A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.

19. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. This Company shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. Notwithstanding that this policy only covers for the excess of any other collectible insurance, this Company guarantees prompt payment in full of the amount of loss which would have been recoverable under this policy in the absence of such other collectible insurance and agrees to advance the amount of loss as a loan, without interest, repayable in the event of and to the extent of recovery from such other collectible insurance minus the cost of recovery, and repayable in the event of non-payment by the primary Insurer due to insolvency as excluded in Clause 11.A. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, and at the option of the Insured against a tenant of the Insured, is waived.

B. In the event of any payment under this policy, this Company, where legally permitted and where loss payment under primary insurance are not reduced or eliminated, shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the expense of the Company to secure such right. The Company will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

23. SALVAGE AND RECOVERIES

Where legally permitted and where loss payment under primary insurance is not reduced or eliminated, all salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly.

24. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, the lesser of cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

Upon discovery of a dangerous condition with respect to any boiler, fired or unfired pressure vessel and any mechanical or electrical machine or apparatus used for the generation, transmission or utilization of mechanical

or electrical power, any representative of the Company may immediately suspend the insurance with respect to an "accident" to said property by written notice mailed or delivered to the Insured at the home office address of the Insured.

26. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured in the description of where insured property is located or to include a location in the Schedule of Locations or to report a newly acquired (owned, purchased, leased or rented) location, or that results in cancellation of an insured location under this policy, shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department. Coverage under this clause shall be subject to the limit of liability stated in Clause 4.

This coverage does not apply to any act, loss or damage excluded in Clause 11.H.(6).

If the Insured and this Company fail to agree on the amount of the loss, each, upon written demand of either the Insured or this Company made within 60 days after receipt of proof of loss by the Company, shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of this Company, such umpire shall be selected by a judge of a court of record in the jurisdiction in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company within 30 days thereafter. The Insured and this Company shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire.

32. PAIR OR SET

(2) In the event of a business interruption, extra expense, rental value, royalties and/or expediting expense loss adjustment involving local currency, conversion into the currency of the United States of America shall be at the average New York foreign exchange selling rate published in The Wall Street Journal in effect during each 30 day period (or part thereof) commencing on the date the loss occurs.

C. Local Currency shall be defined as the currency of the country where loss occurs. This definition shall also include a local currency equivalent.

37. REINSTATEMENT

39. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this policy shall be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate of insurance, except where any Additional Insured(s) or Loss Payee(s) are named pursuant to the Special Provisions of said certificate of insurance. In the event any Additional Insured(s) or Loss Payee(s) are so named, this policy shall be deemed to have been endorsed accordingly, subject to all other terms, conditions and exclusions stated herein.

The Company hereby authorizes Marsh Inc. to issue certificates of insurance including any Mortgagee, Loss Payee and, as authorized by the Company, Additional Insured.

40. CANCELLATION

A. This policy may be canceled at any time at the request of the Insured or it may be canceled by the Company by mailing to the Insured at American Water Works, 1025 Laurel Oak Road - Voorhees - NJ 08043 to the attention of the Risk Management department and to the additional named insureds/loss payees indicated on the certificates of insurance issued during the term of this policy, written notice stating when, not less than 60 days thereafter, such cancellation shall be effective. The earned premium shall be computed on a pro-rata basis.

B. The mailing of notice as aforesaid shall be sufficient proof of notice and the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or by the Company shall be equivalent to mailing.

C. Cancellation shall not affect coverage on any shipment in transit on the date of cancellation. Coverage will continue in full force until such property is safely delivered and accepted at place of final destination.

D. In the event of non-payment of premium this policy may be canceled by the Company by mailing to the Insured at the address shown in A. above stating when, not less than 10 days thereafter, such cancellation shall be effective.

41. VALUES

The values on the schedule of property declared to the Company at the inception of the policy are for premium purposes only and shall not limit the coverages provided by this policy.

42. TITLES OF PARAGRAPHS

The titles of paragraphs of this form and of endorsements and supplemental contracts, if any, now or hereafter attached hereto are inserted solely for convenience of reference and shall not be deemed in any way to limit or affect the provisions to which they relate.

43. CONFORMANCE

The terms of this policy which are in conflict with the applicable statutes of the jurisdiction wherein this policy is issued are hereby amended to conform to such statutes, unless the statutes narrow or limit the coverage afforded by this policy and do not bar a policy from providing broader coverage.

44. GEOGRAPHIC TERRORISM PROVISIONS

A. As respects the United States, its territories and possessions and the Commonwealth of Puerto Rico any recovery under this policy for any insured loss or damage from acts of terrorism, as covered under this policy, may be partially reimbursed by the United States Government in accordance with the Terrorism Insurance Risk Act of 2002. Reimbursement by the United States Government will be under a formula established by Federal Law.

45. ASSIGNMENT

Assignment of this policy shall not be valid except with the written consent of this Company.

46. MISREPRESENTATION AND FRAUD

This entire policy will be void if, whether before or after a loss, an Insured has:

A. willfully concealed or misrepresented any material fact or circumstance concerning this insurance, the subject thereof, any insurance claim, or the interest of an Insured;

B. made any attempt to defraud the Company;

C. made any false swearing.

47. EXCESS CLAUSE (DROP DOWN AND PRIORITY OF PAYMENTS)

A. Coverage hereunder shall not apply until the amount of loss, damage or expense arising out of any one occurrence exceeds $_25,000 plus the applicable portion of the primary policy deductible and any waiting period attributable to the perils and/or property and/or coverages insured hereunder.

The amount of the applicable portion of the primary policy deductible referred to above shall be determined by the proportion that the amount of loss attributable to the perils and/or property and/or coverages insured against under this policy (without application of the excess provision) bears to the total amount of loss multiplied by the amount of the applicable primary deductibles.

In the event that the total amount of loss, damage, or expense attributable to the perils and/or property and/or coverage insured under the underlying insurance exceeds that amount at which this policy would normally attach, but due to the application of sublimits in the underlying policy(ies), the total loss, damage and expense payable by the underlying policy(ies) does not fully exhaust the underlying

policy(ies) limit, then this policy shall drop down and be liable for the loss as covered under this policy in excess of the amount paid by the underlying policy(ies).

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

B. In determining the amount of any loss, damage, or expense for which this policy is excess, the total loss for all coverages caused by any combination of perils, one or more of which is insured against under the primary policy, shall be used even though all such perils or coverages are not insured against under this excess policy.

(1) Any recoveries made under the primary policy shall be considered as first applying to those perils and/or property and/or coverages not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributable to the primary policy as respects those perils and/or coverages and/or property insured hereunder subject to the limit of this policy.

(2) If there is any other excess insurance covering the perils and/or property and/or coverages insured against in the primary policy, but not covered by this policy, this insurance shall then allocate any loss recoveries made under the primary policy in the same proportion as the amount of loss involving the property and/or coverages insured against by this policy bears to the combined total loss. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils and/or property and/or coverages covered hereunder subject to the limit of this policy.

(3) Paragraph two shall not apply, however, when the amount of loss attributed to the perils insured under the primary policy, but not covered under this policy, exceed the total amount of insurance provided by the primary and excess coverages with respect to said perils. In this situation any recoveries made under the primary policy shall first apply to those perils not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils covered hereunder subject to the limit of this policy.

(4) In the event the Insured is a contributing or self-insurer with respect to the perils and/or property and/or coverages otherwise insured in any underlying insurance and no policy is issued to define the extent of this contributing or self insurance, for the purposes of this Excess Clause, the Insured's contributing or self-insurance shall be deemed to be the same as either: (a) all other contributing insurance participating in the Insured's layer(s); or (b) all other contributing insurance participating in the layer below the Insured's layer where the Insured is entirely self insuring the layer. If the coverage provided by the policy(s) of the other contributing insurance company(s) is non-concurrent, then the contributing or self insurance provided by the Insured

within the layer in question shall be deemed to be the same as the coverage provided by that contributing insurance company whose policy provides the least indemnity for the loss.

C. In the event the annual aggregate limits provided for flood and/or earthquake in any underlying insurance are diminished or exhausted in any one policy year, the coverage provided under this policy shall respond as excess of the remaining limits.

In such event, the applicable amount of the deductible provision of the primary policy shall apply to the combination of all policies.

Where applicable relative to contributing insurance policy(s) described in either subparagraphs B(4)(a) or B(4)(b) above, in the event the Insured is providing contributing or self-insurance in any of the layer(s) of insurance, and such other contributing insurance policies contain aggregate limits of liability, the Insured's contributing or self insurance for those coverages shall be deemed to be aggregated also.

48. FULL WAIVER

The terms and conditions of this form and endorsements attached thereto replace those of the policy to which it is attached, all terms, conditions and endorsements of the latter being waived unless otherwise specified herein.

In the event of such cancellation for non-payment of premium, the minimum earned premium shall be due and payable; provided, however, such cancellation shall be rescinded if the Insured remits and the Company receives the full policy premium with 10 days after the date of issuance of the cancellation notice. Such remittance and acceptance by the Company shall not effect the minimum earned premium provision of this endorsement. In the event of any other cancellation by the Company, the earned premium shall be computed pro-rata, not subject to the minimum earned premium.

CANCELLATION CLAUSE

Except and to the extent of the Minimum Earned Premium Clause which is part of this policy, this clause supersedes other cancellation clauses made a part of this policy.

The effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or the Company shall be equivalent to mailing. You are hereby notified that under the federal Terrorism Risk Insurance Act of 2002 (the "Act") effective November 26, 2002, you now have a right to purchase insurance coverage for losses arising out of an Act of Terrorism, which is defined in the Act as an act certified by the Secretary of the Treasury (i) to be an act of terrorism, (ii) to be a violent act or an act that is dangerous to (A) human life; (B) property or (C) infrastructure, (iii) to have resulted in damage within the United States, or outside of the United States in case of an air carrier or vessel or the premises of a U.S. mission and (iv) to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under this formula the United States pays 90% of terrorism losses covered by this law exceeding a statutorily established deductible that must be met by the insurer, and which deductible is based on a percentage of the insurer's direct earned premiums for the year preceding the Act of Terrorism.

Unless you sign this form and return it to us rejecting Terrorism Coverage under the Federal Act, you will be covered for Terrorism as defined in the Act and your premium for that coverage is $_____

I hereby reject coverage in accordance with the Act.

If two or more deductible amounts in this policy apply to a single occurrence, the total to be deducted shall not exceed the largest deductible.

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses during a policy year of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

In the event that all or any portion of the deductible is payable under the Insured's primary insurance or by local, state or governmental funding organizations, such payment shall be considered Underlying Insurance as defined in Clause 18.

The appropriate deductible amounts specified below shall apply to general average contributions, salvage charges and sue and labor expenses.

(4) Memoranda:

MEMO 1: If during the indemnity period goods shall be sold or services shall be rendered elsewhere than at the premises for the benefit of the business either by the Insured or by others on their behalf, the money paid or payable in respect of such sales or services shall be brought into account in arriving at the turnover during the indemnity period.

(2) any flood occurs within a period of the continued rising or overflow of any river(s) or stream(s) and the subsidence of same within the banks of such river(s) or stream(s); or

(3) any flood results from any tidal wave or series of tidal waves caused by any one disturbance.

Earthquake is defined as a shaking or trembling of the earth that is seismic in origin, regardless of any other causes or events contributing concurrently or in any other sequence of loss. However, physical damage by fire, explosion and sprinkler leakage resulting from earthquake will not be considered loss by earthquake within the terms and conditions of this policy.

Flood is defined as rising waters; surface waters; waves; tide or tidal water; the release of water, the rising, overflowing or breaking of boundaries of natural or man-made bodies of water; or the spray therefrom, or sewer back-up resulting from any of the foregoing regardless of any other cause or event contributing concurrently or in any other sequence of loss. However, physical damage by fire, explosion and sprinkler leakage resulting from flood will not be considered loss by flood within the terms and conditions of this policy.

B. Should any time period referred to in Clause A. above commence prior to expiration or cancellation date of this policy, this Company shall pay all such earthquake or flood losses occurring during such period as if such period fell entirely within the term of this policy.

C. This Company shall not be liable, however, for any loss caused by any earthquake or flood commencing before the effective date and time or commencing after the expiration date and time of this policy.

15. ACCIDENT

The term "accident" is defined solely for the determination of the limits of liability and/or deductible(s) and application of the sue and labor and suspension section only. The term "accident" shall not limit or define the perils or coverages provided elsewhere in this policy.

A. The term "accident" shall mean:

(1) Any condition or occurrence within boilers or fired or unfired vessels owned by, operated by, or under the control of the Insured and subject to pressure or vacuum including piping or apparatus attached to and forming a part thereof, except that the words "any condition or occurrence" shall not include explosion, other than explosion of the parts of a steam boiler containing steam or water, steam piping, steam turbines, or steam engines;

(2) mechanical breakdown of any machine or apparatus arising out of any condition or occurrence within such machine or apparatus;
(3) electrical injury or disturbance to electrical appliances, devices, fixtures, wiring, or other electrical or electronic equipment caused by electrical currents artificially generated.

However, the term "accident" does not include:

(1) loss or damage from fire or from the use of water or other means to extinguish fire; and

(2) the normal operation of any safety or protective device;

B. The term "accident" shall not apply to the following property:

(1) property in transit;

(2) property while in the course of construction, erection, installation, or assembly;

(3) electronic data processing systems used for administrative, statistical, or accounting purposes;

(4) any sewer piping, any piping forming a part of a fire protective system, or any water piping other than:

(a) boiler feed water piping;

(b) boiler condensate return piping;

(c) water piping used in a heat transfer system for cooling, humidifying, or space heating purposes;

(5) any vehicle, or self-propelled equipment;

(6) any elevator, crane, ladle or bucket, hoist, power shovel, drag line, excavator, scale, or conveyor, but not excluding any pressure vessel, gears, engines or electrical equipment used with a machine.

16. CONTRIBUTING INSURANCE

Contributing insurance is insurance written upon the same plan, terms, conditions, and provisions as those contained in this policy. This insurance shall contribute in accordance with the conditions of this policy only with other contributing insurance as defined.

17. EXCESS INSURANCE

Excess insurance is insurance over the limit of liability set forth in this policy. The existence of such excess insurance shall not prejudice the coverage provided under this policy nor will it reduce any liability hereunder.

18. UNDERLYING INSURANCE

A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.

B. If the limits of such underlying insurance exceed the deductible amount which would apply in the event of loss under this policy, then that portion which exceeds such a deductible amount shall be considered other insurance, as defined in the Other Insurance clause.

19. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. This Company shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. Notwithstanding that this policy only covers for the excess of any other collectible insurance, this Company guarantees prompt payment in full of the amount of loss which would have been recoverable under this policy in the absence of such other collectible insurance and agrees to advance the amount of loss as a loan, without interest, repayable in the event of and to the extent of recovery from such other collectible insurance minus the cost of recovery, and repayable in the event of non-payment by the primary Insurer due to insolvency as excluded in Clause 11.A. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

20. PRIMARY INSURANCE

Primary Insurance shall mean locally admitted and/or non-admitted policies issued to the Insured in Canada and by the Company's local subsidiaries or representatives.

21. CONFLICT IN WORDING

Subject to all other terms and conditions set forth herein, coverage under this policy shall take precedence when the perils and/or definitions and/or conditions set forth herein are broader in meaning or scope than those of primary policies.

22. SUBROGATION

A. Any release from liability entered into by the Insured prior to loss hereunder shall not affect this policy or the right of the Insured to recover hereunder. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, and at the option of the Insured against a tenant of the Insured, is waived.

B. In the event of any payment under this policy, this Company, where legally permitted and where loss payment under primary insurance are not reduced or eliminated, shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the expense of the Company to secure such right. The Company will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

23. SALVAGE AND RECOVERIES

Where legally permitted and where loss payment under primary insurance is not reduced or eliminated, all salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly.

24. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, the lesser of cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

25. SUSPENSION

Upon discovery of a dangerous condition with respect to any boiler, fired or unfired pressure vessel and any mechanical or electrical machine or apparatus used for the generation, transmission or utilization of mechanical or electrical power, any representative of the Company may immediately suspend the insurance with respect to an "accident" to said property by written notice mailed or delivered to the Insured at the home office address of the Insured.

26. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured in the description of where insured property is located or to include a location in the Schedule of Locations or to report a newly acquired (owned, purchased, leased or rented) location, or that results in cancellation of an insured location under this policy, shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department. Coverage under this clause shall be subject to the limit of liability stated in Clause 4.

This coverage does not apply to any act, loss or damage excluded in Clause 11.H.(6).

27. NOTICE OF LOSS

As soon as practicable after any loss or damage occurring under this policy is known to the Insured's Home Office Insurance Department, the Insured shall report such loss or damage to both this Company and then to Marsh Inc.

28. PROOF OF LOSS

The Insured, at the request of the Company, will render a signed and sworn proof of loss to the Company or its appointed representative as soon as practicable stating: the place, time, cause of the loss, damage, or expense; the interest of the Insured and of all others; the value of the property involved in the loss; and the amount of loss, damage, or expense.

29. PARTIAL PAYMENT OF LOSS

In the event of a loss covered by this policy, it is understood and agreed that the Company will issue partial payment(s) of claim subject to the policy provisions, and shall not be less than the undisputed estimate of loss or damage between the Insured and the Company.

30. ASSIGNED ADJUSTER

It is agreed that at the Insured's option, the Company will use GAB Robins Camp Hill, PA for the adjustment of all claims made against this policy. This assignment may be changed by mutual consent of the Insured and the Company.

31. APPRAISAL

If the Insured and this Company fail to agree on the amount of the loss, each, upon written demand of either the Insured or this Company made within 60 days after receipt of proof of loss by the Company, shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of this Company, such umpire shall be selected by a judge of a court of record in the jurisdiction in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company within 30 days thereafter. The Insured and this Company shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire.

32. PAIR OR SET

Except as provided under the Machinery clause and paragraph (3) of the Consequential Loss clause, in the event of loss or damage insured against to any article or articles not being merchandise which are a part of a pair or set, the measure of loss or damage to such article or articles shall be, at the Insured's option:

A. the reasonable and fair proportion of the total value of the pair or set, giving consideration to the importance of said article or articles, but in no event shall such loss or damage be construed to mean total loss of the pair or set; or

B. the full value of the pair or set provided that the Insured surrenders the remaining article or articles of the pair or set to the Company.

33. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with this Company, and, at this Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

34. SUE AND LABOR

In case of actual or imminent loss or damage covered by this policy except imminent loss or damage as respects an "accident", it shall, without prejudice to this insurance, be lawful and necessary for the Insured, their factors, servants, or assigns to sue, labor and travel for, in and about the defense, the safeguard, and the recovery of property or any part of the property insured hereunder; nor, in the event of loss or damage, shall the acts of the Insured or of this Company in recovering, saving, and preserving the insured property be considered a waiver or an acceptance of abandonment. Subject to the applicable deductible or the deductible that would apply had the loss happened, this Company shall pay the expenses so incurred.

This coverage does not apply to any act, loss or damage excluded in Clause 11.H.(6) nor does it cover any expenses incurred for actions to defend, safeguard, preserve or recover insured property from actual or imminent physical loss or damage covered by Terrorism coverage as provided in Clause 9.S.

35. PAYMENT OF LOSS

All adjusted claims shall be due and payable no later than 30 days after presentation and acceptance of proofs of loss by this Company or its appointed representative.

36. CURRENCY

A. Loss, if any, is to be paid in the same currency in which the premium is paid.

B. (1) In the event of a property damage loss adjustment involving local currency, conversion into the currency of the United States of America shall be at the New York foreign exchange selling rate published in The Wall Street Journal as of the date(s) of expenditure.

If property damaged or destroyed is not repaired, rebuilt or replaced, conversion into the currency of the United States of America shall be at the New York foreign exchange selling rate published in The Wall Street Journal as of the date of loss.

(2) In the event of a business interruption, extra expense, rental value, royalties and/or expediting expense loss adjustment involving local currency, conversion into the currency of the United States of America shall be at the average New York foreign exchange selling rate published in The Wall Street Journal in effect during each 30 day period (or part thereof) commencing on the date the loss occurs.

C. Local Currency shall be defined as the currency of the country where loss occurs. This definition shall also include a local currency equivalent.

37. REINSTATEMENT

With the exception of loss caused by perils which are subject to annual aggregate limits as noted in Clause 4, no loss hereunder shall reduce the amount of this policy.

38. SUIT AGAINST THE COMPANY

No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless the Insured shall have fully complied with all the requirements of this policy and legal action is started within 24 months after inception of the loss.

It is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, this policy will be governed by the jurisdiction of any court of competent jurisdiction within the United States (or Canada) and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law.

39. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this policy shall be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate of insurance, except where any Additional Insured(s) or Loss Payee(s) are named pursuant to the Special Provisions of said certificate of insurance. In the event any Additional Insured(s) or Loss Payee(s) are so named, this policy shall be deemed to have been endorsed accordingly, subject to all other terms, conditions and exclusions stated herein.

The Company hereby authorizes Marsh Inc. to issue certificates of insurance including any Mortgagee, Loss Payee and, as authorized by the Company, Additional Insured.

40. CANCELLATION

A. This policy may be canceled at any time at the request of the Insured or it may be canceled by the Company by mailing to the Insured at American Water Works, 1025 Laurel Oak Road - Voorhees - NJ 08043 to the attention of the Risk Management department and to the additional named insureds/loss payees indicated on the certificates of insurance issued during the term of this policy, written notice stating when, not less than 60 days thereafter, such cancellation shall be effective. The earned premium shall be computed on a pro-rata basis.

B. The mailing of notice as aforesaid shall be sufficient proof of notice and the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or by the Company shall be equivalent to mailing.

C. Cancellation shall not affect coverage on any shipment in transit on the date of cancellation. Coverage will continue in full force until such property is safely delivered and accepted at place of final destination.

D. In the event of non-payment of premium this policy may be canceled by the Company by mailing to the Insured at the address shown in A. above stating when, not less than 10 days thereafter, such cancellation shall be effective.

41. VALUES

The values on the schedule of property declared to the Company at the inception of the policy are for premium purposes only and shall not limit the coverages provided by this policy.

42. TITLES OF PARAGRAPHS

The titles of paragraphs of this form and of endorsements and supplemental contracts, if any, now or hereafter attached hereto are inserted solely for convenience of reference and shall not be deemed in any way to limit or affect the provisions to which they relate.

43. CONFORMANCE

The terms of this policy which are in conflict with the applicable statutes of the jurisdiction wherein this policy is issued are hereby amended to conform to such statutes, unless the statutes narrow or limit the coverage afforded by this policy and do not bar a policy from providing broader coverage.

44. GEOGRAPHIC TERRORISM PROVISIONS

A. As respects the United States, its territories and possessions and the Commonwealth of Puerto Rico any recovery under this policy for any insured loss or damage from acts of terrorism, as covered under this policy, may be partially reimbursed by the United States Government in accordance with the Terrorism Insurance Risk Act of 2002. Reimbursement by the United States Government will be under a formula established by Federal Law.

45. ASSIGNMENT

Assignment of this policy shall not be valid except with the written consent of this Company.

46. MISREPRESENTATION AND FRAUD

This entire policy will be void if, whether before or after a loss, an Insured has:

A. willfully concealed or misrepresented any material fact or circumstance concerning this insurance, the subject thereof, any insurance claim, or the interest of an Insured;

B. made any attempt to defraud the Company;

C. made any false swearing.

47. EXCESS CLAUSE (DROP DOWN AND PRIORITY OF PAYMENTS)

A. Coverage hereunder shall not apply until the amount of loss, damage or expense arising out of any one occurrence exceeds $_25,000 plus the applicable portion of the primary policy deductible and any waiting period attributable to the perils and/or property and/or coverages insured hereunder.

The amount of the applicable portion of the primary policy deductible referred to above shall be determined by the proportion that the amount of loss attributable to the perils and/or property and/or coverages insured against under this policy (without application of the excess provision) bears to the total amount of loss multiplied by the amount of the applicable primary deductibles.

In the event that the total amount of loss, damage, or expense attributable to the perils and/or property and/or coverage insured under the underlying insurance exceeds that amount at which this policy would normally attach, but due to the application of sublimits in the underlying policy(ies), the total loss, damage and expense payable by the underlying policy(ies) does not fully exhaust the underlying policy(ies) limit, then this policy shall drop down and be liable for the loss as covered under this policy in excess of the amount paid by the underlying policy(ies).

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

B. In determining the amount of any loss, damage, or expense for which this policy is excess, the total loss for all coverages caused by any combination of perils, one or more of which is insured against under the primary policy, shall be used even though all such perils or coverages are not insured against under this excess policy.

(1) Any recoveries made under the primary policy shall be considered as first applying to those perils and/or property and/or coverages not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributable to the primary policy as respects those perils and/or coverages and/or property insured hereunder subject to the limit of this policy.

(2) If there is any other excess insurance covering the perils and/or property and/or coverages insured against in the primary policy, but not covered by this policy, this insurance shall then allocate any loss recoveries made under the primary policy in the same proportion as the amount of loss involving the property and/or coverages insured against by this policy bears to the combined total loss. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils and/or property and/or coverages covered hereunder subject to the limit of this policy.

(3) Paragraph two shall not apply, however, when the amount of loss attributed to the perils insured under the primary policy, but not covered under this policy, exceed the total amount of insurance provided by the primary and excess coverages with respect to said perils. In this situation any recoveries made under the primary policy shall first apply to those perils not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils covered hereunder subject to the limit of this policy.

(4) In the event the Insured is a contributing or self-insurer with respect to the perils and/or property and/or coverages otherwise insured in any underlying insurance and no policy is issued to define the extent of this contributing or self insurance, for the purposes of this Excess Clause, the Insured's contributing or self-insurance shall be deemed to be the same as either: (a) all other contributing insurance participating in the Insured's layer(s); or (b) all other contributing insurance participating in the layer below the Insured's layer where the Insured is entirely self insuring the layer. If the coverage provided by the policy(s) of the other contributing insurance company(s) is non-concurrent, then the contributing or self insurance provided by the Insured within the layer in question shall be deemed to be the same as the coverage provided by that contributing insurance company whose policy provides the least indemnity for the loss.

C. In the event the annual aggregate limits provided for flood and/or earthquake in any underlying insurance are diminished or exhausted in any one policy year, the coverage provided under this policy shall respond as excess of the remaining limits.

In such event, the applicable amount of the deductible provision of the primary policy shall apply to the combination of all policies.

Where applicable relative to contributing insurance policy(s) described in either subparagraphs B(4)(a) or B(4)(b) above, in the event the Insured is providing contributing or self-insurance in any of the layer(s) of insurance, and such other contributing insurance policies contain aggregate limits of liability, the Insured's contributing or self insurance for those coverages shall be deemed to be aggregated also.

48. FULL WAIVER

The terms and conditions of this form and endorsements attached thereto replace those of the policy to which it is attached, all terms, conditions and endorsements of the latter being waived unless otherwise specified herein.

49. POLICY DOCUMENTATION

It is understood and agreed that faxed or electronically transmitted "PDF" documents will be deemed original documentation for the program.

STANDARD PROPERTY CONDITIONS

In consideration of the premium charged, the following clauses are hereby made applicable under this policy.

MINIMUM EARNED PREMIUM CLAUSE

In the event of cancellation of this policy by the Insured, a minimum premium equivalent to 25% of the initial policy premum shall become earned, any provision of the policy to the contrary notwithstanding.
Failure of the Insured to make timely payment of premium, shall be considered a request by the Insured for the Company to cancel on the Insurer's behalf. In the event of such cancellation for non-payment of premium, the minimum earned premium shall be due and payable; provided, however, such cancellation shall be rescinded if the Insured remits and the Company receives the full policy premium with 10 days after the date of issuance of the cancellation notice. Such remittance and acceptance by the Company shall not effect the minimum earned premium provision of this endorsement. In the event of any other cancellation by the Company, the earned premium shall be computed pro-rata, not subject to the minimum earned premium.

CANCELLATION CLAUSE

Except and to the extent of the Minimum Earned Premium Clause which is part of this policy, this clause supersedes other cancellation clauses made a part of this policy.

CANCELLATION: This policy may be cancelled by the insured by surrender thereof to the Company or by mailing to the Company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Insured, at the mailing address shown in this policy or last known address, written notice, stating when, not less than 90 days thereafter (10 days for non-payment of premium) such cancellation shall be effective. The effectiveness of cancellation is not dependent on the return of unearned premium with the notice. Proof of mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or the Company shall be equivalent to mailing. Return of any unearned premium will be calculated on a pro-rata basis if this Policy is canceled by request of the Insured or by request of the Company. Return of any unearned premium will be made by the Company as soon as practicable, but within 90 days time counted from the date of cancellation.

STANDARD PROPERTY CONDITIONS

Date Issued: 04/13/07

REPORTING CLAUSE

PROOF OF LOSS AND PAYMENT

The Insured shall complete and sign a sworn proof of loss within ninety (90) days after the occurrence of a loss (unless such period be extended by the written agreement of the Company) stating the time, place and cause of loss, the interest of the Insured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, and all other insurance thereon. ENDORSEMENT NO. 10

It is understood and agreed Endorsement No. 5 is hereby deleted and replaced with the following:

NUCLEAR, BIOLOGICAL, CHEMICAL, RADIOACTIVE MATERIALS (NBCR) TERRORIST ACTIVITY EXCLUSION (FEDERAL LAW EXCEPTION)

I. With respect to this policy and any endorsements thereto, the following exclusion is added and supersedes any provision to the contrary:

This insurance does not apply to:

All loss, damage, cost or expense caused by, resulting from, arising out of or related to, either directly or indirectly, any "NBCR Terrorist Activity," as defined herein, and any action taken to hinder, defend against or respond to any such activity. This exclusion applies regardless of any other cause or event that in any way contributes concurrently or in any sequence to such loss, damage, cost or expense.
For the purposes of this exclusion,

A. "NBCR Terrorist Activity" shall mean any deliberate, unlawful act that:

1. includes, involves, or is associated with, in whole or in part, the use or threatened use of, or release or threatened release of, any nuclear, biological, chemical or radioactive agent, material, device or weapon except where the Insured can demonstrate to the Company, that such activities or threats thereof were motivated solely by personal objectives of the perpetrator that are unrelated, in whole or in part, to any intention to:

(a) promote, further or express opposition to any political, ideological, philosophical, racial, ethnic, social or religious cause or objective;

(b) influence, disrupt or interfere with any government related operations, activities or policies;

(c) intimidate, coerce or frighten the general public or any segment of the general public; or

(d) disrupt or interfere with a national economy or any segment of a national economy; or

2. includes, involves, or is associated with, in whole or in part, the use or threatened use of, or release or threatened release of, any nuclear, biological, chemical or radioactive agent, material, device or weapon that is declared by any authorized governmental official to be or to involve terrorism, terrorist activity or acts of terrorism.

II. However, in consideration of the additional premium paid, the exclusion in Section I. above does not apply to the extent that the loss is an "insured loss" under the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Extension Act of 2005 (The Act).

A. Section 102(5) of the Act defines such loss as follows:

"Insured loss" means any loss resulting from an "act of terrorism" (including an act of war, in the case of worker's compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if such loss:

1. occurs within the United States; or

2. occurs to an air carrier(as defined in section 40102 of title 49, United States Code), to a United States flag vessel (or a vessel based principally in the United States, on which US income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs, or at the premises of any United States mission.

B. Section 102(1) of the Act defines an "act of terrorism" for the purposes of the Act as follows:

"Act of terrorism" means any act that is certified by the Secretary, in concurrence with the Secretary of State and the Attorney General of the United States:

1. to be an act of terrorism;

2. to be a violent act or an act that is dangerous to:

   a. human life;

   b. property; or

   c. infrastructure;

3. to have resulted in damage within the United States, or outside of the United States in the case of:

   a. an aircarrier or vessel described in paragraph (5)(B) of Section 102 of the Act; or

   b. the premises of a United States mission; and

4. to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian populations of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Section 102 (1)(B) states "no act shall be certified by the Secretary as an act of terrorism if:

1. the act is committed as part of the course of a war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers' compensation; or

2. property and casualty insurance losses resulting from the act, in the aggregate, do not exceed $5,000,000.

C. The Act does not apply to: crop or livestock insurance; private mortgage insurance or title insurance; financial guaranty insurance issued by monoline financial guaranty insurance corporations; insurance for medical malpractice; health or life insurance; flood insurance provided under the National Flood Insurance Act of 1968; commercial automobile insurance; burglary and theft insurance; surety insurance; professional liability insurance (except Directors and Officers Liability); or farm owners multiple peril insurance.

D. Neither the Company nor the federal government will be liable for payment for any portion of all insurers' aggregate losses under the Act that exceeds $100 billion during the time period specified in the Act.

E. Coverage provided under this Section II:

1. is subject to all of the provisions of the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Extension Act of 2005; and

2. is part of and not in addition to the applicable Limits of Insurance or Liability of this policy.

III. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorist exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy, such as losses excluded by a Nuclear Hazard Exclusion or a War Exclusion.

All other terms and conditions remain unchanged.

(c) In respect of ADDITIONAL INCREASE IN COST OF WORKING: The additional expenditure in excess of the amount described under subsection (b) reasonably incurred for the sole purpose of resuming or maintaining normal business operations during the indemnity period;

(4) Memoranda:

MEMO 1: If during the indemnity period goods shall be sold or services shall be rendered elsewhere than at the premises for the benefit of the business either by the Insured or by others on their behalf, the money paid or payable in respect of such sales or services shall be brought into account in arriving at the turnover during the indemnity period.

18. UNDERLYING INSURANCE

A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.

B. If the limits of such underlying insurance exceed the deductible amount which would apply in the event of loss under this policy, then that portion which exceeds such a deductible amount shall be considered other insurance, as defined in the Other Insurance clause.

19. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. This Company shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. Notwithstanding that this policy only covers for the excess of any other collectible insurance, this Company guarantees prompt payment in full of the amount of loss which would have been recoverable under this policy in the absence of such other collectible insurance and agrees to advance the amount of loss as a loan, without interest, repayable in the event of and to the extent of recovery from such other collectible insurance minus the cost of recovery, and repayable in the event of non-payment by the primary Insurer due to insolvency as excluded in Clause 11.A. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, and at the option of the Insured against a tenant of the Insured, is waived.

B. In the event of any payment under this policy, this Company, where legally permitted and where loss payment under primary insurance are not reduced or eliminated, shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the expense of the Company to secure such right. The Company will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

23. SALVAGE AND RECOVERIES

Where legally permitted and where loss payment under primary insurance is not reduced or eliminated, all salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly.

Upon discovery of a dangerous condition with respect to any boiler, fired or unfired pressure vessel and any mechanical or electrical machine or apparatus used for the generation, transmission or utilization of mechanical or electrical power, any representative of the Company may immediately suspend the insurance with respect to an "accident" to said property by written notice mailed or delivered to the Insured at the home office address of the Insured.

26. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured in the description of where insured property is located or to include a location in the Schedule of Locations or to report a newly acquired (owned, purchased, leased or rented) location, or that results in cancellation of an insured location under this policy, shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department. Coverage under this clause shall be subject to the limit of liability stated in Clause 4.

This coverage does not apply to any act, loss or damage excluded in Clause 11.H.(6).

If the Insured and this Company fail to agree on the amount of the loss, each, upon written demand of either the Insured or this Company made within 60 days after receipt of proof of loss by the Company, shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of this Company, such umpire shall be selected by a judge of a court of record in the jurisdiction in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company within 30 days thereafter. The Insured and this Company shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire.

32. PAIR OR SET

Except as provided under the Machinery clause and paragraph (3) of the Consequential Loss clause, in the event of loss or damage insured against to any article or articles not being merchandise which are a part of a pair or set, the measure of loss or damage to such article or articles shall be, at the Insured's option:

33. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with this Company, and, at this Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

In case of actual or imminent loss or damage covered by this policy except imminent loss or damage as respects an "accident", it shall, without prejudice to this insurance, be lawful and necessary for the Insured, their factors, servants, or assigns to sue, labor and travel for, in and about the defense, the safeguard, and the recovery of property or any part of the property insured hereunder; nor, in the event of loss or damage, shall the acts of the Insured or of this Company in recovering, saving, and preserving the insured property be considered a waiver or an acceptance of abandonment. Subject to the applicable deductible or the deductible that would apply had the loss happened, this Company shall pay the expenses so incurred.

This coverage does not apply to any act, loss or damage excluded in Clause 11.H.(6) nor does it cover any expenses incurred for actions to defend, safeguard, preserve or recover insured property from actual or imminent physical loss or damage covered by Terrorism coverage as provided in Clause 9.S.

