The Public notice will be in the paper on Friday, August 29th, 2008. I have over-night a letter to Chairman Hargett requesting the 30 day notice requirement be waived and also sending him a copy of the template for the Public Notice along with the receipt for such.

We appreciate everything that each of you have done for us.

Subject: Rate Case Data Request

Mr. Strickland,

Attached is a data request regarding the public notice required by Authority Rules. The Rules require a 30 day notice unless waived for good cause by the Directors. Please respond by Thursday as requested, so that we may get the Settlement Agreement on the next Authority Conference for the Directors' consideration.

Thank you,

Pat Murphy
