the Insured organization and the person who signed the **Application**.

G. When We Do Not Renew / Renewal

If we decide not to renew this policy, we will mail or deliver to the Named Insured shown in the Declarations, written notice of the non-renewal not less than sixty (60) days before the expiration date. The notice of nonrenewal shall state the reason for nonrenewal.

If notice is mailed, proof of mailing will be sufficient notice of non-renewal.

H. Transfer Of Rights Of Recovery Against Others to Us

If any Insured has rights to recover all or part of any payments we have made under this policy, those rights are transferred to us; the Insured must do nothing after a **Loss** to impair them. At our request, any Insured will bring suit or transfer those rights to us and help us to enforce them.

I. Bankruptcy

Bankruptcy or insolvency of any Insured or of an Insured's estate will not relieve us of our obligations under this policy.

J. Valuation and Currency

All premiums, limits, retentions, **Loss** and other amounts under this policy are expressed and payable in the currency of the United States. If judgment is rendered, settlement is reached or another element of **Loss** under this policy is stated in a currency other than United States dollars, payment under this policy shall be made in United States dollars at the rate of exchange published in *The Wall Street Journal* on the date the judgment becomes final or payment of the settlement or other **Loss** is due.

K. Headings

The description in the headings and subheadings are solely for convenience, and form no part of the terms and conditions of coverage.

L. Alteration and Assignment

No change in, modification of, or assignment of interest under this policy shall be effective except when made by written endorsement to the policy, which is issued by us. You agree that this policy constitutes the entire agreement between the Insureds and us. Notice to or knowledge possessed by either party or any agent, broker or other person acting for you or us shall not effect a waiver of or estop you or us from asserting any rights under the policy.

IX. DEFINITIONS

SAFETY IS YOUR CONCERN

U. S. employers spend billions of dollars each year on the direct and indirect costs of work-related accidents. Dollar figures can't begin to reflect the pain and suffering of an injured worker and his or her family. But they do give some indication of the multiple consequences of a job-related accident... loss of time, interrupted production, damaged materials and equipment, the expense of retraining or replacing an injured worker, possible legal action from government regulatory agencies, and increased insurance costs.

It makes good sense for both employers and their employees to actively participate in a sound accident prevention program. The success of such a program depends to a large extent on your commitment to safety procedures and accident prevention techniques. Safety is a management concern. Maybe we can help.

You may want to consider the following **"Safety Checkpoints"** as you evaluate your organization's safety activities:

SELF-INSPECTION PROGRAM:

* Do you conduct periodic surveys of pemises?... equipment?... operations?

SELF-INSPECTION PROGRAM (continued)

* Do you analyze each job to find inherent hazards?
* If you discover hazards, do you follow up with immediate corrective action?
* Do you monitor such action to make sure it is implemented and effective?

ACCIDENT INVESTIGATION:

* Do you investigate each accident?...determine the cause?
* Do you take immediate steps to prevent a recurrence?
* Do you keep records of accident investigations and follow-up measures?
* Do you complete accident statistics and analyze trends?

EDUCATION AND TRAINING:

* Do you take the time to train each of your employees to perform tasks safely?
* Do more-experienced employees receive training to correct bad habits that have developed over time?
* Do all employees understand that safety is an important part of their jobs?
