Re: *dPi Teleconnect v. AT&T Tennessee*
Docket No. 08-00063

Dear Hearing Officer Hotvedt:

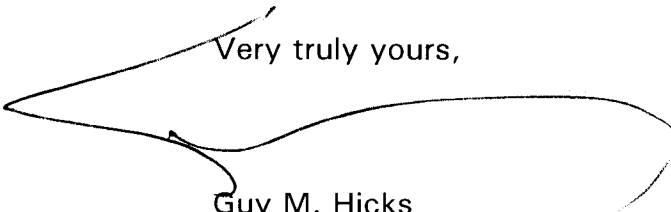

This is to request the that status conference scheduled for Monday, December 15, 2008, be postponed.

This week, Robert Culpepper, on behalf of AT&T Tennessee, attempted to contact counsel for dPi Teleconnect, Mr. Christopher Malish, in order to discuss whether agreement could be reached by the parties to ask you to hold this matter in abeyance pending hearings in North and South Carolina regarding the same parties and similar issues, or, alternatively, to develop an agreed proposed procedural schedule for Tennessee. We have not received a response from Mr. Malish and do not know his position with respect to these procedural matters.

Accordingly, AT&T requests that the status conference be postponed pending discussions between counsel.

Thank you for your attention to this matter.

Very truly yours,

Guy M. Hicks