35. PAYMENT OF LOSS

All adjusted claims shall be due and payable no later than 30 days after presentation and acceptance of proofs of loss by this Company or its appointed representative.

38. SUIT AGAINST THE COMPANY

No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless the Insured shall have fully complied with all the requirements of this policy and legal action is started within 24 months after inception of the loss.

It is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, this policy will be governed by the jurisdiction of any court of competent jurisdiction within the United States (or Canada) and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law.

C. Cancellation shall not affect coverage on any shipment in transit on the date of cancellation. Coverage will continue in full force until such property is safely delivered and accepted at place of final destination.

A. As respects the United States, its territories and possessions and the Commonwealth of Puerto Rico any recovery under this policy for any insured loss or damage from acts of terrorism, as covered under this policy, may be partially reimbursed by the United States Government in accordance with the Terrorism Insurance Risk Act of 2002. Reimbursement by the United States Government will be under a formula established by Federal Law.

45. ASSIGNMENT

Assignment of this policy shall not be valid except with the written consent of this Company.

46. MISREPRESENTATION AND FRAUD

This entire policy will be void if, whether before or after a loss, an Insured has:

A. willfully concealed or misrepresented any material fact or circumstance concerning this insurance, the subject thereof, any insurance claim, or the interest of an Insured;

B. made any attempt to defraud the Company;

C. made any false swearing.

47. EXCESS CLAUSE (DROP DOWN AND PRIORITY OF PAYMENTS)

A. Coverage hereunder shall not apply until the amount of loss, damage or expense arising out of any one occurrence exceeds $_25,000 plus the applicable portion of the primary policy deductible and any waiting period attributable to the perils and/or property and/or coverages insured hereunder.

The amount of the applicable portion of the primary policy deductible referred to above shall be determined by the proportion that the amount of loss attributable to the perils and/or property and/or coverages insured against under this policy (without application of the excess provision) bears to the total amount of loss multiplied by the amount of the applicable primary deductibles.

In the event that the total amount of loss, damage, or expense attributable to the perils and/or property and/or coverage insured under the underlying insurance exceeds that amount at which this policy would normally attach, but due to the application of sublimits in the underlying policy(ies), the total loss, damage and expense payable by the underlying policy(ies) does not fully exhaust the underlying policy(ies) limit, then this policy shall drop down and be liable for the loss as covered under this policy in excess of the amount paid by the underlying policy(ies).

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

B. In determining the amount of any loss, damage, or expense for which this policy is excess, the total loss for all coverages caused by any combination of perils, one or more of which is insured against under the primary policy, shall be used even though all such perils or coverages are not insured against under this excess policy.

(1) Any recoveries made under the primary policy shall be considered as first applying to those perils and/or property and/or coverages not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributable to the primary policy as respects those perils and/or coverages and/or property insured hereunder subject to the limit of this policy.

(2) If there is any other excess insurance covering the perils and/or property and/or coverages insured against in the primary policy, but not covered by this policy, this insurance shall then allocate any loss recoveries made under the primary policy in the same proportion as the amount of loss involving the property and/or coverages insured against by this policy bears to the combined total loss. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils and/or property and/or coverages covered hereunder subject to the limit of this policy.

(3) Paragraph two shall not apply, however, when the amount of loss attributed to the perils insured under the primary policy, but not covered under this policy, exceed the total amount of insurance provided by the primary and excess coverages with respect to said perils. In this situation any recoveries made under the primary policy shall first apply to those perils not insured against by this policy. Upon exhaustion of the primary policy limits, this policy shall drop down and be liable for the loss in excess of the amount attributed to the primary policy as respects those perils covered hereunder subject to the limit of this policy.

(4) In the event the Insured is a contributing or self-insurer with respect to the perils and/or property and/or coverages otherwise insured in any underlying insurance and no policy is issued to define the extent of this contributing or self insurance, for the purposes of this Excess Clause, the Insured's contributing or self-insurance shall be deemed to be the same as either: (a) all other contributing insurance participating in the Insured's layer(s); or (b) all other contributing insurance participating in the layer below the Insured's layer where the Insured is entirely self insuring the layer. If the coverage provided by the policy(s) of the other contributing insurance company(s) is non-concurrent, then the contributing or self insurance provided by the Insured within the layer in question shall be deemed to be the same as the coverage provided by that contributing insurance company whose policy provides the least indemnity for the loss.

C. In the event the annual aggregate limits provided for flood and/or earthquake in any underlying insurance are diminished or exhausted in any one policy year, the coverage provided under this policy shall respond as excess of the remaining limits.

In such event, the applicable amount of the deductible provision of the primary policy shall apply to the combination of all policies.

Where applicable relative to contributing insurance policy(s) described in either subparagraphs B(4)(a) or B(4)(b) above, in the event the Insured is providing contributing or self-insurance in any of the layer(s) of insurance, and such other contributing insurance policies contain aggregate limits of liability, the Insured's contributing or self insurance for those coverages shall be deemed to be aggregated also.

48. FULL WAIVER

The terms and conditions of this form and endorsements attached thereto replace those of the policy to which it is attached, all terms, conditions and endorsements of the latter being waived unless otherwise specified herein.

49. POLICY DOCUMENTATION

It is understood and agreed that faxed or electronically transmitted "PDF" documents will be deemed original documentation for the program.

OCCURRENCE LIMIT OF LIABILITY

It is understood and agreed that the following special terms and conditions apply to this policy:

1. The limit of liability or Amount of Insurance shown on the face of this policy, or endorsed on to this policy, is the total limit of the Company's liability applicable to each occurrence, as hereafter defined.

   Notwithstanding any other terms and conditions of this policy to the contrary, in no event shall the liability of the company exceed this limit or amount irrespective of the number of locations involved.

ENDORSEMENT NO. 8

STANDARD PROPERTY CONDITIONS

In consideration of the premium charged, the following clauses are hereby made applicable under this policy.

MINIMUM EARNED PREMIUM CLAUSE

In the event of cancellation of this policy by the Insured, a minimum premium equivalent to 25% of the initial policy premum shall become earned, any provision of the policy to the contrary notwithstanding.
Failure of the Insured to make timely payment of premium, shall be considered a request by the Insured for the Company to cancel on the Insurer's behalf. In the event of such cancellation for non-payment of premium, the minimum earned premium shall be due and payable; provided, however, such cancellation shall be rescinded if the Insured remits and the Company receives the full policy premium with 10 days after the date of issuance of the cancellation notice. Such remittance and acceptance by the Company shall not effect the minimum earned premium provision of this endorsement. In the event of any other cancellation by the Company, the earned premium shall be computed pro-rata, not subject to the minimum earned premium.

CANCELLATION CLAUSE

Except and to the extent of the Minimum Earned Premium Clause which is part of this policy, this clause supersedes other cancellation clauses made a part of this policy.

CANCELLATION: This policy may be cancelled by the insured by surrender thereof to the Company or by mailing to the Company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Insured, at the mailing address shown in this policy or last known address, written notice, stating when, not less than 90 days thereafter (10 days for non-payment of premium) such cancellation shall be effective. The effectiveness of cancellation is not dependent on the return of unearned premium with the notice. Proof of mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or the Company shall be equivalent to mailing. Return of any unearned premium will be calculated on a pro-rata basis if this Policy is canceled by request of the Insured or by request of the Company. Return of any unearned premium will be made by the Company as soon as practicable, but within 90 days time counted from the date of cancellation.

STANDARD PROPERTY CONDITIONS

Date Issued: 04/13/07

REPORTING CLAUSE

Notwithstanding that the Insured may be obligated to report full values for premium purposes, the Company's maximum limit of liability shall not exceed that amount stated as the policy limit of liability.

PROOF OF LOSS AND PAYMENT

The Insured shall complete and sign a sworn proof of loss within ninety (90) days after the occurrence of a loss (unless such period be extended by the written agreement of the Company) stating the time, place and cause of loss, the interest of the Insured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, and all other insurance thereon. All adjusted claims shall be due and payable thirty (30) days after the presentation and acceptance of satisfactory proof(s) of floss at the office of the Company at 200 State Street, Boston, Massachusetts 02109

GOVERNMENT ACTIVITY CLAUSE

The Company shall not be liable for loss or damage caused by or resulting from: (1) the seizure or destruction of property insured by this policy by any government body, including any customs or quarantine action, or (2) confiscation or destruction of any property by order of any government or public authority, except an order to destroy property to prevent the spread of fire or explosion.

It is understood and agreed Endorsement No. 5 is hereby deleted and replaced with the following:

NUCLEAR, BIOLOGICAL, CHEMICAL, RADIOACTIVE MATERIALS (NBCR) TERRORIST ACTIVITY EXCLUSION (FEDERAL LAW EXCEPTION)

I. With respect to this policy and any endorsements thereto, the following exclusion is added and supersedes any provision to the contrary:

This insurance does not apply to:

All loss, damage, cost or expense caused by, resulting from, arising out of or related to, either directly or indirectly, any "NBCR Terrorist Activity," as defined herein, and any action taken to hinder, defend against or respond to any such activity. This exclusion applies regardless of any other cause or event that in any way contributes concurrently or in any sequence to such loss, damage, cost or expense.
For the purposes of this exclusion,

A. "NBCR Terrorist Activity" shall mean any deliberate, unlawful act that:

1. includes, involves, or is associated with, in whole or in part, the use or threatened use of, or release or threatened release of, any nuclear, biological, chemical or radioactive agent, material, device or weapon except where the Insured can demonstrate to the Company, that such activities or threats thereof were motivated solely by personal objectives of the perpetrator that are unrelated, in whole or in part, to any intention to:

(a) promote, further or express opposition to any political, ideological, philosophical, racial, ethnic, social or religious cause or objective;

(b) influence, disrupt or interfere with any government related operations, activities or policies;

(c) intimidate, coerce or frighten the general public or any segment of the general public; or

(d) disrupt or interfere with a national economy or any segment of a national economy; or

2. includes, involves, or is associated with, in whole or in part, the use or threatened use of, or release or threatened release of, any nuclear, biological, chemical or radioactive agent, material, device or weapon that is declared by any authorized governmental official to be or to involve terrorism, terrorist activity or acts of terrorism.

II. However, in consideration of the additional premium paid, the exclusion in Section I. above does not apply to the extent that the loss is an "insured loss" under the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Extension Act of 2005 (The Act).

A. Section 102(5) of the Act defines such loss as follows:

"Insured loss" means any loss resulting from an "act of terrorism" (including an act of war, in the case of worker's compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if such loss:

1. occurs within the United States; or

2. occurs to an air carrier(as defined in section 40102 of title 49, United States Code), to a United States flag vessel (or a vessel based principally in the United States, on which US income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs, or at the premises of any United States mission.

B. Section 102(1) of the Act defines an "act of terrorism" for the purposes of the Act as follows:

"Act of terrorism" means any act that is certified by the Secretary, in concurrence with the Secretary of State and the Attorney General of the United States:

1. to be an act of terrorism;

2. to be a violent act or an act that is dangerous to:

   a. human life;

   b. property; or

   c. infrastructure;

3. to have resulted in damage within the United States, or outside of the United States in the case of:

   a. an aircarrier or vessel described in paragraph (5)(B) of Section 102 of the Act; or

   b. the premises of a United States mission; and

4. to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian populations of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Section 102 (1)(B) states "no act shall be certified by the Secretary as an act of terrorism if:

1. the act is committed as part of the course of a war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers' compensation; or

2. property and casualty insurance losses resulting from the act, in the aggregate, do not exceed $5,000,000.

C. The Act does not apply to: crop or livestock insurance; private mortgage insurance or title insurance; financial guaranty insurance issued by monoline financial guaranty insurance corporations; insurance for medical malpractice; health or life insurance; flood insurance provided under the National Flood Insurance Act of 1968; commercial automobile insurance; burglary and theft insurance; surety insurance; professional liability insurance (except Directors and Officers Liability); or farm owners multiple peril insurance.

D. Neither the Company nor the federal government will be liable for payment for any portion of all insurers' aggregate losses under the Act that exceeds $100 billion during the time period specified in the Act.

E. Coverage provided under this Section II:

1. is subject to all of the provisions of the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Extension Act of 2005; and

2. is part of and not in addition to the applicable Limits of Insurance or Liability of this policy.

III. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorist exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy, such as losses excluded by a Nuclear Hazard Exclusion or a War Exclusion.

All other terms and conditions remain unchanged.

GENERAL CONDITIONS

In consideration of the payment of the premium, and subject to the terms and conditions of this Certificate of Facultative Reinsurance (the "Certificate") the Reinsurer(s) designated in the Certificate (herein called the "Reinsurer") does hereby reinsure the Company named in the Certificate in respect of the Policies, as follows:

A. **Application of Liability** – The liability of the Reinsurer, as specified in the Certificate, shall follow that of the Company, subject in all respects to all the terms, conditions, and limit(s) of the Policies except as specifically provided in Article J. herein. The Reinsurer agrees to abide by all settlements made by the Company whether under strict policy conditions or by way of compromise, including settlements involving disputed interpretations of policy terms and/or coverage. Notwithstanding the foregoing, the Reinsurer will not be obligated to indemnify the Company for Ex-Gratia payments. The intent of this Agreement is that the Reinsurer agrees to follow the settlements of the Company in all respects as if being a party to the Policies except as noted herein. The Reinsurer's Certificate period and scope of coverage shall be concurrent with the policy period and scope of coverage as specified in each Policy. Upon Reinsurer's request, the Company shall furnish the Reinsurer with a copy of any or all of the Policies and all endorsements thereto.

B. **Definition of Occurrence** – The term "occurrence" as used herein shall have the same meaning as said term in the Policies, or whatever other term is used in the Policies to denote a single, as opposed to aggregate, loss.

C. **Cooperation of the Company** – The Company shall make available for inspection, and place at the disposal of the Reinsurer at all reasonable times, all records of the Company relating to this Certificate of reinsurance or claims in connection therewith. The Reinsurer's right to inspect premium books and premium records will terminate five years after termination of this Certificate.

D. **No Third Party Benefits** – In no event shall anyone other than the Company or in the event of the Company's insolvency, its receiver, liquidator, or statutory successor, have any rights under this Certificate.

E. **Notice of Loss or Claim** – The Company shall give prompt written notice to the Reinsurer (1) of any occurrence or claim which in the Company's estimation might result in a judgment in an amount sufficient to involve this Certificate; and (2) all material developments pertaining to any occurrence or claim, notice of which was provided hereunder.

F. **Defense of Claims or Suits** – The Company shall investigate and defend all claims involving the reinsurance provided by this Certificate. While the Reinsurer does not undertake to investigate or defend claims or suits, it shall nevertheless have the right and be given the opportunity to associate with the

Company and its representatives at its own expense in the defense and control of any claim, suit or proceeding involving this reinsurance with full cooperation of the Company.

G. **Loss Payable** -- The Reinsurer shall indemnify the Company for all losses paid or advanced by the Company in accordance with this Certificate, including interim payments. The Reinsurer shall pay to the Company the Reinsurer's proportion of losses within seven (7) business days of receipt of a proof of loss or within twenty-four (24) hours of our payment of all or part of a loss, whichever is later.

In addition to the Sum Reinsured as set forth herein, the Reinsurer shall pay its proportion of allocated loss expenses incurred by the Company in the same ratio that the Reinsurer's share of the loss payment bears to the total amount of the Company's loss payment under the Policies reinsured. The term "allocated loss expense" means all expenses incurred in the investigation, appraisal, adjustment, defense and settlement of claims or suits, including expenses of determining coverage under the Policies (including declaratory judgment actions brought to determine the Company's obligations) and including the fees and expenses of the Company's staff adjusters allocated to a specific claim under the Policies but excluding other Company salaries and office expenses.

In the event that the Reinsurer fails to indemnify the Company for any losses paid or advanced by the Company within the time frames set forth in this Article G, interest as set forth herein shall be payable for the entire overdue period on all sums due from the Reinsurer. Overdue amounts shall bear simple interest from the overdue date at a rate determined by the 26-week United States Treasury bill rate for the first business day of the calendar month in which the amount becomes overdue, as published in the Wall Street Journal, plus 1% per annum, to be calculated weekly.

H. **Salvage and Subrogation** – The Reinsurer will be paid or credited by the Company with its proportionate share of salvage or subrogation, that is, reimbursement obtained or recovery made by the Company, less all expenses paid by the Company in making such recovery. If no recovery is made, the expenses associated with the recovery effort shall be allocated in proportion to the respective parties' share of the loss. If the reinsurance afforded by this Certificate is on an excess of loss basis, salvage or subrogation shall be applied in the inverse order in which liability attaches.

I. **Taxes** – The Company will be liable for all taxes on premiums ceded to the Reinsurer under this Certificate.

J. **Insolvency** – The reinsurance provided by this Certificate shall be payable by the Reinsurer directly to the Company or to its liquidator, receiver or statutory successor on the basis of the liability of the Company under the Policies without diminution because of the insolvency of the Company. In the event of the

insolvency of the Company, the liquidator, receiver or statutory successor of the Company shall give written notice of the pendency of each claim against the Company on the Policies within a reasonable time after such claim is filed in the insolvency proceedings; and during the pendency of such claim the Reinsurer may investigate such claim and interpose at its own expense in the proceeding where such claim is to be adjudicated any defense or defenses which it may deem available to the Company, its liquidator, receiver or statutory successor. The expense thus incurred by the Reinsurer shall be chargeable, subject to court approval, against the insolvent company as part of the expense of liquidation to the extent of such proportionate share of the benefit which may accrue to the Company solely as the result of the defense undertaken by the Reinsurer.

As to all reinsurance made, ceded, renewed or otherwise becoming effective under this Certificate, the reinsurance shall be payable as set forth above by the Reinsurer to the Company or to its liquidator, receiver, conservator, or statutory successor, except: (1) where this Certificate specifically provides another payee in the event of this insolvency of the Company, or (2) where the Reinsurer, with the consent of the direct insured or insureds has assumed such policy obligations of the Company as direct obligations of the Reinsurer to the payees under such policy and in substitution for the obligations of the Company to such payees. Then, and in that event only, the Company with the prior approval of the certificate of assumption on New York risks by the Superintendent of Insurance of the State of New York, is entirely released from its obligation and the Reinsurer pays any loss directly to payees under such policy.

Should any party hereto be placed in rehabilitation or liquidation or should a rehabilitator, liquidator, receiver, conservator or other person or entity of similar capacity be appointed as respects such party, all amounts due any of the parties hereto whether by reason of premiums, losses or otherwise under this Certificate or any other contract(s) of reinsurance heretofore or hereafter entered into between the parties (whether or not any such contract(s) be assumed or ceded) shall at all times be subject to the right of offset at any time and from time to time, and upon the exercise of same, only the net balance shall be due and payable to the extent such statute or any other applicable law, statute or regulation governing such offset shall apply.

