Re: Renaming of Time Warner Cable Midwest LLC (Docket No. 08-00169)

Dear Chairman Morrison:

Pursuant to the Tennessee Competitive Cable and Video Services Act (Tenn. Code Ann. Section 7-59-301 et seq.), Time Warner Cable Midwest LLC, an indirect subsidiary of Charter Communications, Inc. ("Charter") holds franchises to provide cable service in localities in Tennessee. Charter hereby provides notice that, on September 15, 2018, Time Warner Cable Midwest LLC changed its name to Spectrum Mid-America, LLC. The name change was effected in the state of Tennessee on October 19, 2018, and that change is reflected in the records of the Secretary of State. There was no change of control of the franchise holder or transfer of the franchises, just a name change. We now seek to update the name of the entity that holds the franchises to provide cable service in Tennessee.

If you have any questions regarding this matter, please do not hesitate to contact me.

Sincerely,

Paul Abbott
Vice President, Local Government Affairs & Franchising
Charter Communications
