Response to Data Request No. 1

1. Have the Petitioners filed similar petitions or notices in other states? If so, provide a listing of states and actions taken.

In addition to Tennessee, the *Joint Petition* has been filed in the states of Alabama, Arkansas, Florida, Georgia, Illinois, Indiana, Kansas, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Ohio, South Carolina, Texas, and Wisconsin.

The states of Florida, Kansas, Kentucky, Missouri, North Carolina, South Carolina and Wisconsin required notice only. Primarily, because the *Joint Petition* was recently filed, no formal action has been taken in the other states that require approval.

2. Have the Petitioners filed a similar petition with the FCC? If so, list any action taken and the associated docket number. If a schedule to complete the review of the petition has been established by the FCC, provide such with your response.

A joint Domestic and International Section 214 Transfer of Control Application have been filed with the Federal Communications Commission. As of the date of this filing the matter has not been docketed, nor has a schedule to complete the review been established.

3. Provide a signed verification from L-6 Holdings Corporation, their attorney, or representative verifying that the information contained in the *Joint Petition* is true and correct to their best knowledge, information, and belief.
