**ORDER GRANTING APPROVAL OF AN ASSUMED NAME**

---

This matter came before Chairman Eddie Roberson, Director Tre Hargett, and Director Sara Kyle of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on June 23, 2008, upon the petition of NuVox Communications, Inc. ("NuVox, Inc." or "Company") to add an assumed name.

State Communications, Inc.. was granted a Certificate of Public Convenience and Necessity ("CCN") as a reseller or telecommunications operator service provider to provide intrastate private line and telecommunications access service in Tennessee on August 4, 1998 in Docket No. 98-00330. On September 28, 1999, the Authority found that the company had met all TRA requirements and approved a name change to TriVergent Communications, Inc. ("TriVergent") in Docket No. 99-00661. On January 26, 2000, in Docket No. 99-00806, TriVergent was granted a CCN as a competing telecommunications service provider to expand its authority to provide a full array of telecommunications services including switchless interexchange telecommunications and all services provided by a local exchange carrier. On June 12, 2001, in Docket No. 01-00409, the Authority granted TriVergent approval to change its

name to NuVox Communications, Inc. On April 15, 2008, NuVox Communications, Inc. filed a Petition to add the assumed name of NuVox and to waive the customer notification letter.

Based upon careful consideration of the record of this matter and upon a finding that the Company has satisfied the requirements of Tenn. Comp. R. & Regs. 1220-4-1-.08, the panel voted unanimously to approve the name change.

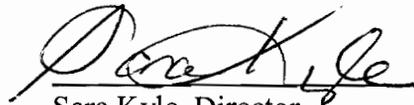

**IT IS SO ORDERED.**
