DOCKET NO. 08-00202

PETITION TO INTERVENE OF KING'S CHAPEL CAPACITY

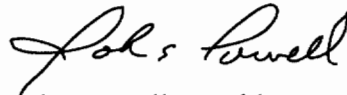

King's Chapel Capacity, LLC ("KCC"), petitions the Tennessee Regulatory Authority ("TRA"), pursuant to Tennessee Code Annotated § 4-5-310(a), to allow KCC to intervene as a matter of right in the above-captioned Petition of Tennessee Wastewater Systems, Inc. to Change and Increase Certain Rates and Charges. In support of this Petition, KCC submits that:

1. KCC presently has a CCN to serve an area in Williamson County known as King's Chapel Subdivision. The existing and present rates of KCC are based upon the existing and present rates of Tennessee Wastewater Systems.
2. KCC maintains that any decision by the TRA in this docket to change the present rates of Tennessee Wastewater Systems could have a precedential effect on any future filings of KCC to change its rates. Therefore the outcome of the above-captioned proceeding will have a direct impact on the rights, duties, privileges, immunities, or other legal interests of KCC.

Moreover, granting this Petition to Intervene is in the interests of justice
and will not impair the orderly and prompt conduct of the proceedings.
Therefore, KCC respectfully requests that the TRA grant its Petition to Intervene.

Respectfully submitted,

KING'S CHAPEL CAPACITY, LLC

A handwritten signature in black ink, appearing to read "John Powell". The signature is fluid and cursive, with the first name "John" being more prominent than the last name "Powell".
