CALCULATION OF FEE

All holders of a state-issued certificate of franchise authority shall, as a condition of maintaining the franchise authority, pay an annual fee as provided in Tenn. Code Ann. § 7-5-301. The annual fee to be collected in the aggregate shall not exceed \$ 107,000 and shall be based on the total number of subscribers obtaining service from holders of a state-issued certificate of franchise authority as of June 30, 2009. The percentage shall be calculated by dividing the holder's number of cable or video subscribers served under a state-issued certificate of franchise authority by the total number of cable or video subscribers of all holders served under all state-issued certificates of franchise authority.
