Re: Competitive Cable and Video Service Act

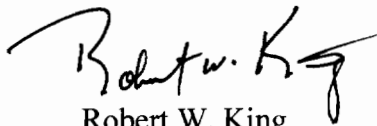

Dear TRA,

Recently Charter Communications file with the TRA for a state-issued cable television franchise in the City of Henderson. We are required to provide the TRA with the following information.

- 1) The City of Henderson has one required PEG channels.
- 2) The City of Henderson does not currently receive any PEG Access Support Payments.
- 3) Attached is a list of schools and government offices that currently receive free cable television service under our existing cable television franchise

Thank you for your attention to this matter. Please call me if you have any questions or need additional information.

Sincerely,

Robert W. King
Mayor

Re: NOTICE of TRA Receipt of Application for Certificate of Franchise Authority and
OFFICIAL REQUEST for Information

To Whom It May Concern:

Mr. Nick Pavlis notified us on September 12, 2008 that our cable provider, Charter Communications Operating, LLC, has applied for a state-issued certificate to operate its cable system in our community. He also asked for a list of "in-kind/free" accounts which I did provide to him. I don't know if you care about this information or not, but they are as follows:

White Pine Town Hall
1548 Maple St.

White Pine School
3060 Roy Messer Hwy.

White Pine Fire Hall
3208 School St.

White Pine Senior Citizens
1824 Maple St.

Charter Communications offers one activated PEG channel for our municipality that comes in on Channels 4 & 7. I can find no wording in our Franchise Agreement pertaining to PEG support payments by the incumbent service provider apart from the annual payment we receive that is based on the percentage of the Gross Subscriber Revenues received by the company.

If you need any further information please do not hesitate to call me at the above listed number or email at whitepine@charter.net.

Sincerely,

Sandra K. Smith, MMC
Town Recorder
