RE: Cable TV Franchise Authority

Dear Ms. Cooper:

County Mayor, Jim Bailey, asked that I respond to your letter of July 3, 2008 regarding PEG cable channels.

Charter has a county franchise which provides for Channel 6 to be a PEG Channel, which is activated. There is no payment provided by Charter to support that channel.

Sincerely,

William H. Dale, Jr.,
County Attorney

Ladies and Gentlemen:

Pursuant to your letter to the City of Springfield dated July 3, 2008 regarding the Notice of TRA Receipt of Application for Certificate of Franchise Authority and Official Request for Information, the following pertains to the information you have requested regarding PEG channels.

The City of Springfield currently has a nonexclusive franchise agreement with Comcast Cablevision of Nashville II, LLC for an initial term of ten (10) years beginning April 1, 2003. Under the terms of the franchise, Comcast agrees to continue to provide channel capacity on two (2) channels for local, non-commercial governmental and educational access programming. The City of Springfield has two (2) activated PEG channels including: channel 3, which carries programming for the City of Springfield and Robertson County local governments and channel 19, which carries programming for Springfield High School. The franchise does not contain terms for any PEG support payments to be provided by the incumbent service provider.

If you need additional information, please do not hesitate to contact me.

Yours truly,