K. **Cancellation** – This Certificate may be cancelled by the Company by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested to the Reinsurer. This Certificate may be cancelled by the Reinsurer only if the Company is permitted to cancel the Policies, as of the effective date of the Reinsurer's attempted cancellation, under applicable law. If the Reinsurer may cancel this Certificate pursuant to the previous sentence, the Reinsurer shall do so by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested in addition to the required notice period under the Policies. If cancelled by the Reinsurer, adjustment of premium shall be on the pro rata basis. If cancelled by the Company, with simultaneous cancellation of the Policies, adjustment premium shall be on the

short rate basis. However, if the Policies are cancelled, that shall constitute simultaneous cancellation of this Certificate and calculation of the reinsurance premium hereunder shall follow the Company's calculation in the use of the short rate or pro rata tables.

L. **Complete Agreement** - This Certificate, and any endorsement attached hereto, constitutes the complete agreement of the Company and the Reinsurer concerning the subject matter hereof, and supersedes all negotiations, understandings and agreements by and between the Company and the Reinsurer regarding the subject matter hereof, whether oral or written. No prior proposal, program specification, stipulation, agreement, or arrangement of the Reinsurer or the Company, or their respective employees or agents, or subsequent amendment of this Certificate, shall be valid or enforceable except by endorsement issued to form a part hereof, executed by duly authorized representatives of the Reinsurer and the Company.

M. **Arbitration** – Any difference of opinion between the Reinsurer and the Company with respect to the interpretation of this Certificate, performance of the obligations under the Certificate, as well as the formation and/or validity thereof, shall be submitted to arbitration. Either party may request arbitration in writing sent to the other party by certified or registered mail, return receipt requested. Each party shall select an arbitrator within thirty (30) days after written request for arbitration has been received from the party requesting arbitration. If either party fails to appoint its arbitrator within thirty (30) days after being requested to do so by the other party, the latter, after ten (10) days notice by certified or registered mail of its intention to do so, may appoint the second arbitrator. These two arbitrators shall select a third arbitrator within ten (10) days after both have been appointed. Should the arbitrators fail to agree on a third arbitrator within thirty (30) days of their appointment, the arbitrators may, upon mutual agreement, implement that ARIAS-US Umpire Appointment Procedure to select the third arbitrator. Alternatively, each arbitrator shall select one name from a list of three names submitted by the other arbitrator and the third arbitrator shall be selected by lot between the two names chosen. All arbitrators shall be disinterested active or former officers of other insurance or reinsurance companies or Underwriters at Lloyd's of London. Within thirty (30) days after appointment of all arbitrators, the panel will meet and determine timely periods for briefs, discovery procedures and schedules for hearings. The panel will be relieved of all judicial formality and will not be bound by rules of procedure and evidence. The panel shall interpret this Certificate as an honorable engagement rather than as merely a legal obligation and shall make its decision considering the custom and practice of the applicable insurance and reinsurance business within forty-five (45) days following the termination of the hearings. Unless the panel agrees otherwise, arbitration shall take place in Philadelphia, Pennsylvania, but the venue may be changed when deemed by the panel to be in the best interest of the arbitration proceeding. Insofar as the panel looks to substantive law, it will consider the law of the State of New York without regard for choice of law or conflict of laws principles. The decision of the majority of arbitrators when rendered in writing shall be final and

binding on the parties. The panel is empowered to grant interim relief as it may deem appropriate.

Each party will bear the costs of its own arbitrator and will bear, jointly and equally with the other party, the costs of the third arbitrator. The panel will allocate the remaining costs of the arbitration. The panel may, at its discretion, award such further costs, attorneys' fees and expenses as it considers appropriate, except that the panel shall award interest to the Company as provided in Article G to the extent that the Company is granted recovery of Sums Reinsured not timely paid by the Reinsurer in accordance with this Certificate.

If more than one Reinsurer is involved in the same dispute, all Reinsurers involved in the dispute will constitute and act as one party for purposes of this Article M, and the Company will communicate with each of the Reinsurers constituting that one party; provided, however, that nothing herein will either impair the rights of any such Reinsurer to assert several rather than joint defenses or claims, or be construed as changing the liability of the Reinsurers under a certificate of reinsurance from several to joint. If more than one Reinsurer is a respondent in any arbitration hereunder, the time for appointing the second arbitrator will be extended to six weeks.

The provisions of this Article shall survive the termination of this Certificate.

N. **Letter of Credit Agreement** – If the Reinsurer does not qualify for full credit with any insurance regulatory authority having jurisdiction over the Company's reserves, the Reinsurer shall post collateral in an amount that, at a minimum, will enable the Company to obtain complete statutory credit for all current or future reinsurance recoverables from the Reinsurer, in the amount that would be required by such regulatory authorities. The collateral amount shall also always be large enough to reflect the Reinsurer's share of reserves for loss and loss adjustment expenses, unearned premiums and loss payments paid by the Company yet unrecovered from the Reinsurer.

The Reinsurer shall, at the request of the Company, fund its share of the collateral by Letter of Credit, cash advance, or escrow account for the benefit of the Company, or any combination thereof.

If such funding is by Letter of Credit, it is agreed that such Letter of Credit will be a clean, irrevocable and unconditional Letter of Credit, issued in a form acceptable to the Company and to such insurance regulatory authorities by a financial institution meeting the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit. If the financial institution that issues the Letter of Credit becomes insolvent, goes into receivership, becomes unacceptable to the Company, or to such insurance regulatory authorities or falls below the standards of the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit, the Letter of Credit shall be re-issued in an amount, form and

from a financial institution that complies with the requirements as set out in this Certificate.

The Letter of Credit shall be issued for a term of at least one (1) year and include an "Evergreen Clause" automatically extending the term for at least one (1) additional year at each expiration date, unless written notice of non-renewal is given to the Company not less than sixty (60) days prior to said expiration date.

Unless all amounts due by the Reinsurer under this Certificate have been paid in cash to the Company, the Letter of Credit (or any other collateral) may be drawn upon by the Company in whole or in part, for the protection of the Company. The Company may draw upon the Letter of Credit or other collateral if such Letter of Credit is under notice of non-renewal and has not been replaced by the Reinsurer ten (10) days prior to its expiration. Any amounts drawn from the Letter of Credit in excess of the Reinsurer's ultimate liability shall be refunded to the Reinsurer upon determination of the Reinsurer's ultimate liability.

It is agreed that the financial institution issuing such Letter of Credit shall have no responsibilities in connection with the propriety of withdrawals made by the Company or the disposition of funds withdrawn, except to ascertain that withdrawals are made only upon the order of properly authorized representatives of the Company.

O. **Non-Waiver** – The Company's failure to, or delay in, exercising any rights under this Certificate or under the Letter of Credit shall not constitute a waiver of those rights.

P. **Material Change** – The Company agrees to obtain the prior written approval of the Reinsurer of any material change affecting the Policies.

Q. **Reinsurance Structure** – ACE American Insurance Company issues a Master Policy and directs other authorized insurers outside of the United States to issue locally admitted policies, which shall be issued to a good local standard, including terms and conditions required by law or regulation and subject to prevailing local market conditions. Notwithstanding any provision in this Certificate or in any master policy issued in connection with the global property program of the Original Insured, any loss required by applicable law, court order or regulation in any jurisdiction to be covered (or prohibited to be excluded) under any policy providing property insurance shall be reinsured hereunder. The Reinsurer shall follow the forms issued and shall be bound by all loss settlements made by an Original Insurer ,under any of the Policies.

R. **Service of Suit** – It is agreed that in the event of the failure of the Reinsurer hereon to perform its obligations hereunder, the Reinsurer, at the request of the Company, will submit to the jurisdiction of either the United States District Court for the Southern District of New York or the Supreme Court of the State of New York, New York County, and will comply with all requirements necessary to give such court jurisdiction. Nothing in this Article constitutes or should be

understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any state in the United States.

It is further agreed that service of process on the Reinsurer in such suit may be made upon Mendes and Mount, 725 South Figueroa Street, Los Angeles, California 90017/Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829, and that in any suit instituted against any one of them upon this Agreement, Reinsurer shall abide by the final decision of such Court or of any Appellate court in the event of an appeal.

The Reinsurer hereby authorizes Mendes and Mount to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States, which makes provision therefor, the Reinsurer hereby designates the Superintendent, Commissioner or Director of Insurance or other officers specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this Certificate, and hereby designates Mendes and Mount as the person to whom the said officer is authorized to mail such process or a true copy thereof.

This Article is not intended to conflict with or override the parties' obligation to resolve their disputes in accordance with the Arbitration Article in this Certificate.

S. **Governing Law** – Subject to the provisions of the Arbitration Article, this Certificate shall be governed by and interpreted in accordance with the laws of the State of New York, without reference to conflict of law or choice of law principles.

T. **Counterparts** – This Certificate and any Endorsements hereto may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute but one and the same instrument. This Certificate may be executed and delivered by fax and any fax counterpart signature pages shall constitute an original.

V. **Confidentiality** - It is understood and agreed, that materials contained in this Certificate, information obtained through any audits, and/or any claims information between the Company and the Reinsurer, contain confidential, proprietary information of the Company. These statements and representations, either written or oral, are intended for the sole use of the parties to this Certificate (or their retrocessionaires, or auditors, or legal counsel, as may be necessary) in analyzing and/or accepting a participation in, and

handling claims under, this Agreement. Copying, duplicating, disclosing or using this information for any purpose beyond these expressed purposes is expressly forbidden without the prior consent of the Company.

The Reinsurer agrees that should a third party demand pursuant to subpoena, summons, search warrant, court or governmental order, that the Reinsurer disclose such information, the Reinsurer will notify the Company immediately upon receipt of the demand and prior to disclosure of the information. If such notice is provided, the Reinsurers may disclose the information as necessary to satisfy such a demand without breaching the provisions of this Agreement. If the Company objects to the release of the information, the Reinsurer will cooperate with the Company in its efforts to resist release of the information, and the Company will bear the cost of efforts to protect the information.

IN WITNESS WHEREOF, the Reinsurer, by its duly authorized representative, has executed this Certificate of Facultative Reinsurance as set forth below.

GENERAL CONDITIONS

In consideration of the payment of the premium, and subject to the terms and conditions of this Certificate of Facultative Reinsurance (the "Certificate") the Reinsurer(s) designated in the Certificate (herein called the "Reinsurer") does hereby reinsure the Company named in the Certificate in respect of the Policies, as follows:

Certificate of Facultative Reinsurance

A. **Application of Liability** – The liability of the Reinsurer, as specified in the Certificate, shall follow that of the Company, subject in all respects to all the terms, conditions, and limit(s) of the Policies except as specifically provided in Article J. herein. The Reinsurer agrees to abide by all settlements made by the Company whether under strict policy conditions or by way of compromise, including settlements involving disputed interpretations of policy terms and/or coverage. Notwithstanding the foregoing, the Reinsurer will not be obligated to indemnify the Company for Ex-Gratia payments. The intent of this Agreement is that the Reinsurer agrees to follow the settlements of the Company in all respects as if being a party to the Policies except as noted herein. The Reinsurer's Certificate period and scope of coverage shall be concurrent with the policy period and scope of coverage as specified in each Policy. Upon Reinsurer's request, the Company shall furnish the Reinsurer with a copy of any or all of the Policies and all endorsements thereto.

B. **Definition of Occurrence** – The term "occurrence" as used herein shall have the same meaning as said term in the Policies, or whatever other term is used in the Policies to denote a single, as opposed to aggregate, loss.

C. **Cooperation of the Company** – The Company shall make available for inspection, and place at the disposal of the Reinsurer at all reasonable times, all records of the Company relating to this Certificate of reinsurance or claims in connection therewith. The Reinsurer's right to inspect premium books and premium records will terminate five years after termination of this Certificate.

D. **No Third Party Benefits** – In no event shall anyone other than the Company or in the event of the Company's insolvency, its receiver, liquidator, or statutory successor, have any rights under this Certificate.

E. **Notice of Loss or Claim** – The Company shall give prompt written notice to the Reinsurer (1) of any occurrence or claim which in the Company's estimation might result in a judgment in an amount sufficient to involve this Certificate; and (2) all material developments pertaining to any occurrence or claim, notice of which was provided hereunder.

F. **Defense of Claims or Suits** – The Company shall investigate and defend all claims involving the reinsurance provided by this Certificate. While the Reinsurer does not undertake to investigate or defend claims or suits, it shall nevertheless have the right and be given the opportunity to associate with the Company and its representatives at its own expense in the defense and control of any claim, suit or proceeding involving this reinsurance with full cooperation of the Company.

G. **Loss Payable** – The Reinsurer shall indemnify the Company for all losses paid or advanced by the Company in accordance with this Certificate, including interim

payments. The Reinsurer shall pay to the Company the Reinsurer's proportion of losses within seven (7) business days of receipt of a proof of loss or within twenty-four (24) hours of our payment of all or part of a loss, whichever is later.

In addition to the Sum Reinsured as set forth herein, the Reinsurer shall pay its proportion of allocated loss expenses incurred by the Company in the same ratio that the Reinsurer's share of the loss payment bears to the total amount of the Company's loss payment under the Policies reinsured. The term "allocated loss expense" means all expenses incurred in the investigation, appraisal, adjustment, defense and settlement of claims or suits, including expenses of determining coverage under the Policies (including declaratory judgment actions brought to determine the Company's obligations) and including the fees and expenses of the Company's staff adjusters allocated to a specific claim under the Policies but excluding other Company salaries and office expenses.

In the event that the Reinsurer fails to indemnify the Company for any losses paid or advanced by the Company within the time frames set forth in this Article G, interest as set forth herein shall be payable for the entire overdue period on all sums due from the Reinsurer. Overdue amounts shall bear simple interest from the overdue date at a rate determined by the 26-week United States Treasury bill rate for the first business day of the calendar month in which the amount becomes overdue, as published in the Wall Street Journal, plus 1% per annum, to be calculated weekly.

H. **Salvage and Subrogation** – The Reinsurer will be paid or credited by the Company with its proportionate share of salvage or subrogation, that is, reimbursement obtained or recovery made by the Company, less all expenses paid by the Company in making such recovery. If no recovery is made, the expenses associated with the recovery effort shall be allocated in proportion to the respective parties' share of the loss. If the reinsurance afforded by this Certificate is on an excess of loss basis, salvage or subrogation shall be applied in the inverse order in which liability attaches.

I. **Taxes** – The Company will be liable for all taxes on premiums ceded to the Reinsurer under this Certificate.

J. **Insolvency** – The reinsurance provided by this Certificate shall be payable by the Reinsurer directly to the Company or to its liquidator, receiver or statutory successor on the basis of the liability of the Company under the Policies without diminution because of the insolvency of the Company. In the event of the insolvency of the Company, the liquidator, receiver or statutory successor of the Company shall give written notice of the pendency of each claim against the Company on the Policies within a reasonable time after such claim is filed in the insolvency proceedings; and during the pendency of such claim the Reinsurer may investigate such claim and interpose at its own expense in the proceeding where such claim is to be adjudicated any defense or defenses which it may deem

available to the Company, its liquidator, receiver or statutory successor. The expense thus incurred by the Reinsurer shall be chargeable, subject to court approval, against the insolvent company as part of the expense of liquidation to the extent of such proportionate share of the benefit which may accrue to the Company solely as the result of the defense undertaken by the Reinsurer.

As to all reinsurance made, ceded, renewed or otherwise becoming effective under this Certificate, the reinsurance shall be payable as set forth above by the Reinsurer to the Company or to its liquidator, receiver, conservator, or statutory successor, except: (1) where this Certificate specifically provides another payee in the event of this insolvency of the Company, or (2) where the Reinsurer, with the consent of the direct insured or insureds has assumed such policy obligations of the Company as direct obligations of the Reinsurer to the payees under such policy and in substitution for the obligations of the Company to such payees. Then, and in that event only, the Company with the prior approval of the certificate of assumption on New York risks by the Superintendent of Insurance of the State of New York, is entirely released from its obligation and the Reinsurer pays any loss directly to payees under such policy.

Should any party hereto be placed in rehabilitation or liquidation or should a rehabilitator, liquidator, receiver, conservator or other person or entity of similar capacity be appointed as respects such party, all amounts due any of the parties hereto whether by reason of premiums, losses or otherwise under this Certificate or any other contract(s) of reinsurance heretofore or hereafter entered into between the parties (whether or not any such contract(s) be assumed or ceded) shall at all times be subject to the right of offset at any time and from time to time, and upon the exercise of same, only the net balance shall be due and payable to the extent such statute or any other applicable law, statute or regulation governing such offset shall apply.

K. **Cancellation** – This Certificate may be cancelled by the Company by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested to the Reinsurer. This Certificate may be cancelled by the Reinsurer only if the Company is permitted to cancel the Policies, as of the effective date of the Reinsurer's attempted cancellation, under applicable law. If the Reinsurer may cancel this Certificate pursuant to the previous sentence, the Reinsurer shall do so by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested in addition to the required notice period under the Policies. If cancelled by the Reinsurer, adjustment of premium shall be on the pro rata basis. If cancelled by the Company, with simultaneous cancellation of the Policies, adjustment premium shall be on the short rate basis. However, if the Policies are cancelled, that shall constitute simultaneous cancellation of this Certificate and calculation of the reinsurance premium hereunder shall follow the Company's calculation in the use of the short rate or pro rata tables.

L. **Complete Agreement** - This Certificate, and any endorsement attached hereto, constitutes the complete agreement of the Company and the Reinsurer concerning the subject matter hereof, and supersedes all negotiations, understandings and agreements by and between the Company and the Reinsurer regarding the subject matter hereof, whether oral or written. No prior proposal, program specification, stipulation, agreement, or arrangement of the Reinsurer or the Company, or their respective employees or agents, or subsequent amendment of this Certificate, shall be valid or enforceable except by endorsement issued to form a part hereof, executed by duly authorized representatives of the Reinsurer and the Company.

