To Whom It May Concern:

The City of Beersheba received a Notice of TRA receipt of application for Certificate of Franchise Authority and Official Request for information. I Marsha Knight the city recorder spoke with Nick Pavlis who is the Director of Government Relations, Nick said that the City of Beersheba does not have these channel related to public, educational and governmental (PEG") access channels. So this does not apply to us. He said that we need to send Lisa Cooper who is the TRA Program Manager a letter giving her this information.

Thanks,
