RE: *In the Matter of the Application of dPi Teleconnect, LLC for Certification as an Eligible Telecommunications Carrier*, Docket No. 08-00114

Dear Mr. Steinhart:

To complete the review of the above docket filed on behalf of dPi Teleconnect, LLC ("dPi") further information is needed as follows:

1. Identify, by rate center, where in Tennessee dPi is currently providing local residential and business telecommunications services. Identify with each listed rate center whether services are provided by resale, by leased UNEs or both. Additionally, identify the number of lines where service is provided by UNE.
2. Provide copies of, or instruction on where to locate, dPi's current advertising of its services to Tennessee consumers. Further describe where the advertisements are being distributed and by whom and by what means.
3. Describe in detail dPi's use of "unbundled network equivalents" obtained through agreements with the ILEC.
4. Explain dPi's method of access and/or local service switching. If switching is obtained from another carrier by lease, what are dPi's transition plans for facilities based switching, if any?
5. Outline dPi's plans for ensuring its customers continue receiving telecommunications services should AT&T relinquish a particular service area and no other carrier assume such service area.
6. Describe dPi's plans for demonstrating to the Authority that for those Lifeline customers served via resale of another carrier's services, dPi is not receiving the

federal universal service Lifeline credit from the serving company and filing for credit with the Universal Service Administration Company.

7. dPi does not have a current Wireline Activity Report on file with the Authority. In accordance with the requirements established in Authority Docket No. 97-00309, dPi is required to file a Wireline Activity Report monthly. Submit a copy of dPi's most recent report. **(Information concerning this report may be obtained by contacting John.Hutton@state.tn.us.)**

This information should be provided no later than 2:00 p.m. on April 7, 2009, with reference to Docket No. 08-00114 on the response. In accordance with Authority rules submit either (1) thirteen written copies of your response or (2) four written copies and an electronic version. Should you have any questions regarding this request, please contact Lewis De Board at (615) 741-2904, ext. 219.

Sincerely,