M. **Arbitration** – Any difference of opinion between the Reinsurer and the Company with respect to the interpretation of this Certificate, performance of the obligations under the Certificate, as well as the formation and/or validity thereof, shall be submitted to arbitration. Either party may request arbitration in writing sent to the other party by certified or registered mail, return receipt requested. Each party shall select an arbitrator within thirty (30) days after written request for arbitration has been received from the party requesting arbitration. If either party fails to appoint its arbitrator within thirty (30) days after being requested to do so by the other party, the latter, after ten (10) days notice by certified or registered mail of its intention to do so, may appoint the second arbitrator. These two arbitrators shall select a third arbitrator within ten (10) days after both have been appointed. Should the arbitrators fail to agree on a third arbitrator within thirty (30) days of their appointment, the arbitrators may, upon mutual agreement, implement that ARIAS-US Umpire Appointment Procedure to select the third arbitrator. Alternatively, each arbitrator shall select one name from a list of three names submitted by the other arbitrator and the third arbitrator shall be selected by lot between the two names chosen. All arbitrators shall be disinterested active or former officers of other insurance or reinsurance companies or Underwriters at Lloyd's of London. Within thirty (30) days after appointment of all arbitrators, the panel will meet and determine timely periods for briefs, discovery procedures and schedules for hearings. The panel will be relieved of all judicial formality and will not be bound by rules of procedure and evidence. The panel shall interpret this Certificate as an honorable engagement rather than as merely a legal obligation and shall make its decision considering the custom and practice of the applicable insurance and reinsurance business within forty-five (45) days following the termination of the hearings. Unless the panel agrees otherwise, arbitration shall take place in Philadelphia, Pennsylvania, but the venue may be changed when deemed by the panel to be in the best interest of the arbitration proceeding. Insofar as the panel looks to substantive law, it will consider the law of the State of New York without regard for choice of law or conflict of laws principles. The decision of the majority of arbitrators when rendered in writing shall be final and binding on the parties. The panel is empowered to grant interim relief as it may deem appropriate.

Each party will bear the costs of its own arbitrator and will bear, jointly and equally with the other party, the costs of the third arbitrator. The panel will allocate the remaining costs of the arbitration. The panel may, at its discretion,

award such further costs, attorneys' fees and expenses as it considers appropriate, except that the panel shall award interest to the Company as provided in Article G to the extent that the Company is granted recovery of Sums Reinsured not timely paid by the Reinsurer in accordance with this Certificate.

If more than one Reinsurer is involved in the same dispute, all Reinsurers involved in the dispute will constitute and act as one party for purposes of this Article M, and the Company will communicate with each of the Reinsurers constituting that one party; provided, however, that nothing herein will either impair the rights of any such Reinsurer to assert several rather than joint defenses or claims, or be construed as changing the liability of the Reinsurers under a certificate of reinsurance from several to joint. If more than one Reinsurer is a respondent in any arbitration hereunder, the time for appointing the second arbitrator will be extended to six weeks.

The provisions of this Article shall survive the termination of this Certificate.

N. **Letter of Credit Agreement** – If the Reinsurer does not qualify for full credit with any insurance regulatory authority having jurisdiction over the Company's reserves, the Reinsurer shall post collateral in an amount that, at a minimum, will enable the Company to obtain complete statutory credit for all current or future reinsurance recoverables from the Reinsurer, in the amount that would be required by such regulatory authorities. The collateral amount shall also always be large enough to reflect the Reinsurer's share of reserves for loss and loss adjustment expenses, unearned premiums and loss payments paid by the Company yet unrecovered from the Reinsurer.

The Reinsurer shall, at the request of the Company, fund its share of the collateral by Letter of Credit, cash advance, or escrow account for the benefit of the Company, or any combination thereof.

If such funding is by Letter of Credit, it is agreed that such Letter of Credit will be a clean, irrevocable and unconditional Letter of Credit, issued in a form acceptable to the Company and to such insurance regulatory authorities by a financial institution meeting the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit. If the financial institution that issues the Letter of Credit becomes insolvent, goes into receivership, becomes unacceptable to the Company, or to such insurance regulatory authorities or falls below the standards of the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit, the Letter of Credit shall be re-issued in an amount, form and from a financial institution that complies with the requirements as set out in this Certificate.

The Letter of Credit shall be issued for a term of at least one (1) year and include an "Evergreen Clause" automatically extending the term for at least one (1)

additional year at each expiration date, unless written notice of non-renewal is given to the Company not less than sixty (60) days prior to said expiration date.

Unless all amounts due by the Reinsurer under this Certificate have been paid in cash to the Company, the Letter of Credit (or any other collateral) may be drawn upon by the Company in whole or in part, for the protection of the Company. The Company may draw upon the Letter of Credit or other collateral if such Letter of Credit is under notice of non-renewal and has not been replaced by the Reinsurer ten (10) days prior to its expiration. Any amounts drawn from the Letter of Credit in excess of the Reinsurer's ultimate liability shall be refunded to the Reinsurer upon determination of the Reinsurer's ultimate liability.

It is agreed that the financial institution issuing such Letter of Credit shall have no responsibilities in connection with the propriety of withdrawals made by the Company or the disposition of funds withdrawn, except to ascertain that withdrawals are made only upon the order of properly authorized representatives of the Company.

O. **Non-Waiver** – The Company's failure to, or delay in, exercising any rights under this Certificate or under the Letter of Credit shall not constitute a waiver of those rights.

P. **Material Change** – The Company agrees to obtain the prior written approval of the Reinsurer of any material change affecting the Policies.

Q. **Reinsurance Structure** – ACE American Insurance Company issues a Master Policy and directs other authorized insurers outside of the United States to issue locally admitted policies, which shall be issued to a good local standard, including terms and conditions required by law or regulation and subject to prevailing local market conditions. Notwithstanding any provision in this Certificate or in any master policy issued in connection with the global property program of the Original Insured, any loss required by applicable law, court order or regulation in any jurisdiction to be covered (or prohibited to be excluded) under any policy providing property insurance shall be reinsured hereunder. The Reinsurer shall follow the forms issued and shall be bound by all loss settlements made by an Original Insurer ,under any of the Policies.

R. **Service of Suit** – It is agreed that in the event of the failure of the Reinsurer hereon to perform its obligations hereunder, the Reinsurer, at the request of the Company, will submit to the jurisdiction of either the United States District Court for the Southern District of New York or the Supreme Court of the State of New York, New York County, and will comply with all requirements necessary to give such court jurisdiction. Nothing in this Article constitutes or should be understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any state in the United States.

It is further agreed that service of process on the Reinsurer in such suit may be made upon Mendes and Mount, 725 South Figueroa Street, Los Angeles, California 90017/Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829, and that in any suit instituted against any one of them upon this Agreement, Reinsurer shall abide by the final decision of such Court or of any Appellate court in the event of an appeal.

The Reinsurer hereby authorizes Mendes and Mount to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States, which makes provision therefor, the Reinsurer hereby designates the Superintendent, Commissioner or Director of Insurance or other officers specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this Certificate, and hereby designates Mendes and Mount as the person to whom the said officer is authorized to mail such process or a true copy thereof.

This Article is not intended to conflict with or override the parties' obligation to resolve their disputes in accordance with the Arbitration Article in this Certificate.

S. **Governing Law** – Subject to the provisions of the Arbitration Article, this Certificate shall be governed by and interpreted in accordance with the laws of the State of New York, without reference to conflict of law or choice of law principles.

T. **Counterparts** – This Certificate and any Endorsements hereto may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute but one and the same instrument. This Certificate may be executed and delivered by fax and any fax counterpart signature pages shall constitute an original.

V. **Confidentiality** - It is understood and agreed, that materials contained in this Certificate, information obtained through any audits, and/or any claims information between the Company and the Reinsurer, contain confidential, proprietary information of the Company. These statements and representations, either written or oral, are intended for the sole use of the parties to this Certificate (or their retrocessionaires, or auditors, or legal counsel, as may be necessary) in analyzing and/or accepting a participation in, and handling claims under, this Agreement. Copying, duplicating, disclosing or using this information for any purpose beyond these expressed purposes is expressly forbidden without the prior consent of the Company.

Certificate of Facultative Reinsurance

The Reinsurer agrees that should a third party demand pursuant to subpoena, summons, search warrant, court or governmental order, that the Reinsurer disclose such information, the Reinsurer will notify the Company immediately upon receipt of the demand and prior to disclosure of the information. If such notice is provided, the Reinsurers may disclose the information as necessary to satisfy such a demand without breaching the provisions of this Agreement. If the Company objects to the release of the information, the Reinsurer will cooperate with the Company in its efforts to resist release of the information, and the Company will bear the cost of efforts to protect the information.

IN WITNESS WHEREOF, the Reinsurer, by its duly authorized representative, has executed this Certificate of Facultative Reinsurance as set forth below.

D

A. **Application of Liability** – The liability of the Reinsurer, as specified in the Certificate, shall follow that of the Company, subject in all respects to all the terms, conditions, and limit(s) of the Policies except as specifically provided in Article J. herein. The Reinsurer agrees to abide by all settlements made by the Company whether under strict policy conditions or by way of compromise, including settlements involving disputed interpretations of policy terms and/or coverage. Notwithstanding the foregoing, the Reinsurer will not be obligated to indemnify the Company for Ex-Gratia payments. The intent of this Agreement is that the Reinsurer agrees to follow the settlements of the Company in all respects as if being a party to the Policies except as noted herein. The Reinsurer's Certificate period and scope of coverage shall be concurrent with the policy period and scope of coverage as specified in each Policy. Upon Reinsurer's request, the Company shall furnish the Reinsurer with a copy of any or all of the Policies and all endorsements thereto.

B. **Definition of Occurrence** – The term "occurrence" as used herein shall have the same meaning as said term in the Policies, or whatever other term is used in the Policies to denote a single, as opposed to aggregate, loss.

C. **Cooperation of the Company** – The Company shall make available for inspection, and place at the disposal of the Reinsurer at all reasonable times, all records of the Company relating to this Certificate of reinsurance or claims in connection therewith. The Reinsurer's right to inspect premium books and premium records will terminate five years after termination of this Certificate.

D. **No Third Party Benefits** – In no event shall anyone other than the Company or in the event of the Company's insolvency, its receiver, liquidator, or statutory successor, have any rights under this Certificate.

E. **Notice of Loss or Claim** – The Company shall give prompt written notice to the Reinsurer (1) of any occurrence or claim which in the Company's estimation might result in a judgment in an amount sufficient to involve this Certificate; and (2) all material developments pertaining to any occurrence or claim, notice of which was provided hereunder.

F. **Defense of Claims or Suits** – The Company shall investigate and defend all claims involving the reinsurance provided by this Certificate. While the Reinsurer does not undertake to investigate or defend claims or suits, it shall nevertheless have the right and be given the opportunity to associate with the Company and its representatives at its own expense in the defense and control of any claim, suit or proceeding involving this reinsurance with full cooperation of the Company.

G. **Loss Payable** -- The Reinsurer shall indemnify the Company for all losses paid or advanced by the Company in accordance with this Certificate, including interim payments. The Reinsurer shall pay to the Company the Reinsurer's proportion of

losses within seven (7) business days of receipt of a proof of loss or within twenty-four (24) hours of our payment of all or part of a loss, whichever is later.

In addition to the Sum Reinsured as set forth herein, the Reinsurer shall pay its proportion of allocated loss expenses incurred by the Company in the same ratio that the Reinsurer's share of the loss payment bears to the total amount of the Company's loss payment under the Policies reinsured. The term "allocated loss expense" means all expenses incurred in the investigation, appraisal, adjustment, defense and settlement of claims or suits, including expenses of determining coverage under the Policies (including declaratory judgment actions brought to determine the Company's obligations) and including the fees and expenses of the Company's staff adjusters allocated to a specific claim under the Policies but excluding other Company salaries and office expenses.

In the event that the Reinsurer fails to indemnify the Company for any losses paid or advanced by the Company within the time frames set forth in this Article G, interest as set forth herein shall be payable for the entire overdue period on all sums due from the Reinsurer. Overdue amounts shall bear simple interest from the overdue date at a rate determined by the 26-week United States Treasury bill rate for the first business day of the calendar month in which the amount becomes overdue, as published in the Wall Street Journal, plus 1% per annum, to be calculated weekly.

H. **Salvage and Subrogation** – The Reinsurer will be paid or credited by the Company with its proportionate share of salvage or subrogation, that is, reimbursement obtained or recovery made by the Company, less all expenses paid by the Company in making such recovery. If no recovery is made, the expenses associated with the recovery effort shall be allocated in proportion to the respective parties' share of the loss. If the reinsurance afforded by this Certificate is on an excess of loss basis, salvage or subrogation shall be applied in the inverse order in which liability attaches.

I. **Taxes** – The Company will be liable for all taxes on premiums ceded to the Reinsurer under this Certificate.

J. **Insolvency** – The reinsurance provided by this Certificate shall be payable by the Reinsurer directly to the Company or to its liquidator, receiver or statutory successor on the basis of the liability of the Company under the Policies without diminution because of the insolvency of the Company. In the event of the insolvency of the Company, the liquidator, receiver or statutory successor of the Company shall give written notice of the pendency of each claim against the Company on the Policies within a reasonable time after such claim is filed in the insolvency proceedings; and during the pendency of such claim the Reinsurer may investigate such claim and interpose at its own expense in the proceeding where such claim is to be adjudicated any defense or defenses which it may deem available to the Company, its liquidator, receiver or statutory successor. The

expense thus incurred by the Reinsurer shall be chargeable, subject to court approval, against the insolvent company as part of the expense of liquidation to the extent of such proportionate share of the benefit which may accrue to the Company solely as the result of the defense undertaken by the Reinsurer.

As to all reinsurance made, ceded, renewed or otherwise becoming effective under this Certificate, the reinsurance shall be payable as set forth above by the Reinsurer to the Company or to its liquidator, receiver, conservator, or statutory successor, except: (1) where this Certificate specifically provides another payee in the event of this insolvency of the Company, or (2) where the Reinsurer, with the consent of the direct insured or insureds has assumed such policy obligations of the Company as direct obligations of the Reinsurer to the payees under such policy and in substitution for the obligations of the Company to such payees. Then, and in that event only, the Company with the prior approval of the certificate of assumption on New York risks by the Superintendent of Insurance of the State of New York, is entirely released from its obligation and the Reinsurer pays any loss directly to payees under such policy.

Should any party hereto be placed in rehabilitation or liquidation or should a rehabilitator, liquidator, receiver, conservator or other person or entity of similar capacity be appointed as respects such party, all amounts due any of the parties hereto whether by reason of premiums, losses or otherwise under this Certificate or any other contract(s) of reinsurance heretofore or hereafter entered into between the parties (whether or not any such contract(s) be assumed or ceded) shall at all times be subject to the right of offset at any time and from time to time, and upon the exercise of same, only the net balance shall be due and payable to the extent such statute or any other applicable law, statute or regulation governing such offset shall apply.

K. **Cancellation** – This Certificate may be cancelled by the Company by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested to the Reinsurer. This Certificate may be cancelled by the Reinsurer only if the Company is permitted to cancel the Policies, as of the effective date of the Reinsurer's attempted cancellation, under applicable law. If the Reinsurer may cancel this Certificate pursuant to the previous sentence, the Reinsurer shall do so by giving thirty (30) days notice in writing by Registered Mail or Certified Mail with Return Receipt Requested in addition to the required notice period under the Policies. If cancelled by the Reinsurer, adjustment of premium shall be on the pro rata basis. If cancelled by the Company, with simultaneous cancellation of the Policies, adjustment premium shall be on the short rate basis. However, if the Policies are cancelled, that shall constitute simultaneous cancellation of this Certificate and calculation of the reinsurance premium hereunder shall follow the Company's calculation in the use of the short rate or pro rata tables.

L. **Complete Agreement -** This Certificate, and any endorsement attached hereto, constitutes the complete agreement of the Company and the Reinsurer concerning

the subject matter hereof, and supersedes all negotiations, understandings and agreements by and between the Company and the Reinsurer regarding the subject matter hereof, whether oral or written. No prior proposal, program specification, stipulation, agreement, or arrangement of the Reinsurer or the Company, or their respective employees or agents, or subsequent amendment of this Certificate, shall be valid or enforceable except by endorsement issued to form a part hereof, executed by duly authorized representatives of the Reinsurer and the Company.

M. **Arbitration** – Any difference of opinion between the Reinsurer and the Company with respect to the interpretation of this Certificate, performance of the obligations under the Certificate, as well as the formation and/or validity thereof, shall be submitted to arbitration. Either party may request arbitration in writing sent to the other party by certified or registered mail, return receipt requested. Each party shall select an arbitrator within thirty (30) days after written request for arbitration has been received from the party requesting arbitration. If either party fails to appoint its arbitrator within thirty (30) days after being requested to do so by the other party, the latter, after ten (10) days notice by certified or registered mail of its intention to do so, may appoint the second arbitrator. These two arbitrators shall select a third arbitrator within ten (10) days after both have been appointed. Should the arbitrators fail to agree on a third arbitrator within thirty (30) days of their appointment, the arbitrators may, upon mutual agreement, implement that ARIAS-US Umpire Appointment Procedure to select the third arbitrator. Alternatively, each arbitrator shall select one name from a list of three names submitted by the other arbitrator and the third arbitrator shall be selected by lot between the two names chosen. All arbitrators shall be disinterested active or former officers of other insurance or reinsurance companies or Underwriters at Lloyd's of London. Within thirty (30) days after appointment of all arbitrators, the panel will meet and determine timely periods for briefs, discovery procedures and schedules for hearings. The panel will be relieved of all judicial formality and will not be bound by rules of procedure and evidence. The panel shall interpret this Certificate as an honorable engagement rather than as merely a legal obligation and shall make its decision considering the custom and practice of the applicable insurance and reinsurance business within forty-five (45) days following the termination of the hearings. Unless the panel agrees otherwise, arbitration shall take place in Philadelphia, Pennsylvania, but the venue may be changed when deemed by the panel to be in the best interest of the arbitration proceeding. Insofar as the panel looks to substantive law, it will consider the law of the State of New York without regard for choice of law or conflict of laws principles. The decision of the majority of arbitrators when rendered in writing shall be final and binding on the parties. The panel is empowered to grant interim relief as it may deem appropriate.

Each party will bear the costs of its own arbitrator and will bear, jointly and equally with the other party, the costs of the third arbitrator. The panel will allocate the remaining costs of the arbitration. The panel may, at its discretion, award such further costs, attorneys' fees and expenses as it considers appropriate, except that the panel shall award interest to the Company as provided in Article G

to the extent that the Company is granted recovery of Sums Reinsured not timely paid by the Reinsurer in accordance with this Certificate.

