The Honorable Eddie Roberson
Tennessee Regulatory Authority

Nashville, TN 37243

Dear Director Roberson:

I have had several calls and many e-mails opposing the petition for a rate increase by the Tennessee Wastewater Systems. This especially affects the South Ridge Subdivision in Montgomery County, Tennessee.

In these very hard economic times, a large increase in water rates would be very difficult for the residents in this area. I would appreciate being kept apprised of the decisions by the Tennessee Regulatory Authority concerning this petition.

My legislative office is 212 War Memorial Building, Nashville, TN 37243.

Sincerely,

Curtis Johnson
State Representative
