**ORDER RESUSPENDING PROPOSED RATE INCREASE
FOR ADDITIONAL NINETY DAYS**

By Order of October 24, 2008, the proposed rate increase was suspended through February 10, 2009. On November 14, 2008, the parties filed a letter agreeing to suspend the procedural schedule until November 21, 2008. On November 21, 2008, the *Consumer Advocate's Motion for Agreed Suspension of Procedural Schedule* was filed "in order to allow the parties a respite to work to achieve amicable resolutions of the issues in this matter." As the parties agreed to this proposed suspension of the procedural schedule, the hearing officer allowed such negotiations to occur. The hearing officer was contacted on January 28, 2009 with a request that a little more time was needed to come to an agreeable resolution of this matter; such request was approved with the direction that a resolution be presented at the parties earliest convenience.

As such, the proposed rate increase is re-suspended an additional ninety (90) days, through May 11, 2009, or until otherwise ordered by the panel. The parties are directed to file a proposed settlement agreement or a motion for a status conference no later than February 24, 2009.

IT IS THEREFORE ORDERED THAT:

1. The proposed rate increase is re-suspended an additional ninety (90) days, through May 11, 2009.
2. The parties shall file a proposed settlement agreement or a motion for a status conference no later than February 24, 2009.