If more than one Reinsurer is involved in the same dispute, all Reinsurers involved in the dispute will constitute and act as one party for purposes of this Article M, and the Company will communicate with each of the Reinsurers constituting that one party; provided, however, that nothing herein will either impair the rights of any such Reinsurer to assert several rather than joint defenses or claims, or be construed as changing the liability of the Reinsurers under a certificate of reinsurance from several to joint. If more than one Reinsurer is a respondent in any arbitration hereunder, the time for appointing the second arbitrator will be extended to six weeks.

The provisions of this Article shall survive the termination of this Certificate.

N. **Letter of Credit Agreement** – If the Reinsurer does not qualify for full credit with any insurance regulatory authority having jurisdiction over the Company's reserves, the Reinsurer shall post collateral in an amount that, at a minimum, will enable the Company to obtain complete statutory credit for all current or future reinsurance recoverables from the Reinsurer, in the amount that would be required by such regulatory authorities. The collateral amount shall also always be large enough to reflect the Reinsurer's share of reserves for loss and loss adjustment expenses, unearned premiums and loss payments paid by the Company yet unrecovered from the Reinsurer.

The Reinsurer shall, at the request of the Company, fund its share of the collateral by Letter of Credit, cash advance, or escrow account for the benefit of the Company, or any combination thereof.

If such funding is by Letter of Credit, it is agreed that such Letter of Credit will be a clean, irrevocable and unconditional Letter of Credit, issued in a form acceptable to the Company and to such insurance regulatory authorities by a financial institution meeting the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit. If the financial institution that issues the Letter of Credit becomes insolvent, goes into receivership, becomes unacceptable to the Company, or to such insurance regulatory authorities or falls below the standards of the NAIC Securities Valuation Office credit standards for issuers of Letters of Credit, the Letter of Credit shall be re-issued in an amount, form and from a financial institution that complies with the requirements as set out in this Certificate.

The Letter of Credit shall be issued for a term of at least one (1) year and include an "Evergreen Clause" automatically extending the term for at least one (1) additional year at each expiration date, unless written notice of non-renewal is given to the Company not less than sixty (60) days prior to said expiration date.

Unless all amounts due by the Reinsurer under this Certificate have been paid in cash to the Company, the Letter of Credit (or any other collateral) may be drawn upon by the Company in whole or in part, for the protection of the Company. The Company may draw upon the Letter of Credit or other collateral if such Letter of Credit is under notice of non-renewal and has not been replaced by the Reinsurer ten (10) days prior to its expiration. Any amounts drawn from the Letter of Credit in excess of the Reinsurer's ultimate liability shall be refunded to the Reinsurer upon determination of the Reinsurer's ultimate liability.

It is agreed that the financial institution issuing such Letter of Credit shall have no responsibilities in connection with the propriety of withdrawals made by the Company or the disposition of funds withdrawn, except to ascertain that withdrawals are made only upon the order of properly authorized representatives of the Company.

O. **Non-Waiver** – The Company's failure to, or delay in, exercising any rights under this Certificate or under the Letter of Credit shall not constitute a waiver of those rights.

P. **Material Change** – The Company agrees to obtain the prior written approval of the Reinsurer of any material change affecting the Policies.

Q. **Reinsurance Structure** – ACE American Insurance Company issues a Master Policy and directs other authorized insurers outside of the United States to issue locally admitted policies, which shall be issued to a good local standard, including terms and conditions required by law or regulation and subject to prevailing local market conditions. Notwithstanding any provision in this Certificate or in any master policy issued in connection with the global property program of the Original Insured, any loss required by applicable law, court order or regulation in any jurisdiction to be covered (or prohibited to be excluded) under any policy providing property insurance shall be reinsured hereunder. The Reinsurer shall follow the forms issued and shall be bound by all loss settlements made by an Original Insurer ,under any of the Policies.

R. **Service of Suit** – It is agreed that in the event of the failure of the Reinsurer hereon to perform its obligations hereunder, the Reinsurer, at the request of the Company, will submit to the jurisdiction of either the United States District Court for the Southern District of New York or the Supreme Court of the State of New York, New York County, and will comply with all requirements necessary to give such court jurisdiction. Nothing in this Article constitutes or should be understood to constitute a waiver of Reinsurer's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District court, or to seek a transfer of a case to another Court as permitted by the laws of the United States or of any state in the United States.

It is further agreed that service of process on the Reinsurer in such suit may be made upon Mendes and Mount, 725 South Figueroa Street, Los Angeles,

California 90017/Mendes and Mount, 750 Seventh Avenue, New York, New York 10019-6829, and that in any suit instituted against any one of them upon this Agreement, Reinsurer shall abide by the final decision of such Court or of any Appellate court in the event of an appeal.

The Reinsurer hereby authorizes Mendes and Mount to accept service of process on behalf of Reinsurer in any such suit and/or upon the request of the Company to give a written undertaking to the Company that they will enter a general appearance upon Reinsurer's behalf in the event such a suit shall be instituted.

Further, pursuant to any statute of any state, territory or district of the United States, which makes provision therefor, the Reinsurer hereby designates the Superintendent, Commissioner or Director of Insurance or other officers specified for that purpose in the statute, or his successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Company or any beneficiary hereunder arising out of this Certificate, and hereby designates Mendes and Mount as the person to whom the said officer is authorized to mail such process or a true copy thereof.

This Article is not intended to conflict with or override the parties' obligation to resolve their disputes in accordance with the Arbitration Article in this Certificate.

S. **Governing Law** – Subject to the provisions of the Arbitration Article, this Certificate shall be governed by and interpreted in accordance with the laws of the State of New York, without reference to conflict of law or choice of law principles.

T. **Counterparts** – This Certificate and any Endorsements hereto may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute but one and the same instrument. This Certificate may be executed and delivered by fax and any fax counterpart signature pages shall constitute an original.

V. **Confidentiality** - It is understood and agreed, that materials contained in this Certificate, information obtained through any audits, and/or any claims information between the Company and the Reinsurer, contain confidential, proprietary information of the Company. These statements and representations, either written or oral, are intended for the sole use of the parties to this Certificate (or their retrocessionaires, or auditors, or legal counsel, as may be necessary) in analyzing and/or accepting a participation in, and handling claims under, this Agreement. Copying, duplicating, disclosing or using this information for any purpose beyond these expressed purposes is expressly forbidden without the prior consent of the Company.

The Reinsurer agrees that should a third party demand pursuant to subpoena, summons, search warrant, court or governmental order, that the Reinsurer disclose such information, the Reinsurer will notify the Company immediately upon receipt of the demand and prior to disclosure of the information. If such notice is provided, the Reinsurers may disclose

the information as necessary to satisfy such a demand without breaching the provisions of this Agreement. If the Company objects to the release of the information, the Reinsurer will cooperate with the Company in its efforts to resist release of the information, and the Company will bear the cost of efforts to protect the information.

IN WITNESS WHEREOF, the Reinsurer, by its duly authorized representative, has executed this Certificate of Facultative Reinsurance as set forth below.

3. Subsection 11. Termination of Policy or Coverage Section of the General Terms and Conditions Section is amended further to add the following at the end of such Subsection:

"Any notice of cancellation by the Company will be delivered or mailed by first class mail (if the Company retains a date stamped proof of mailing from the post office showing the addressee) or certified mail to the Parent Organization at its last address known to the Company.

The Company will provide such notice of such cancellation between thirty (30) and one hundred twenty (120) days before the effective date of cancellation, except that notice of cancellation for nonpayment of premium or moral hazard may be given up to ten (10) days before the effective date of cancellation.

Notices of cancellation or non-renewal by the Company will contain a provision in bold type stating that the Insured may file a written complaint on the decision to cancel or non-renew such coverage section with the New Jersey Department of Insurance. The Department's address will be included and the Insured will be advised to immediately contact the Insurance Department in the event it wishes to file a complaint.

The Company has no obligation to send notice of cancellation or non-renewal if the Parent Organization has:

The Company may increase premium or change the terms and conditions of the policy upon renewal by delivering or mailing written notice of such changes to the Parent Organization between thirty (30) and one hundred and twenty (120) days before the premium due date. Such notice will state the effect of nonpayment of the premium by the due date."

Any **Loss** otherwise covered by both (i) this coverage section and (ii) any employment practices liability coverage section or policy issued by the Company or by any affiliate of the Company (an "Employment Practices Liability Coverage"), first shall be covered as provided in, and shall be subject to the limit of liability, retention and coinsurance percentage applicable to the Employment Practices Liability Coverage. Any remaining **Loss** otherwise covered by this coverage section which is not paid under the Employment Practices Liability

Coverage shall be covered as provided in, and shall be subject to the Limit of Liability and Retention applicable to this coverage section; provided the Retention applicable to such **Loss** under this coverage section shall be reduced by the amount of **Loss** otherwise covered by this coverage section which is paid by the **Insureds** as the retention under such Employment Practices Liability Coverage.

Extended Reporting Period

9. If the Company or the **Parent Organization** terminates or does not renew this coverage section, other than termination by the Company for nonpayment of premium, the **Parent Organization** and the **Insureds** shall have the right, upon payment of the additional premium set forth in Item 6(B) of the Declarations for this coverage section, to an extension of the coverage granted by this coverage section for **Claims** that are (i) first made during the period set forth in Item 6(A) of the Declarations for this coverage section (the "Extended Reporting Period") following the effective date of termination or nonrenewal, and (ii) reported to the Company in writing within the time provided in Subsection 11(a) of this coverage section, but only to the extent such **Claims** are for **Wrongful Acts** committed, attempted, or allegedly committed or attempted before the earlier of the effective date of termination or nonrenewal or the date of the first merger, consolidation or acquisition event described in Subsection 16 below. The offer of renewal terms and conditions or premiums different from those in effect prior to renewal shall not constitute refusal to renew. The right to purchase an extension of coverage as described in this subsection shall lapse unless written notice of election to purchase the extension, together with payment of the additional premium due, is received by the Company within thirty (30) days after the effective date of termination or nonrenewal. Any **Claim** made during the Extended Reporting Period shall be deemed to have been made during the immediately preceding **Policy Period**. The entire additional premium for the Extended Reporting Period shall be deemed fully earned at the inception of such Extended Reporting Period.

Limit of Liability and Retention

10. (a) The Company's maximum liability for all **Loss** on account of each **Claim** covered under Insuring Clause 1 shall be the Limit of Liability set forth in Item 3(A) of the Declarations for this coverage section. The Company's maximum aggregate liability for all **Loss** on account of all **Claims** first made during the **Policy Period**, whether covered under one or both Insuring Clauses, shall be the Limit of Liability set forth in Item 3(B) of the Declarations for this coverage section. The Company's maximum liability for all **Defense Costs** and **Settlement Fees** with respect to each **Settlement Program Notice** for which coverage is provided under Insuring Clause 2, and the Company's maximum aggregate liability for all **Defense Costs** and **Settlement Fees** with respect to all such **Settlement Program Notices** first given to the Company during the **Policy Period**, shall be $100,000, which amount is part of and not in addition to the Limit of Liability for each **Policy Period** set forth in Item 3(B) of the Declarations for this coverage section.

(b) Solely in the event that Defense Outside the Limits of Liability Coverage is purchased, as set forth in Item 2 of the Declarations for this coverage section, **Defense Costs** shall be in addition to, and not part of, the applicable Limit of Liability; provided that, when such Limit of Liability is exhausted by payment of **Loss**, other than **Defense Costs**, any obligation of the Company to pay **Defense Costs** or to defend or continue to defend any **Claim** shall cease. If Defense Outside the Limits of Liability Coverage is not purchased, **Defense Costs** shall be part of, and not in

addition to, the Limits of Liability set forth in Item 3 of the Declarations for this coverage section, and the payment by the Company of **Defense Costs** shall reduce and may exhaust such applicable Limits of Liability.

(c) No Retention shall apply to any **Loss** under this coverage section incurred by an **Insured Person** if such **Loss** can not be indemnified by an **Organization** or **Plan** because such **Organization** or **Plan** is either not legally permitted or required to indemnify, or is unable to indemnify, such **Insured Person** by reason of **Financial Impairment**. The Company's liability for all other covered **Loss** (as determined by Subsection 13 of this coverage section, if applicable) shall apply only to that part of **Loss** on account of each **Claim** which is excess of the applicable Retention set forth in Item 4 of the Declarations for this coverage section. Such Retention shall be reduced only by **Loss** otherwise covered under this coverage section and shall be borne by the **Insureds** uninsured and at their own risk.

(d) If different parts of a single **Claim** are subject to different Retentions, the applicable Retentions will be applied separately to each part of such **Claim**, but the sum of such Retentions shall not exceed the largest applicable Retention.

(e) All **Related Claims** shall be treated as a single **Claim** first made on the date the earliest of such **Related Claims** was first made, or on the date the earliest of such **Related Claims** is treated as having been made in accordance with Subsection 11(b) of this coverage section, regardless of whether such date is before or during the **Policy Period**.

(f) The limit of liability available during the Extended Reporting Period (if exercised) shall be part of, and not in addition to, the Company's maximum aggregate limit of liability for all **Loss** on account of all **Claims** first made during the immediately preceding **Policy Period**.

Reporting and Notice

11. (a) The **Insureds** shall, as a condition precedent to exercising any right to coverage under this coverage section, give to the Company written notice of any **Fiduciary Claim** as soon as practicable, but in no event more than the earliest of the following dates:

(i) sixty (60) days after the date on which any **Organization**'s chief financial officer, in-house general counsel, risk manager, president, chief executive officer or chairperson first becomes aware that the **Fiduciary Claim** has been made;

(ii) if this coverage section expires (or is otherwise terminated) without being renewed and if no Extended Reporting Period is purchased, sixty (60) days after the effective date of such expiration or termination; or

(iii) the expiration date of the Extended Reporting Period, if purchased;

provided that if the Company sends written notice to the **Parent Organization**, at any time before the date set forth in (i) above with respect to any **Claim,** stating that this coverage section is being terminated for non-payment of premium, the **Insureds** shall give to the Company written notice of such **Claim** prior to the effective date of such termination.

(b) If during the **Policy Period** an **Insured**:

(i) becomes aware of circumstances which could give rise to a **Fiduciary Claim** and gives written notice of such circumstances to the Company;

(ii) receives a written request to toll or waive a statute of limitations applicable to **Wrongful Acts** committed, attempted, or allegedly committed or attempted before or during the **Policy Period** and gives written notice of such request and of such alleged **Wrongful Acts** to the Company; or

(iii) gives written notice to the Company of a **Settlement Program Notice**,

then any **Claim** subsequently arising from the circumstances referred to in (i) above, from the **Wrongful Acts** referred to in (ii) above, or from the **Settlement Program Notice** referred to in (iii) above, shall be deemed to have been first made during the **Policy Period** in which the written notice described in (i), (ii) or (iii) above was first given by an **Insured** to the Company, provided any such subsequent **Claim** is reported to the **Company** as set forth in Subsection 11(a) above. With respect to any such subsequent **Claim**, no coverage under this coverage section shall apply to loss incurred prior to the date such subsequent **Claim** is actually made.

(c) The **Insureds** shall, as a condition precedent to exercising any right to coverage under this coverage section, give to the Company such information and cooperation as the Company may reasonably require, and shall include in any notice under Subsection 11(a) or (b) a description of the **Claim** or circumstances, the nature of any alleged **Wrongful Acts**, the nature of the alleged or potential damage, the names of all actual or potential claimants, the names of all actual or potential defendants, and the manner in which such **Insured** first became aware of the **Claim** or circumstances.

Defense and Settlement

12. (a) The Company shall have the right and duty to defend any **Claim** covered by this coverage section, even if any of the allegations in such **Claim** are groundless, false or fraudulent. The Company's duty to defend any **Claim** shall cease upon exhaustion of the applicable Limit of Liability.

(b) The Company may make any investigation it deems necessary and may, with the consent of the **Insured**, make any settlement of any **Claim** it deems expedient. If any **Insured** withholds consent to any settlement acceptable to the claimant in accordance with the Company's recommendation (a "Proposed Settlement"), the Company's liability for all **Loss**, including **Defense Costs**, from such **Claim** shall not exceed:

(i) the amount of the Proposed Settlement plus **Defense Costs** incurred up to the date of the **Insured's** refusal to consent to the Proposed Settlement of such **Claim**; plus

(ii) seventy percent (70%) of any **Loss**, including **Defense Costs**, in excess of the amount referenced in paragraph (i) above, incurred in connection with such **Claim**; subject in all events to the applicable Retention and the available Limit

of Liability for such **Claim**. The remaining thirty percent (30%) of any **Loss**, including **Defense Costs**, in excess of the amount referenced in paragraph (i) above will be borne by the **Insured** uninsured and at its own risk.

(c) The **Insureds** agree not to settle or offer to settle any **Claim**, incur any **Defense Costs** or otherwise assume any contractual obligation or admit any liability with respect to any **Claim** without the Company's prior written consent, which shall not be unreasonably withheld. The Company shall not be liable for any **Defense Costs**, for any other element of **Loss** incurred, for any obligation assumed, or for any admission made, by any **Insured** without the Company's prior written consent.

(d) The **Insureds** agree to provide the Company with all information, assistance and cooperation which the Company reasonably require and agree that in the event of a **Claim** the **Insureds** will do nothing that could prejudice the Company's position or its potential or actual rights of recovery.

Allocation

13. (a) If in any **Claim** the **Insureds** incur both **Loss** that is covered under this coverage section and loss that is not covered under this coverage section, either because such **Claim** includes both covered and non-covered matters or because such **Claim** is made against both **Insureds** and others, the **Insureds** and the Company shall allocate such amount between covered **Loss** and non-covered loss based on the relative legal and financial exposures of the parties to covered and non-covered matters and, in the event of a settlement in such **Claim**, based also on the relative benefits to the parties from such settlement. The Company shall not be liable under this coverage section for the portion of such amount allocated to non-covered loss.

(b) If the **Insureds** and the Company cannot agree on an allocation of **Loss**:

(i) no presumption as to allocation shall exist in any arbitration, suit or other proceeding; and

(ii) the Company, if requested by the **Insureds**, shall submit the dispute to binding arbitration. The rules of the American Arbitration Association shall apply except with respect to the selection of the arbitration panel, which shall consist of one arbitrator selected by the **Insureds**, one arbitrator selected by the Company, and a third independent arbitrator selected by the first two arbitrators.

Other Insurance

14. If any **Loss** under this coverage section is insured under any other valid insurance policy(ies), then this coverage section shall cover such **Loss**, subject to its limitations, conditions, provisions and other terms, only to the extent that the amount of such **Loss** is in excess of the applicable retention (or deductible) and limit of liability under such other insurance, whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only as specific excess insurance over the Limits of Liability provided in this coverage section. Any payment by **Insureds** of a retention or deductible under such other insurance shall deplete, by the amount of such payment which would otherwise be covered under this coverage section, the applicable Retention under this coverage section.

