Re: HC Sewage Treatment, LLC

Dear Ms. Standley:

Enclosed is the mailed copy of my letter of September 23, 2008, which was faxed to you on September 23. I must correct one inadvertent statement and that is that Greeneville Oil and Petroleum's counsel had not returned my call at the time the letter was faxed. For a brief period of time on Monday I had my office phone forwarded to my cellphone and had muted it while I was in court in Carter County. I therefore did not observe that their counsel did return my call and only picked it up late yesterday.

I apologize for this error on my part.

This does not change the substance of my letter of September 23.

Sincerely yours,

T. Arthur Scott, Jr.
