Re: Docket No. 08-00202 – Letter regarding Highland Cove

Dear Mrs. Standley:

This letter is in response to your letter of March 25th regarding maintenance information for the Highland Cove Condominiums. As a matter of policy, Tennessee Wastewater and every other utility that I am familiar with does not send out maintenance information to customers. However, Brian Carter, the Maintenance Manager, and I would be happy to meet with representatives of the Highland Cove Homeowners Association and discuss any questions that they may have about maintenance of the system.

Sincerely,

Charles Pickney, Jr.
President