Changes in Exposure

Acquisition/Creation of Another Organization

15. If before or during the **Policy Period** any **Organization**:

    (a) acquires securities or voting rights in another organization or creates another organization, which as a result of such acquisition or creation becomes a **Subsidiary**; or

    (b) acquires another organization by merger into or consolidation with an **Organization**, such that the **Organization** is the surviving entity,

    such other organization and its **Insureds** shall be **Insureds** under this coverage section, but only with respect to **Wrongful Acts** committed, attempted, or allegedly committed or attempted after such acquisition or creation unless the Company agrees, after presentation of a complete application and all other appropriate information, to provide coverage by endorsement for **Wrongful Acts** committed, attempted, or allegedly committed or attempted before such acquisition or creation.

    If the total assets of any such acquired organization or new **Subsidiary** exceed fifteen percent (15%) of the total assets of the **Parent Organization** (as reflected in the most recent audited consolidated financial statements of such organization and the **Parent Organization**, respectively, as of the date of such acquisition or creation), the **Parent Organization** shall give written notice of such acquisition or creation to the Company as soon as practicable, but in no event later than sixty (60) days after the date of such acquisition or creation, together with such other information as the Company may require and shall pay any reasonable additional premium required by the Company. If the **Parent Organization** fails to give such notice within the time specified in the preceding sentence, or fails to pay the additional premium required by the Company, coverage for such acquired or created organization and its **Insureds** shall terminate with respect to **Claims** first made more than sixty (60) days after such acquisition or creation. Coverage for any acquired or created organization described in this paragraph, and for the **Insureds** of such organization, shall be subject to such additional or different terms, conditions and limitations of coverage as the Company in its sole discretion may require.

Acquisition by Another Organization

16. If:

    (a) the **Parent Organization** merges into or consolidates with another organization and the **Parent Organization** is not the surviving entity; or

    (b) another organization or person or group of organizations and/or persons acting in concert acquires securities or voting rights which result in ownership or voting control by the other organization(s) or person(s) of more than fifty percent (50%) of the outstanding securities or voting rights representing the present right to vote for the election of or to appoint directors or **Managers** of the **Parent Organization**,

coverage under this coverage section shall continue until termination of this coverage section, but only with respect to **Claims** for **Wrongful Acts** committed, attempted, or allegedly committed or attempted before such merger, consolidation or acquisition. Upon the occurrence of any event described in (a) or (b) of this Subsection 16, the entire premium for this coverage section shall be deemed fully earned.

The **Parent Organization** shall give written notice of such merger, consolidation or acquisition to the Company as soon as practicable, but in no event later than sixty (60) days after the date of such merger, consolidation, or acquisition, together with such other information as the Company may require. Upon receipt of such notice and information and at the request of the **Parent Organization**, the Company shall provide to the **Parent Organization** a quotation for an extension of coverage (for such period as may be negotiated between the Company and the **Parent Organization**) with respect to **Claims** for **Wrongful Acts** committed, attempted, or allegedly committed or attempted by **Insureds** before such merger, consolidation or acquisition. Any coverage extension pursuant to such quotation shall be subject to such additional or different terms, conditions and limitations of coverage and payment of such additional premium, as the Company in its sole discretion may require.

Cessation of Subsidiary

17. In the event an organization ceases to be a **Subsidiary** before or during the **Policy Period**, coverage with respect to such **Subsidiary** and its **Insureds** shall continue until termination of this coverage section, but only with respect to **Claims** for **Wrongful Acts** committed, attempted, or allegedly committed or attempted while such organization was a **Subsidiary**.

Termination of Plan

18. If an **Organization** terminates a **Plan** before or after the inception date set forth in Item 2 of the Declarations of the General Terms and Conditions, coverage under this coverage section with respect to such terminated **Plan** and its **Insureds** shall continue until termination of this coverage section for those who were **Insureds** prior to or at the time of such **Plan** termination or who would have been **Insureds** at the time of such termination if this coverage section had then been in effect. Such continuation of coverage shall apply with respect to **Claims** for **Wrongful Acts** committed, attempted, or allegedly committed or attempted prior to or after the date the **Plan** was terminated.

Creation or Acquisition of an ESOP

19. Notwithstanding anything in this coverage section to the contrary, if during the **Policy Period** the **Organization** creates or directly or indirectly acquires an employee stock ownership plan ("ESOP"), the **Organization** shall promptly give to the Company written notice thereof together with such other information requested by the Company. The Company shall, at the request of the **Organization**, provide to the **Organization** a quotation for coverage for **Claims** based upon, arising from, or in consequence of such ESOP, subject to such terms, conditions, limitations of coverage and such additional premium as the Company, in its sole discretion, may require. Unless the **Insureds** accept such quotation and pay such additional premium within thirty (30) days after receipt of the

quotation, no coverage will be available under this coverage section for **Claims** based upon, arising from or in consequence of such ESOP.

Representations and Severability

20. In issuing this coverage section the Company has relied upon the statements, representations and information in the **Application**. All of the **Insureds** acknowledge and agree that all such statements, representations and information (i) are true and accurate, (ii) were made or provided in order to induce the Company to issue this coverage section, and (iii) are material to the Company's acceptance of the risk to which this coverage section applies.

    In the event that any of the statements, representations or information in the **Application** are not true and accurate, this coverage section shall be void with respect to (i) any **Insured** who knew as of the effective date of the **Application** the facts that were not truthfully and accurately disclosed (whether or not the **Insured** knew of such untruthful disclosure in the **Application**) or to whom knowledge of such facts is imputed, and (ii) the **Organization** to the extent it indemnifies an **Insured Person** who had such actual or imputed knowledge. For purposes of the preceding sentence:

    (a) the knowledge of any **Insured Person** who is a past, present or future chief financial officer, in-house general counsel, chief executive officer, president or chairperson of any **Organization** shall be imputed to such **Organization** and its **Subsidiaries** and their respective **Plans**;

    (b) the knowledge of the person(s) who signed the **Application** for this coverage section shall be imputed to all of the **Insureds**; and

    (c) except as provided in (a) above, the knowledge of an **Insured Person** who did not sign the **Application** shall not be imputed to any other **Insured**.

NEW JERSEY AMENDATORY ENDORSEMENT TO THE FIDUCIARY LIABILITY COVERAGE SECTION

In consideration of the premium charged, it is agreed that:

1. Subsection 9. Extended Reporting Period of the Fiduciary Liability Coverage Section is amended by deleting the first sentence thereof and replacing it with the following:

   "If the Company or the Insureds terminate or refuse to renew this coverage section, the Parent Organization and the Insureds shall have the right, upon payment of the additional premium set forth in Item 6(B) of the Declarations for this coverage section, to an extension of the coverage granted by this coverage section for Claims that are (i) first made during the period set forth in Item 6(A) of the Declarations for this coverage section (the "Extended Reporting Period") following the effective date of termination or non-renewal, and (ii) reported to the Company in writing within the time provided in Subsection 11(a) of this coverage section, but only to the extent such Claims are for Wrongful Acts committed, attempted, or allegedly committed or attempted before the earlier of the effective date of termination or non-renewal or the date of the first merger, consolidation or acquisition event described in Subsection 16 below."

2. Subsection 9. Extended Reporting Period of the Fiduciary Liability Coverage Section is further amended by adding the following at the end of such Subsection:

Fiduciary Liability Excess Policy

Claims Made Coverage

ZURICH

In consideration of payment of the premium and in reliance upon all statements made and information furnished to the Zurich American Insurance Company (herein called the Underwriter) and to the Insurers of the **Underlying Insurance,** including the statements made in the application and its attachments and any material submitted therewith, all of which are made a part hereof, and subject to the Declarations and the limitations, conditions, provisions, and other terms of this policy (including any endorsements hereto), the Underwriter, the **Parent Company** and the **Insureds** agree as follows:

I. INSURING CLAUSE

The Underwriter shall provide the **Insureds** with insurance coverage during the **Policy Period** excess of the **Underlying Insurance**. Coverage under this policy shall attach only after all of the Limit(s) of Liability of **Underlying Insurance** has been exhausted by the actual payment of loss(es). Except as otherwise provided herein, coverage under this policy shall then apply in conformance with and subject to the warranties, limitations, conditions, provisions, and other terms of the **Primary Policy** as in effect the first day of the **Policy Period,** together with the warranties and limitations of any other **Underlying Insurance.** In no event shall coverage under this policy be broader than coverage under any **Underlying Insurance.**

II. DEFINITIONS

When used in this policy:

A. **Insured**, either in the singular or plural, means those persons, organizations or benefit programs designated as insureds under the **Primary Policy.**

B. **Parent Company** means the organization designated in Item 1 of the Declarations of this policy.

C. **Policy Period** means the period of time specified in Item 4 of the Declarations of this policy, subject to prior termination in accordance with Subsection III.H. of this policy. If this period is less than or greater than one year, the Limit of Liability specified in Item 2 of the Declarations of this policy shall be the Underwriter's maximum limit of liability under this policy for the entire period.

D. **Primary Policy** means the policy designated in Item 3(A) of the Declarations of this policy.

E. **Underlying Insurance** means all of those policy(ies) designated in Item 3 of the Declarations of this policy.

III. GENERAL CONDITIONS AND LIMITATIONS

A. MAINTENANCE OF UNDERLYING INSURANCE

The Limit(s) of Liability of the **Underlying Insurance** scheduled in Item 3 of the Declarations of this policy shall be maintained during the **Policy Period** in full effect with solvent insurers except for any reduction or exhaustion of the aggregate Limit(s) of Liability available under the **Underlying Insurance** solely by reason of actual payment of loss(es) thereunder. Failure to comply with the foregoing shall not invalidate this policy but the Underwriter shall not be liable to a greater extent than if this condition had been complied with. To the extent that any **Underlying Insurance** is not so maintained, then the **Insureds** shall be deemed to be self-insured for the amount of the Limit(s) of Liability of any such **Underlying Insurance.**

In the event of a change to any **Underlying Insurance** by rewrite, endorsement or otherwise, coverage under this policy shall become subject to such change only if and to the extent the Underwriter's consent to such change is endorsed in writing to this policy. If such consent is not endorsed in writing on to this policy, the Underwriter shall not be liable to a greater extent than it would have been in the absence of such change to the **Underlying Insurance.**

B. REDUCTION/EXHAUSTION OF UNDERLYING LIMITS

In the event and only in the event of the reduction or exhaustion of the Limit(s) of Liability of the **Underlying Insurance** solely as the result of actual payment of loss covered thereunder, this policy shall: (i) in the event of reduction, pay excess of the reduced Limit(s) of Liability of the **Underlying Insurance**, and (ii) in the event of exhaustion, continue in force as primary insurance excess of the retention applicable in the **Primary Policy**, which retention shall be applied to any subsequent loss as specified in the **Primary Policy**.

Notwithstanding any of the terms of this policy which might be construed otherwise, this policy shall drop down only in the event of reduction or exhaustion of the **Underlying Insurance** by the actual payment of loss and shall not drop down for any other reason including, but not limited to, uncollectibility (in whole or in part) of any **Underlying Insurance.** The risk of uncollectibility of such **Underlying Insurance** (in whole or in part) whether because of financial impairment or insolvency of the underlying insurer or for any other reason, is expressly retained by the **Insureds** and is not in any way or under any circumstances insured or assumed by the Underwriter.

C. LIMIT OF LIABILITY

The amount set forth in Item 2 of the Declarations is the maximum aggregate Liability of the Underwriter under this policy with respect to all claims first made during the **Policy Period** against all **Insureds** irrespective of the time of payment by the Underwriter. Defense Costs are part of and not in addition to the Limit of Liability and the payment by the Underwriter of Defense Costs reduces such Limit of Liability.

D. INVESTIGATION AND SETTLEMENT

The Underwriter may, at its sole discretion, elect to participate in the investigation, settlement or defense of any claim against any of the **Insureds** for matters covered by this policy even if the **Underlying Insurance** has not been exhausted and the **Insureds** shall give the Underwriter such information and cooperation as it may reasonably require.

E. SUBROGATION

In that this policy is "Excess Coverage," the **Insureds'** right of recovery against any person or entity may not be exclusively subrogated to the Underwriter. Therefore, in the event of any payment under this policy, the Underwriter will act in concert with all other interests (including the **Insureds'**) concerned in the exercise of such rights of recovery. The apportioning of amounts which may be so recovered shall follow the principle that any interests (including the **Insureds'**) that shall have paid an amount over and above any payment hereunder, shall first be reimbursed up to the amount paid by them; the Underwriter is then to be reimbursed out of any balance then remaining up to the amount paid hereunder; lastly the interests (including the **Insureds'**) of which this coverage is in excess are entitled to claim the residue, if any. Expenses necessary to the recovery of any such amounts shall be apportioned between the interests (including the **Insureds'**) concerned, in the ratio of their respective recoveries as finally settled.

F. NOTICE

The **Insureds** shall, as a condition precedent to exercising their rights under this policy, give to the Underwriter written notice of any claim or any situation that could give rise to a claim under this policy or any **Underlying Insurance** in the same manner required by the terms and conditions of the **Primary Policy.**

The Underwriter shall be given notice in writing as soon as practicable in the event of (a) the termination of any **Underlying Insurance,** (b) any additional or return premiums charged or allowed in connection with any **Underlying Insurance,** or (c) any change to the **Underlying Insurance** by rewrite, endorsement or otherwise. Written notice to the Underwriter shall be given to Zurich American Insurance Company, One Liberty Plaza, 30th Floor, New York, New York 10006, Attention Executive Assurance Department.

G. ALTERATION

No change in, modification of, or assignment of interest under this policy shall be effective except when made by a written endorsement to this policy which is signed by an authorized representative of the Underwriter.

H. POLICY TERMINATION

This policy shall terminate at the earliest of the following times:

1. the effective date of termination specified in written prior notice by the **Parent Company** to the Underwriter,
2. sixty (60) days after receipt by the **Parent Company** of a written notice of termination from the Underwriter.
3. upon expiration of the **Policy Period** as set forth in Item 4 of the Declarations,
4. ten (10) days after receipt by the **Parent Company** of a written notice of termination from the Underwriter for failure to pay a premium when due,
5. at such time as may be agreed upon by the Underwriter and the **Parent Company.**

The Underwriter shall refund the unearned premium computed at customary short rates if the policy is terminated by the **Parent Company.** Under any other circumstances the refund shall be computed pro rata.

However;

(i) the **Assured** shall neither admit any liability for, nor settle any claim, nor incur any costs or expenses without the prior authorization of Underwriters;

Defence costs incurred by Underwriters, or with their prior authorization, are payable in addition to the limit for Legal Liability. However, if the total amount for all settlements, awards and judgements to which such costs refer exceeds this limit, this policy shall pay only that proportion of defence costs which the limit bears to the total of such settlements, awards and judgements.

3. CONDITIONS

3.1 When the **Insured Event** has occurred, or is believed to have occurred, the **Assured** shall:-

(i) inform Underwriters and the Control Risks Group and/or alternative Security Consultant and provide whatever information is required as soon as is practicable and inform (or allow the Control Risks Group and/or alternative Security Consultant to inform) the appropriate authorities responsible for law enforcement in the country where an **Insured Event** has occurred, or is believed to have occurred, of the **Ransom** demand as soon as is practicable having regard to the personal safety of the Victim;

(ii) before agreeing to the payment of any **Ransom**, make every reasonable effort to:-

(a) determine that the **Insured Event** has actually occurred and is not a hoax;

(b) ensure that a senior official of the **Assured** agrees to the payment of the **Ransom**;

(iii) when requesting the reimbursement hereunder of a **Ransom**, be able to demonstrate that such **Ransom** had been surrendered under duress.

3.2 The **Assured** shall use due diligence and do and concur in doing all things reasonably practicable to avoid or diminish any Insured Losses.

3.3 The **Assured** and **Insured Person(s)** must at all times use best efforts to ensure that knowledge of the existence of this insurance is restricted as far as possible.

3.4 In the event of any payment under this policy, Underwriters shall be subrogated to the extent of such payment to all the **Assured's** or **Insured Person(s)'** rights of recovery, and the **Assured** or **Insured Person(s)** shall execute all papers required and shall do everything necessary to enable Underwriters to bring suit in the name of the **Assured** or **Insured Person(s)**.

3.5 Other than as set forth in clause 2.5 hereof, Underwriters' liability hereunder shall in all cases be limited to the amount shown in the Schedule. Specifically, but without limiting the generality of the foregoing, Underwriters' liability shall not be increased because:

(i) the **Assured** may comprise or include more than one legal entity. If more than one legal entity is named in this policy, only the first-named shall have any right to make, adjust, receive or enforce payment of any claim;

(ii) of renewal of this policy. Underwriters' liability shall not be cumulative from one Period of Insurance to another;

(iii) of any other reason whatsoever.

3.6 This policy may be cancelled by Underwriters solely as a result of non-payment of premium by the **Assured**. In such an event, Underwriters shall mail written notice of not less than 30 days of the effective date of cancellation and earned premium shall be calculated on a pro rata basis.

3.7 No assignment of the **Assured's** interest hereunder shall be binding on Underwriters, unless and until their written consent thereto has been obtained and endorsed hereon.

3.8 Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy, or prevent Underwriters from asserting any right under this policy, nor shall the terms of this policy be waived or changed except by endorsement to form part of this policy.

3.9 Failure by Underwriters to exercise or enforce any rights hereunder will not be deemed to be a waiver of such rights nor operate so as to bar the exercise or enforcement thereof at any time thereafter.

3.10 Under Section 2.6 **Personal Accident**, Underwriters will not be liable to pay compensation unless the Medical Advisors appointed by Underwriters shall be allowed as often as it is thought necessary within reason to examine the **Insured Person.**

3.11 It is agreed that the **Assured** shown in item 1. of the Schedule shall be automatically amended to include any newly acquired subsidiary on the following basis:

(i) any newly acquired subsidiary whose market value at the date of acquisition is less than 10% of the **Assured's** market value is automatically covered for the remainder of the policy period, provided that with respect to the new acquisition there are no threats or incidents ongoing at the time of acquisition;

(ii) any newly acquired subsidiary whose market value at the date of acquisition is greater than 10% of the **Assured's** market value is automatically covered for a period of 30 days from the date of acquisition, provided that with respect to the new acquisition there are no threats or incidents ongoing at the time of acquisition and subject to notification of the new subsidiary to Underwriters within the 30 day period.

