RE: NOTICE of TRA Receipt of Application for Amendment to Certificate of Franchise Authority
 and OFFICIAL REQUEST for Information

Dear Sirs:

According to ordinance number 251 incumbent cable TV provider Charter Communications LLC is required to reserve, without charge and subject to the requirements of the Federal Communications Commission, a minimum of one channel for public, educational and governmental (PEG) access use. It is not currently activated.

In consideration of the terms of this franchise, and in conformity with 47 U.S.C. 542, Grantee has agreed to pay the Town a sum of money equal to five percent (5%) of Grantee's gross annual receipts per year. Such sum shall be payable quarterly, no later than the 20th of the month following the end of the quarter. This payment shall be in addition to any other tax or payment owed to the Town by Grantee, including ad valorem or business taxes.

At this time AT&T Tennessee has not entered into any agreement with the Town of Ashland City. Before any of the above referenced terms can be enacted, a formalized franchise agreement will be required.

Sincerely,

Lisa R. Phares
