Atmos Energy Corporation, Tennessee
Docket No. 08-00197
Responses to CAPD First Discovery Request
Supplemental

62. Provide copies of all of Dr. Vander Weide's testimonies, reports, and opinions filed in any jurisdiction since January 1, 2005.

Atmos incorporates by reference its objections and initial response to this discovery request.

Atmos further notes that it understands that protective orders were entered in the securities cases in which Dr. Vander Weide previously served as an expert. Subject to and without waiving these objections, Atmos now supplements its response by providing non-confidential portions of Dr. Vander Weide's testimony, reports, and opinions in the case styled In Re JDS Uniphase Securities Litigation, No. CO2-1486CW, which Atmos has obtained from counsel in that case.

Witness: Dr. James Vander Weide