4. EXCLUSIONS

Underwriters shall not be liable in respect of any losses which are or but for this insurance would be covered under any other insurance, save in excess of such other insurance. Further, Underwriters shall not be liable in respect of any losses caused by or arising from or attributable to any of the following circumstances:

SCR

4.2 The surrender of a **Ransom**, either at the locations where the **Kidnap** or **Detention** or **Hijack** of one or more **Insured Persons** occurs or where the **Extortion** or **Products Extortion** demand is first made, unless brought to such location after receipt of the **Ransom** demand for the sole purpose of paying such **Ransom** demand.

4.3 In respect of **Kidnap, Extortion, Products Extortion or Hijack** only, a fraudulent, or criminal act of the **Assured**, a director, officer, employee or agent, contractor or sub-contractor of the **Assured**, or an **Insured Person** or agent thereof whether acting alone or in collusion with others.

4.4 In respect of **Detention** only:

(i) a **Detention** which is for a period of less than twenty four hours;

(ii) any act or alleged act of the **Assured** or an **Insured Person** which would be a criminal offence if committed by the same party in the State where its headquarters are located or of which he is a national, unless Underwriters determine that such allegations were intentionally false, fraudulent and malicious and made solely and directly to achieve a political, propaganda or coercive effect upon or at the expense of the **Assured** or the victim of a **Detention**;

(iii) failure of the **Assured** or an **Insured Person** to properly procure or maintain immigration, work, residence or similar visas, permits or other documentation.

Terrorist Risk Insurance Act Endorsement

TRIA Charge:

On November 26, 2002, the President of the United States signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). You should know that, effective November 26, 2002, under your existing coverage, any losses caused by certified acts of terrorism would be partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays 90% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage.

Please note that this Certificate does not contain an exclusion that specifically excludes coverage for certified acts of terrorism under the Act. The portion of your annual premium that is attributable to coverage for acts of terrorism is 1%. There is a separate line item designating the premium charge for this coverage above.

If you do not wish to elect to purchase coverage for Acts of Terrorism, as defined by the Act, we must receive written notification of such desire and an exclusion for such coverage will be added to your Policy. If you have any questions regarding this notice, the Act, or the impact of the Act on your policy please do not hesitate to contact SCR.

Discovery Request No. 17:

Please provide a copy of all current contract agreements between TAWC and its management service companies.

Response:

Please see the response to discovery request TRA-1-32 for a copy of the contract between TAWC and AWWSC. In addition, please see the attached copies of the agreements between TAWC and American Water Capital Corp and American Water Resources.

FINANCIAL SERVICES AGREEMENT

THIS AGREEMENT, dated as of June 15, 2000, by and between Tennessee-American Water Company (the "Company") and American Water Capital Corp. ("AWCC").

BACKGROUND

The Company currently performs its own financial services.

However, the Company has determined that it can obtain these services more efficiently through the consolidation of certain necessary management and staff functions with those performed for other entities that may enter into agreement with AWCC substantially similar to this one ("Co-Participants").

AWCC is dedicated to performing such consolidated functions.

Accordingly, the parties have determined to enter into this Agreement for the provision of financial services by AWCC to the Company and for the proper determination and allocation of the costs of providing such services.

Therefore, the parties agree as follows:

AGREEMENT

1. Services. AWCC will provide, either directly or through arrangements with third parties for the benefit of the Company, such financial services as the Company and AWCC may from time to time agree, including but not limited to those more fully described in Appendix I attached to this Agreement.

2. Costs. In consideration of the provision of the services contemplated by paragraph 1, the Company agrees to pay AWCC a portion of the costs and appropriate overhead incurred by AWCC in providing those services, as follows. The costs incurred by AWCC in connection with its bank credit lines and short-term public borrowings will be divided among the Co-Participants in proportion to the maximum principal amount that each Co-Participant requests be made available to it during the course of a year. The costs incurred by AWCC in connection with each long-term borrowing by AWCC will be divided among each Co-Participant in proportion to the principal amount of that borrowing that is loaned to that Co-Participant. AWCC's overhead will be allocated among the Co-Participants in the same proportion as each Co-Participant's long-term and maximum, requested short-term borrowings and investments in a calendar year bear to all of the long and maximum short-term borrowings and investments by all Co-Participants during the same year.

3. Statements. AWCC will prepare and deliver to the Company monthly statements of the services provided by AWCC and amounts payable to AWCC, giving effect to

all the provisions of this Agreement. The Company shall pay the net amount shown on its statement within thirty (30) days after the billing date.

4. Inspection. Upon reasonable notice, AWCC will make available to the Company for its inspection AWCC's books, records, bills, accounts and any other documents which describe or support the costs allocated to the Company under this Agreement.

5. Obligations Not Joint. AWCC and the Company expressly agree: (a) that the obligations of the Company and each Co-Participant to AWCC are several and not joint; (b) that the Company will not be responsible to any Co-Participant, to AWCC or to any assignee or creditor of AWCC for any payment in excess of payments due by the Company to AWCC under this Agreement or a Note in the form attached to this Agreement; and (c) that no Co-Participant will be responsible to the Company, to any other Co-Participant, to AWCC or to any assignee or creditor of AWCC for any payment in excess of payments due by that Co-Participant to AWCC under any agreement substantially similar to this Agreement or under any Note attached to that other agreement. AWCC covenants and agrees that it will require, as a condition to its entering into any such other agreement with a Co-Participant, that such other agreement contains the same provision as that contained in the immediately preceding sentence.

6. Notes. The Company's borrowings under this Agreement will be evidenced by one or more promissory notes in the form of Exhibit A or Exhibit B attached to this Agreement.

7. Non-Exclusivity. Nothing in this Agreement prohibits or restricts the Company from borrowing from third parties, or obtaining services described in this Agreement from third parties, whenever and on whatever terms it deems appropriate.

8. Effectiveness. EXHIBIT A
PROMISSORY NOTE
FOR SHORT-TERM LOANS

$_____ _____, 2000

FOR VALUE RECEIVED, [NAME OF COMPANY], a _____ corporation (herein "Borrower") hereby promises to pay ON DEMAND to the order of American Water Capital Corp., a Delaware corporation ("Lender"), in same day funds at its offices at Voorhees, New Jersey or such other place as Lender may from time to time designate, the principal sum of _____ dollars ($_____) (the "Maximum Principal Sum"), or such lesser amount as shall equal the aggregate unpaid principal amount of the loans made by Lender to Borrower (other than loans evidenced by a promissory note under which the principal amount is due and payable in one or more scheduled installments more than one year after the date of its issue), together with interest thereon from the date hereof until paid in full. Interest will be charged on the unpaid outstanding principal balance of this Note at a rate per annum equal to Lender's actual cost of funds to make such loan, such rate to change as Lender's actual cost of funds changes. Interest on borrowings shall be due and payable on the first business day of each month, commencing with the first business day of the month after the month in which this Note is executed. In the absence of manifest error, the records maintained by Lender of the amount and term, if any, of borrowings hereunder shall be deemed conclusive.

Borrower may borrow, repay and reborrow hereunder in amounts which do not, in the aggregate outstanding at any time, exceed the Maximum Principal Sum.

The occurrence of one or more of any of the following shall constitute an event of default hereunder:

(a) Borrower shall fail to make any payment of principal and/or interest due hereunder or under any other promissory note between Lender and Borrower within five business days after the same shall become due and payable, whether at maturity or by acceleration or otherwise;

(b) Borrower shall apply for or consent to the appointment of a receiver, trustee or liquidator of itself or any of its property, admit in writing its inability to pay its debts as they mature, make a general assignment for the benefit of creditors, be adjudicated a bankrupt or insolvent or file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation of law or statute, or an answer admitting the material allegations of a petition filed against it in any proceeding under any such law, or if action shall be taken by Borrower for the purposes of effecting any of the foregoing; or

(c) Any order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition seeking reorganization of Borrower or all or a substantial part of the assets of Borrower, or appointing a receiver, trustee or liquidator of

Borrower or any of its property, and such order, judgment or decree shall continue unstayed and in effect for any period of sixty (60) days.

Upon the occurrence of any event of default, the entire unpaid principal sum hereunder plus all interest accrued thereon plus all other sums due and payable to Lender hereunder shall, at the option of Lender, become due and payable immediately. In addition to the foregoing, upon the occurrence of any event of default, Lender may forthwith exercise singly, concurrently, successively or otherwise any and all rights and remedies available to Lender by law, equity, statute or otherwise.

Borrower hereby waivers presentment, demand, notice of nonpayment, protest, notice of protest or other notice of dishonor in connection with any default in the payment of, or any enforcement of the payment of, all amounts due hereunder. To the extent permitted by law, Borrower waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect.

Following the occurrence of any event of default, Borrower will pay upon demand all costs and expenses (including all amounts paid to attorneys, accountants, and other advisors employed by Lender), incurred by Lender in the exercise of any of its rights, remedies or powers hereunder with respect to such event of default, and any amount thereof not paid promptly following demand therefor shall be added to the principal sum hereunder and will bear interest at the contract rate set forth herein from the date of such demand until paid in full. In connection with and as part of the foregoing, in the event that this Note is placed in the hands of an attorney for the collection of any sum payable hereunder, Borrower agrees to pay reasonable attorneys' fees for the collection of the amount being claimed hereunder, as well as all costs, disbursements and allowances provided by law.

If for any reason one or more of the provisions of this Note or their application to any entity or circumstances shall be held to be invalid, illegal or unenforceable in any respect or to any extent, such provisions shall nevertheless remain valid, legal and enforceable in all such other respects and to such extent as may be permissible. In addition, any such invalidity, illegality or unenforceability shall not affect any other provisions of this Note, but this Note shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

This Note inures to the benefit of Lender and binds Borrower and Lender's and Borrower's respective successors and assigns, and the words "Lender" and "Borrower" whenever occurring herein shall be deemed and construed to include such respective successors and assigns.

This Promissory Note is one of the promissory notes referred to in the Financial Services Agreement dated as of June 15, 2000 between Borrower and Lender to which reference is made for a statement of additional rights and obligations of the parties hereto.

IN WITNESS WHEREOF, Borrower has executed this Promissory Note the day and year first written above.

4. In the event that Tennessee elects to maintain the GAC in service beyond the normal thirty-six (36) month warranty period, Tennessee shall pay ACS a monthly fee of one-half of the applicable monthly fee shown in Section B.1, B.2, or B.4 per filter for all months beyond thirty-six (36) that the GAC is in service.

5. If Tennessee elects to terminate this Agreement as provided in Section D below, not enter into a renewal agreement or otherwise have the GAC removed from the filters, ACS will provide the services in Section A.4 and Tennessee will pay ACS for the actual cost of such services. The payment shall be due in thirty (30) days after the invoice date.

WARRANTY

ACS warrants that under normal conditions, the GAC provided under this Agreement shall perform the function of adsorption of dissolved organics, which contribute to taste and odors during the life of the warranty. For purposes of warranty, effective T&O control is defined as the reduction of adsorbable dissolved odors such that the threshold order number of the GAC filtered water as measured by the procedure defined in "Standard Methods for the Examination of Water and Wastewater", 20th Edition, shall not persistently exceed two (2) in the GAC filtered plant effluent for four (4) consecutive days with the treatment plant in normal operation. The warranty will begin on the date of installation of the GAC and continue for thirty-six (36) months thereafter. The warranty is contingent on the following:

A. If the concentration of organics in the raw water supply should greatly exceed general background levels, as in the case of an accidental industrial discharge, chemical spill or other adversity, it may be necessary for Tennessee to initiate emergency procedures such as a complete bypass of contaminated water during the course of abnormal conditions. If emergency measures are not taken immediately to prevent the GAC from being exposed to excessive levels of organic contaminants the warranty will be voided.

B. Normal treatment of the water prior to GAC filtration shall continue to be practiced. This includes suitable disinfection, coagulation and clarification of the raw water and stabilization of the clarified water before GAC filtration.

C. Average and maximum filtration rates will not exceed 6.1 and 9.2 gallons per minute per square foot, respectively.

D. The GAC shall be maintained by Tennessee in the filters with the exception of a possible loss of up to one (1) inch of GAC bed depth per year due to attrition. If losses should exceed one (1) inch of bed depth in any filter during any one- (1) year of operation, the excess GAC loss will be replaced. Tennessee shall pay ACS for any such replacement of GAC.

E. The water plant filters shall be maintained in good operating condition and in accordance with accepted industry practice. If the GAC fails to perform due to encrustation inorganic precipitates, this shall not be considered to be a breach of the warranty and Tennessee shall bear the cost of cleaning the GAC to restore performance, in accordance with procedures provided by ACS. Should the GAC during the warranty period fail to perform in accordance with the warranty, ACS shall, at its sole option, either reactivate

or replace all or part of the GAC to restore its capability to meet the warranty. All cost to bring the GAC back into compliance with the terms of this warranty shall be for the account of ACS.

EXCEPT AS SET FORTH IN THIS EXHIBIT B, ACS MAKES NO WARRANTY EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE GAC OR THE SERVICES TO BE PROVIDED UNDER THIS AGREEMENT. ACS SHALL HAVE NO LIABILITY FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF A BREACH OF THIS WARRANTY. TENNESSE'S SOLE REMEDY FOR ANY BREACH OF THIS WARRANTY SHALL BE TO REQUIRE ACS TO EITHER REACTIVATE OR REPLACE CARBON AS PROVIDED ABOVE.

4. Tennessee will pay to ACS for the services provided under Clauses 1 through 3 of Section A, a monthly fee of $1,386.00 per Aldrich filters #2, #5, and #7, and $616.00 per conventional filters #7 -#12 beginning on the first day of the month following installation of GAC in the filters in 2002 and each month thereafter for thirty-five (35) months.

5. In the event that Tennessee elects to maintain the GAC in service beyond the normal thirty-six (36) month warranty period, Tennessee shall pay ACS a monthly fee of one-half of the applicable monthly fee shown in Section B.1, B.2, or B.4 per filter for all months beyond thirty-six (36) that the GAC is in service. In the event that Tennessee elects to maintain the GAC in service beyond twenty-four (24) month warranty period, Tennessee shall pay ACS a monthly fee of one-half of the applicable monthly fee shown in Section B.2 per filter for all months beyond twenty-four (24) that the GAC is in service.

6. In the event that Tennessee elects to terminate this Agreement as provided in Section D below, not enter into a renewal agreement or otherwise have the GAC removed from the filters, ACS will provide the services in Section A.4 and Tennessee will pay ACS for the actual cost of such services. The payment shall be due in thirty (30) days after the invoice date.

C. WARRANTY

1. ACS warrants that the GAC supplied under this Agreement under Sections B.1, B.3 and B.4 will, for a period of thirty-six (36) months after installation, provide acceptable T&O control as detailed in Exhibit B, hereto, as well as meet all state criteria regarding filter media specifications. ACS warrants that the GAC supplied under this Agreement under Section B.2 will, for a period of twenty-four (24) months after installation provide acceptable T&O control as detailed in Exhibit B, hereto, as well as meet all state criteria regarding filter media specifications.

D. TERM

1. The initial term of this Agreement shall begin upon installation of GAC filters in the fourth quarter of 2000 as shown in Exhibit C, hereto, and continue for a period of sixty (60) months. At the end of the initial term, this Agreement shall be automatically extended on a month-to-month basis unless and until Tennessee provides not less than thirty (30) days prior written notice to ACS of termination, provided, however, that any such extension shall not extend the warranty of any GAC covered under Section C beyond thirty-six (36) months after installation.

E. FORCE MAJEURE

Either party hereto shall be excused to the extent that its performance is prevented by any circumstance reasonably beyond its control, including, but not limited to, fire,

explosion, strike, labor dispute, war, act of God, riot, or action of any governmental authority.

WARRANTY

ACS warrants that under normal conditions, the GAC provided under this Agreement shall perform the function of adsorption of dissolved organics which contribute to taste and odors during the life of the warranty. For purposes of warranty, effective T&O control is defined as the reduction of adsorbable dissolved odors such that the threshold order number of the GAC filtered water as measured by the procedure defined in "Standard Methods for the Examination of Water and Wastewater", 20th Edition, shall not persistently exceed two (2) in the GAC filtered plant effluent for four (4) consecutive days with the treatment plant in normal operation. The warranty will begin on the date of installation of the GAC and continue for thirty-six (36) months thereafter. The warranty is contingent on the following:

A. If the concentration of organics in the raw water supply should greatly exceed general background levels, as in the case of an accidental industrial discharge, chemical spill or other adversity, it may be necessary for Tennessee to initiate emergency procedures such as a complete bypass of contaminated water during the course of abnormal conditions. If emergency measures are not taken immediately to prevent the GAC from being exposed to excessive levels of organic contaminants the warranty will be voided.

B. Normal treatment of the water prior to GAC filtration shall continue to be practiced. This includes suitable disinfection, coagulation and clarification of the raw water and stabilization of the clarified water before GAC filtration.

C. Average and maximum filtration rates will not exceed 6.1 and 9.2 gallons per minute per square foot, respectively.

D. The GAC shall be maintained by Tennessee in the filters with the exception of a possible loss of up to one (1) inch of GAC bed depth per year due to attrition. If losses should exceed one (1) inch of bed depth in any filter during any one-(1) year of operation, the excess GAC loss will be replaced. Tennessee shall pay ACS for any such replacement of GAC.

E. The water plant filters shall be maintained in good operating condition and in accordance with accepted industry practice. If the GAC fails to perform due to encrustation inorganic precipitates, this shall not be considered to be a breach of the warranty and Tennessee shall bear the cost of cleaning the GAC to restore performance, in accordance with procedures provided by ACS. Should the GAC during the warranty period fail to perform in accordance with the warranty. ACS shall, at its sole option, either reactivate or replace all or part of the GAC to restore

its capability to meet the warranty. All cost to bring the GAC back into compliance with the terms of this warranty shall be for the account of ACS.

EXCEPT AS SET FORTH IN THIS EXHIBIT B, ACS MAKES NO WARRANTY EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE GAC OR THE SERVICES TO BE PROVIDED UNDER THIS AGREEMENT. ACS SHALL HAVE NO LIABILITY FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF A BREACH OF THIS WARRANTY. TENNESSE'S SOLE REMEDY FOR ANY BREACH OF THIS WARRANTY SHALL BE TO REQUIRE ACS TO EITHER REACTIVATE OR REPLACE CARBON AS PROVIDED ABOVE.
